Villager

Welcome To The New LVNA Board

The April 12 LVNA general meeting was focused on electing our new board. First, though, a huge thank you to our board that served from March 2022 - April 2023. Two of those board members, Lydia Fotiades (president) and Brad Dux (secretary) are stepping down from their positions. The other two members, Cortney Jansen (1st vice president) and Linh Ly (treasurer), will continue on the board. Thank you again to Lydia and Brad for their work to support our community.

The new LVNA board will serve April 2023 - March 2024. Here are your new LVNA board members:

- President: Rick Flovin
- 1st Vice President: Cortney Jansen
- 2nd Vice President: Tony Bugna
- Treasurer: Linh Ly
- Secretary: Christy Majchrowicz

See page 2 for a letter from your new president, and stay tuned for future Villagers to have a “Meet Your Board” member introduction.

Letter From The New President

BY RICK FLOVIN

Dear members of the Lakewood Village Neighborhood Association,
It is my honor to address you all as your newly elected president, and I am excited to share with you some of the plans and ideas I have for our community. As some of you may know, I am Rick Flovin, and it has been 25 years since I last served as your president. However, my passion for our neighborhood has never waned, and I am excited to once again have the opportunity to serve as your leader.

One of my top priorities as president will be to address the issue of crime in our neighborhood. I believe that by working together as a community, we can reduce the number of incidents and make Lakewood Village a safer place to live. This will require a collaborative effort between residents, law enforcement, and local government, but I am confident that together we can make a significant impact. Another critical issue that I am committed to addressing is the problem of homelessness. Homelessness is a complex issue that requires a comprehensive approach, but I believe that as a community, we can find solutions that are compassionate and effective. We must work together to provide resources and support for those who are experiencing homelessness while also addressing the root causes of the problem.

In addition to these important issues, I am also committed to improving the appearance of our neighborhood through community clean-up initiatives. By working together to keep our streets and public spaces clean and well-maintained, we can create a more welcoming and attractive community that we can all be proud of.

Finally, I believe that community involvement is essential to the success of any neighborhood association. I will work to create opportunities for all members of our community to get involved and have their voices heard. By working together, we can create a stronger and more vibrant Lakewood Village.

In conclusion, I am excited to serve as your president and to work with each and every one of you to make our neighborhood a better place to live. Together, we can address crime, homelessness, and neighborhood clean-up while also fostering a strong sense of community involvement. Thank you for your support, and I look forward to working with you all.

Sincerely, Rick Flovin

Upcoming Events

Special Memorial Day Photo Scavenger Hunt

It's time for the second annual Memorial Day Photo Scavenger Hunt! All ages are welcome, and you get two weeks to search for the flags on your own.

On Saturday, May 13, LVNA will place 20-40 American flags throughout the neighborhood. The flags will stay up until Memorial Day (Monday, May 29). The challenge is to find the flags, take a photo of each one, and email board@lvnasv.org with your results. The first 10 people to find and submit pictures for 15 or more flags will each win a $20 gift card. An announcement will be made when all gift cards have been claimed. If all gift cards are not claimed by a certain date, we will start posting hints for the flag locations.

Flags will be placed near the sidewalks and will look like the flag in the photo on this page. Please do NOT walk on neighbors' lawns to complete the scavenger hunt. All photos can be taken from the safety of the sidewalk.

Additional announcements with final details of the scavenger hunt will be posted by Saturday, May 13 on our website (www.lvnasv.org) and our LVNA Nextdoor Group "LVNA (Lakewood Village Neighborhood Association" - check back for details!

