Neighborhood Scavenger Hunt 6

- Welcome your new LVNA Board -

We would like to welcome your new LVNA board:

President - Lydia Fotiades

1st VP - Cortney Jansen

Treasurer - Linh Ly

Secretary -Brad Dux

We are still looking for more neighbors to join us. If you have any interest whatsoever please reach out!

The board would also like to thank Tony Bugna and Bev Woidyla for this service on the board.

- Celebrating Earth Month -

Friday, April 22 is Earth Day, which means that all of April is Earth Month. Here are some ways to get involved:

- **Roadmap to Sustainability:** The City of Sunnyvale is sponsoring a Roadmap to Sustainability competition. After calculating your personal carbon footprint, there are a variety of challenges and activities to keep you busy each month. Submit your photos by May 8 at 5:00pm for a chance to win prizes. Find more information here: https://sunnyvale.ca.gov/news/displaynews.htm?NewsID=723&
- **Go vegan (for a day or two or more):** Meat production (much of it factory farmed) has a huge environmental impact. Raising livestock accounts for more than half of all the greenhouse gasses that come from food production, leads to deforestation (to grow animal feed and to farm the animals), and is water-intensive. No need to give up meat completely, but use April as an excuse to try a vegan meal (or two or three). A quick Google search will turn up endless options (many of which are actually good).
- **Join the Sunnyvale Sustainability Commission:** This commission is responsible for providing the Council with guidance on achieving the City's sustainability goals and uses the Climate Action Playbook. There's a position open now, and applications are being accepted. Applications are due by 4:00pm on April 28. See https://sunnyvale.ca.gov/government/boards.htm for more information
- **Save water:** With another low-rain winter on records, water levels continue to be extremely low. Try a new way to reduce water - try watering your lawn only once a week, take a shower every other day (or take a shorter shower), and turn the water off when brushing your teeth.
- **Get a free DIY Earth Day kit:** California State Parks Foundation has partnered with REI to provide free Earth Day kits. The kits include gloves, a trash bag, an REI coupon, and more - all intended to help you clean up your local community. You have to register in advance. See https://donate.calparks.org/event/diy-earth-day-climate-action-with-rei/e390279 for more information.

For people looking for other activities, Saturday, May 21 is the National River Cleanup Day. You can find more information about this and other events by calling 408-730-7717 or viewing this flier: https://sunnyvale.ca.gov/civicax/filebank/blobdload.aspx?blobid=23701

- Meet Your Board Member -

Cortney Jansen

Cortney is the first vice president of the Lakewood Village Neighborhood Association.

Question: Tell me a bit about yourself and your family.

Cortney: My husband and I have two kids and two cats. We moved to the Bay Area in 2011 - California is the sixth state we've lived in. My husband is an engineer and I'm a project manager.

Question: When did you move to the neighborhood?

Cortney: We moved to this neighborhood in early 2013.

Question: When in the neighborhood do you live?

Cortney: We live near Fairwood Elementary.

Question: Name one thing you see out of your kitchen window.

Cortney: A North Country Wind Bell. I lived in Maine for several years, and this company makes metal windchimes whose chimes match the sounds of actual Maine buoys. I can no longer remember which one I have (Bar Harbor Bell maybe), but they make the best sound in the wind.

Question: Something that is in your front yard?

Cortney: Green grass! Last year we planted drought-tolerant American-West-native grass (*blue grama*), which gives us a nice lawn without any real need to water it.

Question: A sound you hear frequently in the neighborhood?

Cortney: Airplanes - in our backyard, we can see the planes flying out of SJC.

Question: What is something you like about living in Lakewood/Fairwood? And something that has changed since you moved to the neighborhood.

Cortney: We have such a great location. We are close to Fairwood Park, which is great for the kids. We're close to 101 and 237, and it's relatively easy to get to SF, Santa Cruz, and East Bay. We've lived in Sunnyvale since we moved to California, and we love how close it is to everything. Something that's changed? They completely redid the "big kids" side of Fairwood Park since we moved here. I totally can't remember what used to be there, but the ropes course that they installed is great.

