- Recap of the November Meeting -

The November LVNA General Meeting took place at 7pm on Nov 9 in the park building at Lakewood Park. For this meeting, our Treasurer, Linh Ly, ran a project of creating Vision Boards. Vision Boards are displays of images and words that represent what individuals want our neighborhood to be.

Common themes included a sense of community, knowing your neighbors (especially the people on your block), a place for kids to hang out after school, diversity, supporting your neighbors, and building good memories.

Here are some of the Vision Boards that were made:

Want to make your own Vision Board? Here are some questions to get you started:

- Think back on the best parts of what a neighborhood or community that you enjoyed growing up or experienced.
- How did it make you feel?
- What wa
- s specific qualities that contributed to the sense of community? What activities, events, people were involved?
- What is a problem/issue in the neighborhood that you want to improve?
- What are some talents/skills/expertise that you can contribute?
- What are your hopes/dreams for Lakewood Village? Write down even the ones that seem impossible.

From there, find images online or cut out images from magazines to make your own Vision Board. Once you've finished your Vision Board, add it to our collect here:

LVNA Holiday Lights Competition

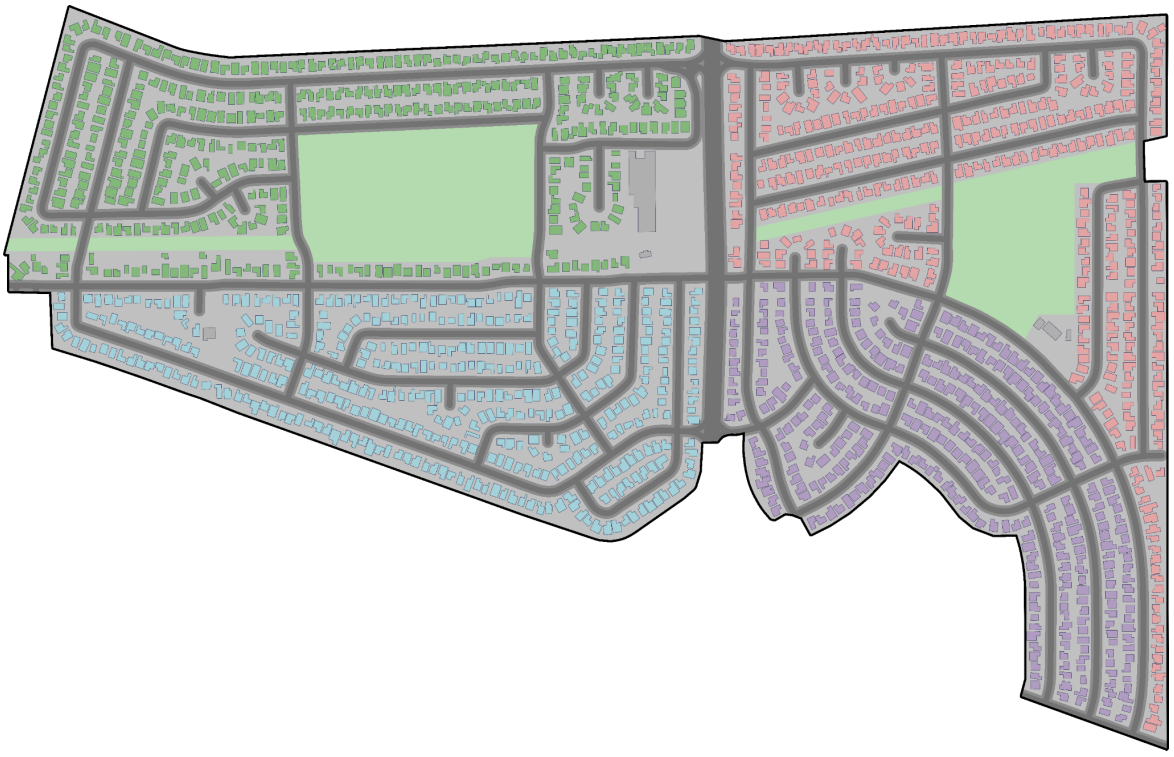

Can you believe it's already that time of year again? The Lakewood Village holiday lighting competition is back!

This year we're doing our holiday lights contest a little differently by holding the contest purely on Nextdoor. There will be a winner for each quadrant of LVNA (as shown in the quadrant map): Lakewood side split into North and South (split along Lakehaven), and Fairwood side split into North and South (split along Sandia). To submit your photos (and for more information), go to this post:

https://nextdoor.com/p/4PmMT5GBXmdJ?utm_source=share&extras=NjExMDE5NA%3D%3D

Submissions can be posted any time, however voting ends the evening of Sunday Dec 18th so the sooner you post the more time to collect votes!