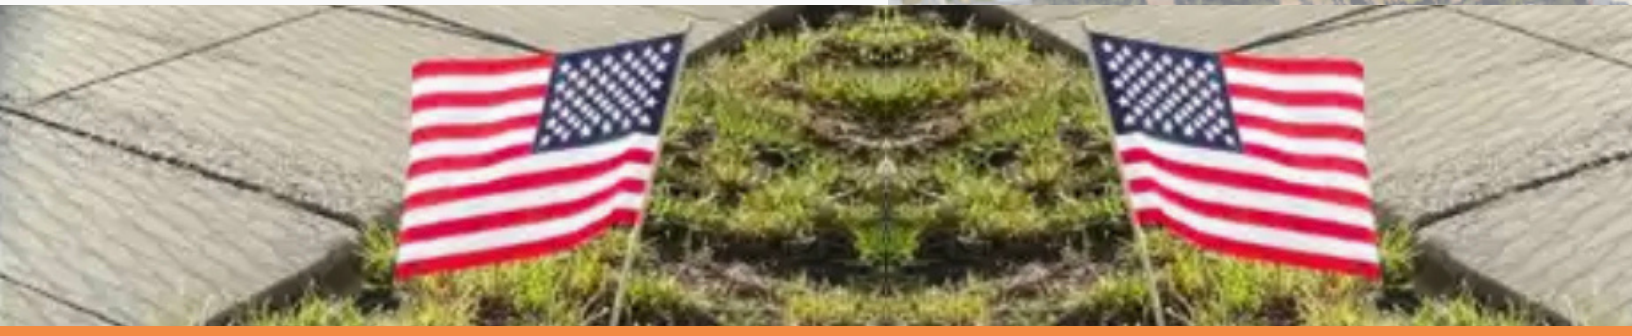

Community Meeting on Lakewood Park Renovation

The second community meeting on the upcoming Lakewood Park Renovation will be held online via Zoom on Thursday, May 4 from 6:00-7:00pm. Topics will include reviewing results from the first meeting and survey; seeing four design concepts that support the vision of the project; and sharing feedback on the designs.

To register for the zoom meeting, click this link.

Please attend if you can! It's incredibly important that the City hear from our neighborhood about what we want in our new park!

Hosts Needed for the Second Annual LVNA Memorial Day Scavenger Hunt

For the Second Annual Memorial Day Flag scavenger hunt this May, we need people willing to "host" a flag. LVNA will give you a flag to put in the area between your sidewalk and street. After you place the flag in that area, you just need to keep an eye on it in case it falls over or somehow goes missing (we have spares).

The scavenger hunt is a PHOTO scavenger hunt, so contestants must take a picture with each flag. (Contestants don't need to knock on your door or talk to you as part of this scavenger hunt).

If you're willing to host a flag, please email vp1@lvnasv.org asap to get signed up.

Dumpster Day in July

Mark your calendars now! The annual LVNA Dumpster Day will be held on July 29. More details to follow in the July Villager.

Little Free Puzzle Library

A quick reminder that the Lakewood/Fairwood villages have their own Little Free Puzzle Library. Please come by to take a few puzzles or drop some off. As a gentle reminder, this is a resource for the entire community. Please take no more than 3 puzzles at a time. While it's not required to return the puzzles when you are done, returning them will help keep the Puzzle Library well stocked. For location information, please email vp1@lvnasv.org

Safety Reminders

For anyone who has spent time on Nextdoor or watched the local news, there is a sense that crime is increasing drastically. More car break-ins, more thefts, and more property crimes in general. This is correct - property crimes are rising in Sunnyvale and across California. Most property crimes are “crimes of opportunity”; for example, the thief notices an item of value in your car and breaks the window to steal it. With that in mind, here are some suggestions to keep you and your property safe.

- Do not store valuables in your car!
- If you do need to store valuables in your car, store it somewhere out of sight BEFORE you park the car. For example, if you want to store your computer in your car, put it in the trunk of your car before you leave work to drive home. If you move the computer to your trunk after you arrive home, a thief casing the neighborhood will see you do this and know that the computer is in the trunk.
- If you leave electronics (e.g., phone, tablet, computer) in the car, be sure to TURN OFF the Bluetooth on the device. If the Bluetooth is left on, these devices will emit a pairing signal, which thieves can detect by using a Bluetooth scanners. So even if you hide your tablet under a blanket, the thieves can still find it. For more on this type of theft, read this article (which specifically cites a crime prevention specialist at the San Jose Police Department): https://www.wired.com/story/bluetooth-scanner-car-thefts/
- If you have security cameras, make sure they are functional. Check with your neighbors to see if they have security cameras, so if something happens, you know which neighbors may have video of the incident.
- Make sure that trees and brushes do not block the views of your security cameras.
- If a crime occurs or if you see a crime in progress, call the police to report it.

