VOLUNTEERING FOR THE LVNA BOARD

Are you passionate (or even just interested in) our neighborhood? Do you enjoy meeting new neighbors? Would you be willing to help build a tight-knit (Lakewood) Village for yourself, your friends, and the next generation who's currently growing up right outside your door or even in your own backyard?

Please join the LVNA board! There are five board positions: **President, 1st Vice President, 2nd Vice President, Treasurer, and Secretary**. The current board's positions end in April and a new board will begin. The board meets once per month to discuss ongoing activities, in addition to holding neighborhood general meetings and a few seasonal events each year. The level of commitment is up to each individual - these are all volunteer roles. It is a one-year term (April 2023 - March 2024). The only requirements are that you are 18+ years old, live in the neighborhood, and are able to serve the full 12 month term. Elections are April 12 at 7:00pm in

the Lakewood Park Building. For more information, please email board@lvnasv.org

WANTED - VILLAGER EDITOR

Want to help, but not interested in a board position? We are looking for a new **Villager Editor**, a position open to anyone who is interested (no age requirement). The role consists of at least proof-reading the content and compiling it into a single document. Previous editors have also helped write content, design a new layout, take photos, and send the Villagers out to the subscribers each month.

Want to partner with a family member or friend? Great! Are you a high school student interested in writing or media design and trying to increase your community service hours or build a portfolio? This is your chance!

Any of these roles are a great opportunity to help actively drive change for our community and make a positive impact on our neighborhood. If interested, please email the board at board@lvnasv.org and let them know you're on board (yes, pun fully intended)

- Recap of "Overcoming Bigotry: A Sunnyvale Unity Event" -

On Thursday, March 16, "Overcoming Bigotry: A Sunnyvale Unity Event" was held at Lakewood Elementary School. The event was hosted by the City of Sunnyvale and Supervisor Otto Lee, in collaboration with several partner organizations, including LVNA, Sunnyvale School District (SSD), Fremont Union High School District (FUHSD), and the Islamic Networks Group (ING). Over 70 people attended the event, including Sunnyvale Mayor Klein, our City Council representative Omar Din, and representatives from LVNA, SSD, and FUHSD. The meeting provided attendees with the chance to examine bigotry and explore solutions to strengthen our diverse community.

The event opened with music from Triple Illusion, a student band from Fremont High School. After introductions, the meeting moved to a panel discussion on how stereotypes impact members of minority groups. The meeting also included time for smaller breakout groups within the audience, where community members shared personal experiences of bigotry and shared ideas on how to counter bigotry in our community. Here are some highlights:

- Implicit bias is defined as the adoption of stereotypes (good and bad) about an entire group of people. These biases can be conscious or subconscious. Subconscious bias is so powerful that it can override our conscious values, especially in times of fear or stress
- Even within minority groups, there is substantial diversity. For example, there are 2 billion Muslims on Earths, covering a variety of ethnicities and histories. The word "Asian" is used to cover 48 different Asian countries. In other words, minorities are not the monolithic groups that stereotypes make them out to be.
- Bigotry and hate can happen anywhere, including in the Bay Area. In March of this year, drawings of swastikas were written on the whiteboard outside a Jewish student's dormitory room. From March 2020 to March 2021, roughy 11,500 anti-Asian hate crimes were reported to stopaapihate.org - and about 370 of those took place in Santa Clara County
- Panelist Dorothy Hwang talked about how, with the increase in anti-Asian hate crimes, she was "afraid to leave my home and go to the grocery store".
- Panelist Shannon Rivers, a member of the Akimel O'otham (River People) Nation, reminder the audience that "we can't keep hating each other…we need each other…you are a human being first."
- Panelist Karla Alvarez talked about the effects of systemic racism on our own community. For example, the top 3 zip codes in San Jose that were most impacted by covid were all in East San Jose, which are predominantly Latino/Latina communities. These inequities

can be traced back to the 1930's, when the Federal Housing Administration created mortgage insurance guidelines that referred to race and promoted neighborhoods "be occupied by the same racial and social classes." (See https://sanjosespotlight.com/segregation-in-santa-clara-county-how-experts-define-redlining/ for more detail on redlining in Santa Clara County)

Interested in learning more? This meeting was the first in a three-part series. The other two events are:

- Sunnyvale Unity By-Stander Training on Thursday, May 11 from 7:00-8:00pm (more details to come)
- Sunnyvale Unity Conflict De-Escalation Training on Thursday, June 29 from 6:30-8:00pm (more details to come)

Sunnyvale Equity in Education:

Advocating for High School Students in North Sunnyvale

As you may know, most Sunnyvale public high school students attend high school as part of Fremont Union High School District (FUHSD). All of the FUHSD high schools are located south of El Camino Real. The only public high school in Sunnyvale that was north of El Camino Real, Sunnyvale High School, closed in 1981. A group of parents joined together last year to advocate for equitable school access in the FUHSD. The group, Sunnyvale Equity in Education (SEE), is advocating for our students in the short-term, mid-term, and long-term. SEE's goals are:

- *Short-term:* Understand the burdens faced by students and families in North Sunnyvale since the closure of Sunnyvale High (survey and this listserve are starting point); advocate for transportation solutions that address those burdens (Sunnyvale city council study issue on shuttle & carpool options for FHS families)
- *Mid-term*: Elect a representative from North Sunnyvale to the Fremont Unified High School District Board
- *Long-term:* Advocate for bringing high school back to North Sunnyvale

They are advocating at City Council meetings, FUHSD meetings, and more. To raise our voice, they need your help, especially from minority families and families who are not native English speakers. For more information, please see their Facebook page here (https://www.facebook.com/profile.php?id=100089514400981) or email sunnyvaleequityineducation@gmail.com

For anyone who is a Fremont High School family, SEE is asking you to fill out a survey to better understand transportation options and needs from North Sunnyvale to Fremont High. Please fill out the survey here:

As a gentle reminder, this is a resource for the entire community. Please take no more than 3 puzzles at a time. While it's not required to return the puzzles when you are done, returning them will help keep the Puzzle Library well stocked. For location information, please email vp1@lvnasv.org
