Dumpster Day - July 29

The annual LVNA Dumpster Day will take place on Saturday, July 29 from 7:00am-2:00pm. This event is open to Lakewood and Fairwood residents only. Dumpsters will be placed in both the Lakewood and Fairwood neighborhoods. Additionally, there will be a dumpster behind the Shell Gas Station for mattresses and carpets, and a dumpster in the Fairwood Elementary parking lot for Goodwill donations and electronics recycling. See page 3 for more information on dumpster locations and acceptable items.

National Night Out - August 1

National Night Out is an annual event, the one night a year when neighborhoods across the country hold events to promote community within neighborhoods and to enhance the relationship between neighbors and law enforcement. Come meet your neighbors, eat some food, and meet city officials. More details will be shared on the LVNA group on Nextdoor.

Letter From The President

Dear Lakewood Village Neighborhood Association,

I hope this message finds you all in good health and high spirits. As the President of our esteemed association, I am excited to bring you updates on our collective efforts to improve and beautify our beloved neighborhood and enhance our community.

Quarterly Printed Newsletter: Firstly, I am delighted to announce the launch of our quarterly printed newsletter which you are reading, aimed at keeping our community informed about the latest news, initiatives, and upcoming events. This physical publication will provide an avenue for us to stay connected, share valuable information, and celebrate the achievements of our residents. We will continue to have our monthly electronic edition, however we wanted to ensure folks without access to the digital version could still be included. If you'd like to get our digital newsletter, I encourage all residents to subscribe to this newsletter on our website: https://lvnasv.org/villager/.

Call for Volunteers: you will play a vital role in driving positive change within our neighborhood and contribute to the overall well-being of our residents.

1. Grant Writer: We believe that securing external funding can help us realize our neighborhood improvement projects. We are looking for a grant writer who can identify potential grants, prepare compelling proposals, and work closely with our association to secure additional resources for our initiatives.
2. Ad Coordinator: responsible for seeking local business advertisers for the newsletter.
3. Advertisers: We are also seeking advertisers who wish to promote their local businesses or services in our printed and electronic newsletters. By advertising with us, these local partners not only support our community but also gain valuable exposure to our engaged residents.

Together, we can make a difference and create a Lakewood Village we can all be proud of. If you are interested in any of the volunteer positions or have ideas for community improvement projects, please reach out to any of the board members.

Thank you for your continued support and active participation in making our neighborhood an even better place to call home.

Warm regards,
Rick Flovin President

Find us on Nextdoor!

If you have not already joined the LVNA group on Nextdoor then we encourage you to do so. Nextdoor allows separate settings for group posts so it's an excellent way to get curated Lakewood Village-relevant content while filtering out the rest. Board members post reminders about upcoming events and moderators ensure all activity in the group adheres to the group's rules (e.g., content relevant to Lakewood Village, no soliciting, etc.). Wanted - Help with the Villager

LVNA is for additional support to keep the Villager going. We need a new Villager Editor and an additional Villager Content Creator/Writer. Both positions are open to anyone who is interested (no age requirement). With input from the LVNA Board, the Villager Editor plans content for each newsletter and edits it. The Villager Content Creator/Writer role consists of writing articles for the Villager. Articles can be contributed monthly or quarterly. The roles could also be combined into a single position if there is interest to do so.

Any of these roles are a great opportunity to help actively drive change for our community and make a positive impact on our neighborhood. If interested, please email the board at board@lvnasv.org and let them know you're on board (yes, pun fully intended).

Email vp1@lvnasv.org to include an advertisement for your business.