Finally, one of the best things you can do is get to know your neighbors. They can watch your house when you’re on vacation, let you know if something suspicious happened, or even come by to tell you if you left your garage door open.

Support Our Neighbors

Kids Corner

By Ancella Simoes

In this month's edition, I wanted to inspire kids to explore their yards, immediate neighborhood and appreciate the flowers, nature, the lovely sunny weather and share things with loved ones or with their friends.

Pressed Floral Art

This is an art project which is perfect for a Mother's Day activity, a loved one's birthday or any other special occasion! With the current bloom season in full force, you can pick pretty flowers from your garden (ask a parent first!) for this project and create a card or a hanging to display your lovely work.
Follow this detailed tutorial on conditioning the floral stems, cutting the flowers and keeping them pressed. The flowers are ready to be used in approx 2 weeks. Ask a grown up for help with this activity! Watch the video here: How to Press Flowers

Storytime at Sunnyvale Public Library

Sunnyvale Public Library has regular story time sessions for Toddlers (Ages 1-3) and Preschoolers (Ages 3-5) on Tuesdays and Wednesdays for 30 minutes in April and May. Have a look at their calendar for more details: https://www.library.sunnyvale.ca.gov/events/calendar-month-view/-curm-4/-cury-2023

California Park Spotlight: Pinnacles National Park

This park is one of the newly designated parks and the only place where you can see (if you are lucky), the California Condor! Approximately 2 hours drive (south) from our neighborhood, this park is a world of spires, huge boulders, and towering peaks, all eroded into varied shapes, having been born out of volcanic eruptions 23 million years ago . The park's 26,000 acres are popular for wildlife watching, wildflowers, hiking and rock climbing! The first nest of a condor was found at Pinnacles in 2010. For a chance to see these magnificent birds, recommended sites are the High Peaks region (in early morning or early evening) and the ridge just southeast of the campground. More details can be found at: https://www.nps.gov/pinn/index.htm

Backyard Scavenger Hunt

With the weather getting nice and warm, sunny, I thought it would be a good idea to share a simple scavenger hunt which little kids could do in their yard or on their walks with grown ups.
These are images of bugs, flowers, and other items which you would see in your neighborhood most commonly. Feel free to print this out, circle the items you see with a pencil or use a stamper - whichever is easy for you!

SEE

Sunnyvale for Equity in Education

Advocating for High School Students in North Sunnyvale

As you may know, most Sunnyvale public high school students attend high school as part of Fremont Union High School District (FUHSD). All of the FUHSD high schools are located south of El Camino Real. The only public high school in Sunnyvale that was north of El Camino Real, Sunnyvale High School, closed in 1981. Sunnyvale for Equity in Education (SEE) is advocating for our students in the short-term, mid-term, and long-term. SEE's goals are:

- Short-term: focus on transportation, specifically to advocate for safe, reliable, affordable transportation (e.g., busses, shuttles, eshare) to and from school, which also support extracurricular activities;
- Mid-term: focus on representation, specifically to establish regular dialogue between Sunnyvale residents and FUHSD; to support transition to by-district-area trustee elections; and to elect trustees that represent Sunnyvale to the FUHSD school board;
- Long-term: focus on location, specifically to reopen a new high school in North Sunnyvale; and to consider creative alternatives to a full comprehensive campus.