Voting: YOU are the voters! Vote on any number of submissions in the comments below. The comment/photo with the most number of "reactions" (any reaction will count positively), and we will have one winner per quadrant.

Submitting your own photo:

Take one picture of your house within LVNA and add it as a comment to the post linked above. Please only comment with ONE photo per household so as not to dilute your votes. Make sure to include which quadrant you are in: Lakewood Side North, Lakewood Side South, Fairwood Side North, Fairwood Side South.

Submitting someone else's photo: If you see a house within LVNA that has not yet been posted, take a pic and submit it! Follow the same instructions as above.

Each winning home will receive a $25 gift card and coveted bragging rights for the best Lakewood Village light displays of 2022. To ensure fairness, last year's winners will be ineligible for this year's prizes, but are highly encouraged to continue raising the bar on the Lakewood Village's festiveness (and last year's winners are still eligible for honorable mentions).

Interested in sizing up the competition for your quadrant? Keep an eye on the comments to see which of your neighbors have posted - and encourage friends and family to "react" to your comment. We fully condone a little bit of healthy competition to help brighten up the neighborhood (yes, pun very much intended).

No LVNA Holiday Events

While we had originally planned to do an LVNA holiday celebration this December, we have canceled those plans due to a lack of volunteer support and the high number of holiday events already happening in our community. Looking for an event to attend? Here are some ideas*:

1. Fairwood Holiday Craft Fair: see flier in this Villager
2. Sunnyvale Winter Holiday Events: https://www.sunnyvale.ca.gov/recreation-and-community/special-events/winter-holiday-events
3. German Holiday Market (Mountain View): https://germanholidaymarket.org/
4. Christmas in the Park (San Jose): https://www.christmasinthepark.com/

* LVNA is listing these events for informational purposes only. This is not an endorsement of any event by LVNA.

- LVNA Needs Help -

Are you passionate (or even just interested in) our neighborhood? Do you enjoy meeting new neighbors? Would you be willing to help build a tight-knit (Lakewood) Village for yourself, your friends, and the next generation who's currently growing up right outside your door or even in your own backyard?

Please join the LVNA board! There are five board positions: **President, 1st Vice President, 2nd Vice President, Treasurer, and Secretary**. The current board's positions end in March and a new board will begin. The board meets once per month to discuss ongoing activities, in addition to neighborhood general meetings and a few seasonal events each year. The level of commitment is up to each individual - these are all volunteer roles. It is a one-year term (March 2023 - March 2024). The only requirements are that you are 18+ years old, live in the neighborhood, and are able to serve the full 12 month term.

WANTED - VILLAGER EDITOR

Want to help, but not interested in a board position? We are looking for a new **Villager Editor**, a position open to anyone who is interested (no age requirement). The role consists of at least proof-reading the content and compiling it into a single document. Previous editors have also helped write content, design a new layout, take photos, and send the Villagers out to the subscribers each month.

Want to partner with a family member or friend? Great! Are you a high school student interested in writing or media design and trying to increase your community service hours or build a portfolio? This is your chance!

Any of these roles are a great opportunity to help actively drive change for our community and make a positive impact on our neighborhood. If interested, please email the board at board@lvnasv.org and let them know you're on board (yes, pun fully intended).

- Sunnyvale Village Center Plan -

The City of Sunnyvale has unveiled a master plan to create seven Village Centers in Sunnyvale. One of these Village Centers (Village Center 6) will be where the current Lakewood Shopping Center is located. A Village Center is intended as a pedestrian-oriented place with a mix of commercial and residential uses. The intent is to appeal to people of diverse incomes, lifestyles, and ages, and it should be easily accessed by pedestrian and bicycle trails or regular transit.