Question: What are your favorite parks/things to do in Sunnyvale and/or the Bay Area?

Cortney: I've been making it a focus to explore the state parks near us. So far, we've done Wilder Ranch State Park (SP), Robert E Wooley SP, Henry Coe SP, Henry Cowell SP, Castle Rock SP and Mt Diablo SP. In fact, my photo is from when my husband and I did a 7 mile loop around Mt Diablo last month. Anyhow, next up on my list are Butano SP and San Bruno Mountain SP. We also really enjoy The California Academy of Sciences, which we recently went to for the first time since covid started. And we enjoy any opportunity to walk along the water - either the bay or the ocean.

Question: Tell me a bit about your hobbies.

Cortney: Since covid started, we've spent a lot of time exploring local parks (in addition to the state parks mentioned above), hiking in the hills, and playing at the beach. We've also gotten into Legos - we all enjoy building them and the kids enjoy taking them apart. Before covid, we did a lot of rock climbing, wine tasting, and travel, but those have all been paused the last two years.

Question: Any great stories to share about living in the neighborhood?

Cortney: Hmm..the best I can think of is when we took our kids trick or treating a few years ago. There was someone walking on the other side of the street, and they were dressed in a full-size T-Rex dinosaur costume. My husband and I looked at our kids, and we both thought that they were laughing at the costume. Well, we were completely wrong - our kids were terrified of the dinosaur costume. We had to pick them both up, stop trick-or-treating right there, and go home. Ok, so maybe not a great story, but in hindsight, it's funny.

Question: How did you get involved with the LVNA initially?

Cortney: I attended one LVNA meeting many years ago - it was in person and they were talking about traffic control on Lawrence. Then I didn't attend for several years. A little over a year ago, I reached out to talk about some ideas on content for the Villager. One thing led to another, and then I found myself as vice president. It's been really nice to work with the other board members. Once thing we struggle with, though, is community engagement. We have the monthly general meetings, but they have low turnout. We recently did a survey to understand what people in the neighborhood are concerned about, and we are working on processing that information now. If you haven't already done the survey, please do - you can find it in the printed March Villager or online at LVNASV.org/tiny/rTX3.

- Neighborhood Scavenger Hunt -

Welcome to the monthly scavenger hunt! Send your name, address (to confirm that you live in the Lakewood/Fairwood neighborhood), and answers to the three questions to vp1@lvnasv.org by April 30, and we will announce the winner and the correct answers in the next newsletter. If there is a tie for the winner, we will randomly select one person as the winner. ***The winner will get to choose a $10 gift card from World Wrapps, Wal-Mart, or Giovanni's Pizzeria.***

1. How many elementary schools (in total) are in the Lakewood/Fairwood neighborhoods?
    a. 0
    b. 2
    c. 4
2. What borders the north side of the Fairwood neighborhood?
    a. Adobe Wells Mobile Home Park
    b. Levi's Stadium
    c. Loch Lomond
3. Approximately how many houses does LVNA represent?
    a. 586
    b. 721

LVNA Meeting Recap

LVNA Meeting on March 9th

The only item on the formal agenda was electing the new board for the 2022 year. We would like to welcome Linh Ly to the board and thank Lydia, Cortney, and Brad for continuing to serve.

The rest of the meeting was an open forum where members of the community chatted. There was no agenda for this portion of the meeting. We had a great discussion that went into things from lighting to community events.

Find us on Nextdoor!

If you have not already joined the LVNA group on Nextdoor then we encourage you to do so. Nextdoor allows separate settings for group posts so it's an excellent way to get curated Lakewood Village-relevant content while filtering out the rest. Board members post reminders about upcoming events and moderators ensure all activity in the group adheres to the group's rules (e.g., content relevant to Lakewood Village, no soliciting, etc.). Note that only Lakewood Village residents are permitted to join.
