- Holiday Lights Contest -

Congratulations to our holiday lights winners!

We ran the contest in December on Nextdoor (for more information, see the December 2022 Villager), and the community voted on one winner for each of the four quadrants. Each winner received a $25 gift card and coveted bragging rights for the best Lakewood Village light displays of 2022.

And now to our winners ...

- LAKEWOOD PARK RENOVATION -

There is an update on the City of Sunnyvale's plans to renovate Lakewood Park! For anyone who is not aware, the City received grant funding from the County of Santa Clara in September 2020 to renovate the park. The funding will support building an all-inclusive playground and other improvements. This will be the first major renovation to Lakewood Park since it was built in 1964. In Fall 2022, the City awarded the design contract to Verde Design and the design phase began.

On January 12, the City is holding the first Community Meeting from 6-7pm. The meeting will be held virtually. The meeting is a chance to learn more about the project, provide your input, and get questions answered.

Unsure what to request? Here are some ideas to get you brainstorming:

- Dog park
- Water play area
- Skate park
- Synthetic turf
- Better restrooms
- Park building for hosting community events
- Place to share announcements (e.g., LVNA postings)
- Improvements to the Greenbelt
- Butterfly garden
- Better playground
- Natural playground (similar to Wander Woods at the California Academy of Sciences, https://www.calacademy.org/exhibits/wander-woods)
- Community garden
- Succulent garden
- Flower garden
- Wildscaping (planting native plants and grasses to attract more native insects, birds, and other animals)
- BBQ pits and picnic tables
- Rock climbing walls
- Sand pits

To register, go to this webpage:

https://www.sunnyvale.ca.gov/business-and-development/projects-in-sunnyvale/infrastructure-projects/lakewood-park-renovation

Under the "Progress" tab, there's an option to register for the meeting. Please attend if you can! If you cannot attend and want to share your ideas, please send an email to vp1@lvnasv.org

- LVNA Needs Help -

Are you passionate (or even just interested in) our neighborhood? Do you enjoy meeting new neighbors? Would you be willing to help build a tight-knit (Lakewood) Village for yourself, your friends, and the next generation who's currently growing up right outside your door or even in your own backyard?

Please join the LVNA board! There are five board positions: **President, 1st Vice President, 2nd Vice President, Treasurer, and Secretary**. The current board's positions end in March and a new board will begin. The board meets once per month to discuss ongoing activities, in addition to neighborhood general meetings and a few seasonal events each year. The level of commitment is up to each individual - these are all volunteer roles. It is a one-year term (March 2023 - March 2024). The only requirements are that you are 18+ years old, live in the neighborhood, and are able to serve the full 12 month term.

WANTED - VILLAGER EDITOR

Want to help, but not interested in a board position? We are looking for a new **Villager Editor**, a position open to anyone who is interested (no age requirement). The role consists of at least proof-reading the content and compiling it into a single document. Previous editors have also helped write content, design a new layout, take photos, and send the Villagers out to the subscribers each month.

Want to partner with a family member or friend? Great! Are you a high school student interested in writing or media design and trying to increase your community service hours or build a portfolio? This is your chance!

Any of these roles are a great opportunity to help actively drive change for our community and make a positive impact on our neighborhood. If interested, please email the board at board@lvnasv.org and let them know you're on board (yes, pun fully intended).

- The Little Free Puzzle Library Has a Face Lift! -

The Little Free Puzzle Library has had a face lift! It's now in a wooden, rain-proof home, which means it can live outside year-round again. Please come by to take a few puzzles or drop some off. As a gentle reminder, this is a resource for the entire community. Please take no more than 3 puzzles at a time. While it's not required to return the puzzles when you are done, returning them will help keep the Puzzle Library well stocked. For location information, please email vp1@lvnasv.org

– Help Outdoor Cats in our Community with TNR –

Santa Clara County has hundreds of thousands of free roaming cats. Our local animal shelter for Sunnyvale, Humane Society of Silicon Valley (HSSV), offers a FREE trap-neuter-return (TNR) program for feral and community cats.

In a TNR program, feral cats are trapped, fixed and vaccinated, and returned to the exact spot where they were trapped. TNR is the only proven way to stop breeding and population growth. If you are feeding outdoor community cats, please make sure the cats are spayed/neutered and each cat has a left ear clipped. If you need to borrow humane cat traps, submit a request on bayareacats.org/tnr or call Sunnyvale Animal Control.

Go here to get started on trapping: bayareacats.org/hssv.

bay area cats

No appointments are needed for Sunnyvale cats. Once you've trapped the cat, bring it to HSSV intake between 9:00am and 6:00pm (7 days a week). If you are unable to transport, call Sunnyvale Animal Control (408-730-7178 and press 0) and they can transport the cat for you Monday, Tuesday, Thursday and Friday before 3pm.
Contact Bay Area Cats if you are uncomfortable holding the cat overnight by texting 408-384-8694.

Feral cats do not need food 24/7 - please feed responsibly by monitored feeding, twice per day at a max of 30 minutes. Feeding cats on a schedule allows monitoring for injuries, sickness, and helps identify new unfixed cats or kittens.

Help keep our feral cat populations healthy and safe! If you have questions, file a TNR request for guidance at bayareacats.org/tnr. If you need help with spaying/neutering your outdoor cat, please email bayareatnr@gmail.com.

Find us on Nextdoor!

If you have not already joined the LVNA group on Nextdoor then we encourage you to do so. Nextdoor allows separate settings for group posts so it's an excellent way to get curated Lakewood Village-relevant content while filtering out the rest. Board members post reminders about upcoming events and moderators ensure all activity in the group adheres to the group's rules (e.g., content relevant to Lakewood Village, no soliciting, etc.). Note that only Lakewood Village residents are permitted to join.