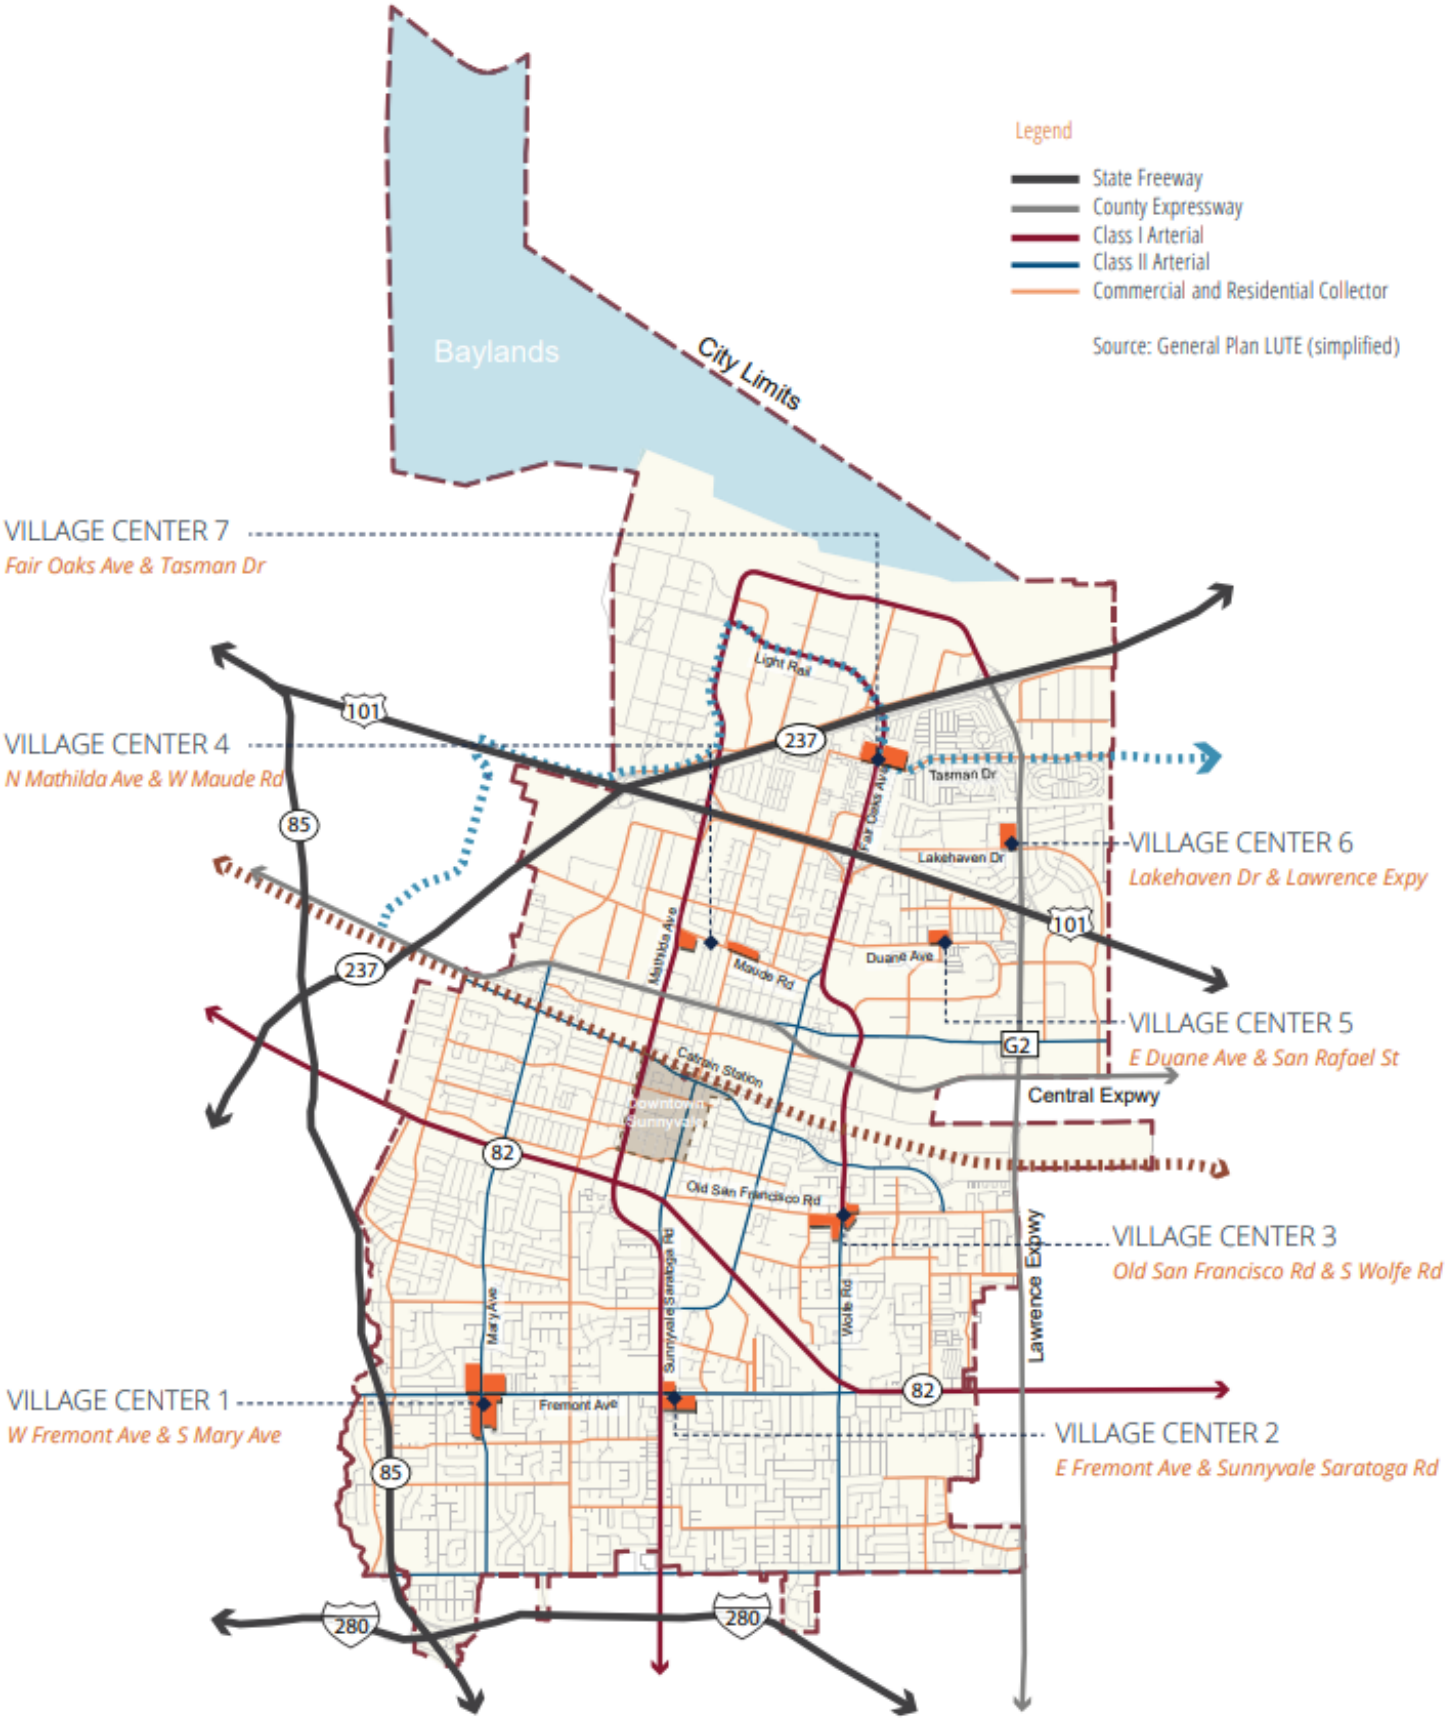

To solicit resident feedback, the City ran an online survey in May 2022 and did a virtual workshop in June 2022. A summary of the solicited feedback can be found online here: https://www.sunnyvale.ca.gov/home/showpublisheddocument/3663/637951186321730000 Some important takeaways:

- Page 2 shows the amount of feedback received by Village Center. Of the 502 survey respondents, only 18% of them provided feedback on our Village Center 6. We need more input from our community on this development!
- Page 3 lists the questions that were asked in the survey
- Page 10 lists the themes from the results about our Village Center 6. Themes that emerged included a strong interest in a better grocery store; more restaurants; and easy access for bikes and pedestrians
- Page 87 (as written in the pdf) / Page 101 (of the whole pdf) is the beginning of the detailed survey response regarding Village Center 6. Note only 54 people responded to this section - out of a neighborhood with more than 1000 houses. We need more input from our community!

The City has also done an evaluation of the current site conditions. For those details, see Page 76 of this document: https://www.sunnyvale.ca.gov/home/showpublisheddocument/3216/637879683037530000

The City is investing substantial time and energy in this project, and LVNA wants to make sure that our neighborhood input is included. LVNA will be looking to bring someone from the City to a neighborhood meeting in 2023 to talk more about the City's plan. We would also welcome volunteers from the community to help make sure that our voices are heard and incorporated into the plans. Please reach out to board@lvnasv.org if you are interested in helping - and keep an eye on future Villagers and on NextDoor for more details about a neighborhood meeting.

If you have not already joined the LVNA group on Nextdoor then we encourage you to do so. Nextdoor allows separate settings for group posts so it's an excellent way to get curated Lakewood Village-relevant content while filtering out the rest. Board members post reminders about upcoming events and moderators ensure all activity in the group adheres to the group's rules (e.g., content relevant to Lakewood Village, no soliciting, etc.). Note that only Lakewood Village residents are permitted to join.
