- September LVNA Meeting Recap -

Our September LVNA general meeting was held in person (and on a Thursday!). Our guest speaker was Mayor Larry Klein. Since we did not record the session, here are some quick highlights from the meeting:

- Mayor Klein is the first directly elected mayor in Sunnyvale. Prior to the last election, the mayor of Sunnyvale was selected by the City Council
- The Lakewood Library is moving forward and has reached the final design stage. We are waiting on state approval and hoping to start construction in Summer 2023. The library should open by the end of 2024. More information can be found at https://www.sunnyvale.ca.gov/business-and-development/projects-in-sunnyvale/infrastructure-projects/lakewood-branch-library
- The City is putting $200M into renovating our parks. The Fair Oaks Park was the most recent one to be renovated. Lakewood Park is next. This fall, the city will start soliciting community input on what the new Lakewood Park should be.
- The Village Center plan will provide a new Village Center at the current Lakewood Shopping Center. More information can be found at https://www.sunnyvale.ca.gov/business-and-development/projects-in-sunnyvale/long-range-planning-initiatives/village-center-master-plan
- The Moffett Park plan is being evaluated as a mix of retail space, office space, housing (including affordable housing), and a large grocery store. The plan focuses on the land bounded by Moffett Park Dr, Caribbean Dr, and Enterprise Way. More information can be found at https://www.moffettparksp.com/project-overview
- The Sunnyvale Block 15 project near Mathilda Ave and Iowa Ave with provide affordable housing units. It is expected to open in Fall 2023 and will prioritize housing for people with intellectual or developmental disabilities. More information can be found at http://www.sunnyvaleblock15.com/
- The City is aware that there are unhoused people living at Lakewood Park. By law, the City cannot force them to move without providing them an alternative place to stay. Sunnyvale has only one homeless shelter, which serves the entire Santa Clara County population (meaning that Sunnyvale unhoused residents do not get priority). Covid substantially reduced the number of available beds, and the shelter has not returned to full capacity yet. The City also cannot build housing; it has to work with developers and non-profits to get this housing. On the advice of the city attorney, the City is working to revise a local ordinance to enforce no camping in the park. Once the ordinance is passed**, there is a 60 day public comment period before it can take effect. Once the ordinance takes effect, the City will work with local non-profits (e.g., HomeFirst) to provide the unhoused residents a housing option. Unhoused residents who do not choose the housing option will be told to move on (although there is no clear place for them to move to). Proposed changes to the ordinance can be found at

https://sunnyvaleca.legistar.com/View.ashx?M=F&ID=11257609&GUID=ABC9EC93-2FDB-4357-8649-039259EB4E10

We also had two members of the Fremont Union High School District join us. Naomi Nakano-Matsumoto (President) and Rosa Kim (Vice President) introduced themselves. As FUHSD board members, their role is to represent the community and address issues such as declining enrollment and the social and emotional health of students and staff. At this time, there is no one from North Sunnyvale on the FUHSD board, so please share your comments and concerns with Naomi and Rosa! You can find more information (including their contact information) at https://www.fuhsd.org/about-us/board-of-trustees. A final note that three seats for the FUHSD board are up for election this year and will be voted on in the November 8 election.

**This discussion was supposed to happen in the September 27 City Council meeting, but they ran out of time. It has been postponed to the October 11 City Council meeting instead.

- Obituaries for Gladys and Bob Bemis -

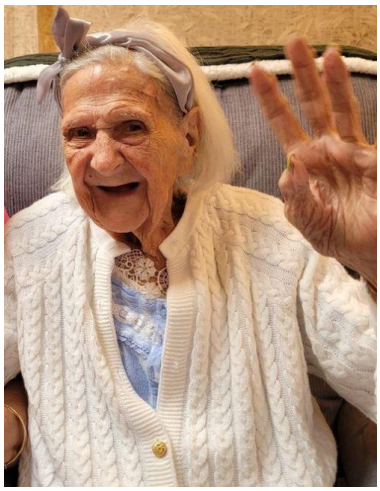

[Editor's note: We have not typically run obituaries in The Villager. However, when a Lakewood resident reached out to ask us to include a note on the passing of Gladys and Bob Bemis, we appreciated the chance to honor their contributions to our neighborhood. We will consider future obituaries on an individual basis. Please reach out to vp1@lvnasv.org to discuss.]

The Lakewood Village neighborhood lost two long-term residents recently. Gladys Bemis, age 104, died peacefully in her home in August and her husband, Bob Bemis, age 96, passed away shortly thereafter in September.

Bob was born in Webb City, MO as the oldest of 9 surviving children. He served in the Navy for 20 years with a high rank of Chief Petty Officer. Gladys had been a resident of Lakewood Village since the beginning, moving into her home in 1958. In 1968, Gladys and Bob purchased the Grog and Vittle, a beer and pizza place. They renamed it the Lakewood Lounge and served daily lunch specials until it was sold in the 1970s. Bob was a member of the Sunnyvale Elks Lodge, and held various officer positions including Exalted Ruler and was the Lodge Secretary until 2013. Bob loved to cook and was even a certified sommelier. He enjoyed watching baseball and he won a car in 1968 at a Fan Appreciation Day for the San Francisco Giants.

Gladys also owned the Lakewood Beauty Salon for a short time. She was active with the Sunnyvale Emblem Club, CPO Wives Club at Moffett Field, Bay Area Waves Group, and volunteered at the VA Palo Alto for over twenty years. Gladys was an avid gardener and loved hummingbirds.

Gladys and Bob are survived by their daughter Cynthia Kahakui and grandson Roland Kahakui. Donations in lieu of flowers can be made at womensmemorial.org

- Request for Help -

[Editor's note: Need help from your neighbors? Let us know and we will post your request in the Villager.]

Dear Neighbors,

It is packing shoe boxes season to support Operation Christmas Child. Operation Christmas Child is an international effort run by Samaritan's Purse, a nondenominational evangelical Christian organization led by Reverend Franklin Graham. My family participates in this project every year, and it brings our community together. Each box is packed with items like school supplies, personal care items, and quality toys. These shoebox gifts are sent to children around the world. For many children, the shoebox gifts become a tangible expression of God's love for them. If you would like to participate, please buy some suggested items below or come help us to pack the shoe boxes on November 12 (Saturday, 10am-12pm) at the park building in Lakewood Park. Last year, we packed 89 shoe boxes as a community to bless children around the world. How many will we do this year??

This year, we will be packing boxes for kids ages 2-4 years old. Here are some suggested gifts (all items must be new):

- school supplies (paper, colored paper, crayons, markers, color pencils, erasers, sharpeners, glue stick, rulers, watercolor set, pens, coloring books, notepads, stickers, etc)
- personal care items (comb, toothbrush, washcloth, cup, water bottle, bowl, plate)
- clothing and accessories (shirt, pants, dress, shoes, socks, sunglasses, tote bag, hair bows/clips, bracelets)
- toys (ball, slinky, jump rope, games, puzzle, doll, stuffed toy, car, etc

We also need donations of regular adult-size shoe boxes.

Thank you for your generosity and support. If you have any questions, please contact me at quyenfitting@gmail.com.