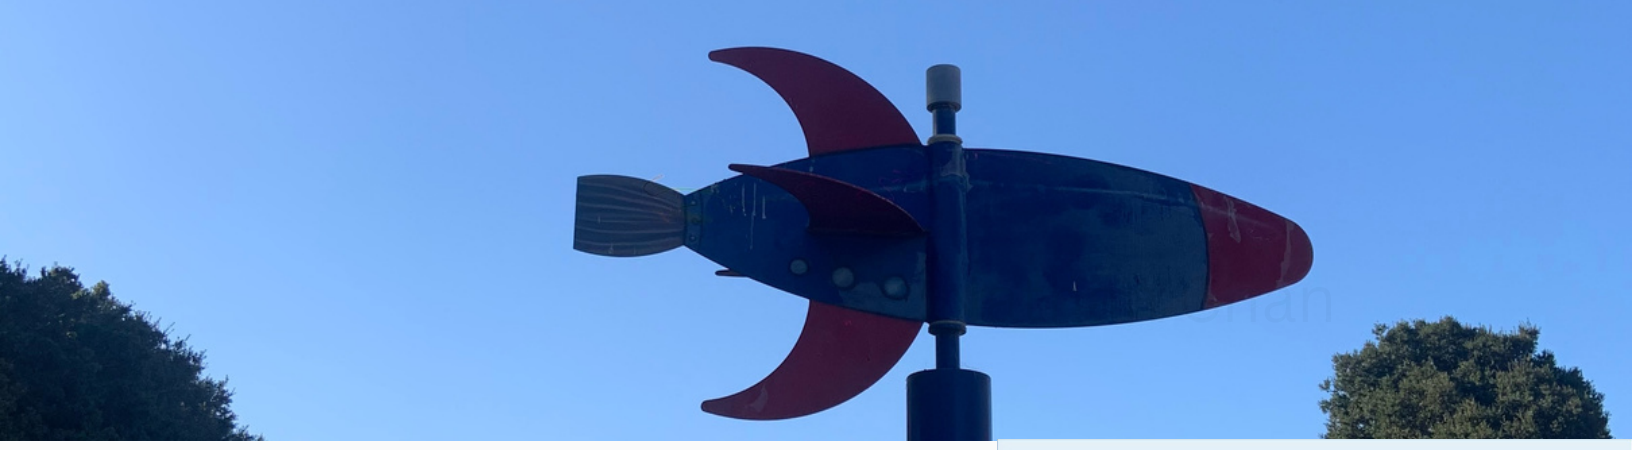

Although a new organization, SEE has had several successes already. In February, they successfully lobbied the City Council to rank the DPW 23-06 study of transportation for students in North Sunnyvale to Fremont High and Homestead High as the top priority study for the City. Their advocacy also led to the district passing a resolution in March to move forward with transitioning from at-large to by-district-area trustee elections. Additionally, with SEE's advocacy, there will now be live Spanish translation available at the FUHSD board meetings.

Finally, SEE is co-sponsoring a community meeting on May 20 titled "Transportation for High School Youth." The meeting will cover topics such as current VTA services from North Sunnyvale to Fremont and Homestead High Schools, VTA bus pass availability, parking passes at Fremont High School, and the transportation needs of North Sunnyvale residents. See the flyer in this Villager on page 8.

To join the SEE mailing list, go to https://bit.ly/joinSEE

For anyone who is a current or recent Fremont High School family, SEE is asking you to fill out a survey to better understand transportation options and needs from North Sunnyvale to Fremont High. Please fill out the survey here:

- Survey in English: Transportation to Fremont High School
- Encuesta en Español: Transporte a Fremont High School

Bystander Intervention Training

As a follow up to the March "Overcoming Bigotry" event, Sunnyvale Unity is sponsoring a Bystander Intervention Training on Thursday, May 11 from 7:00-8:30pm. Attendees can participate over Zoom or in person at the Sunnyvale Senior Center.

The training will cover the five strategies for intervention: distract, delegate, document, delay, and direct. You will learn how to prioritize your own safety while intervening. There will be time to practice and you will leave with more confidence in intervening the next time you witness harassment.

To register, go to https://bit.ly/3oDSLCP. Refreshments will begin for in-person participants starting at 6:30pm.

Find us on Nextdoor!

If you have not already joined the LVNA group on Nextdoor then we encourage you to do so. Nextdoor allows separate settings for group posts so it's an excellent way to get curated Lakewood Village-relevant content while filtering out the rest. Board members post reminders about upcoming events and moderators ensure all activity in the group adheres to the group's rules (e.g., content relevant to Lakewood Village, no soliciting, etc.). Note that only Lakewood Village residents are permitted to join. To learn more or to join, visit nextdoor.com/g/alya6yxap

Interested in Submitting Your Photography?

You may have noticed the new layout, which contains solely photos from Lakewood Village. If you would like to submit photography to be featured in future editions of the Villager, please email vp1@lvnasv.org. We also welcome your feedback on the new layout.

Email vp1@lvnasv.org to include an advertisement for your business.
