Walk With The Mayor - July 29

Join us at 9:30am on Saturday July 29 for a Walk With The Mayor. We will meet at the Lakewood Park Building. In his first-ever Walk With The Mayor, Mayor Larry Klein will join us on a walk around the Lakewood side of our neighborhood. This is our chance to share what we love about our neighborhood and where we need help from the City to improve our neighborhood. Bring water and good walking shoes.

Dumpster Day - July 29

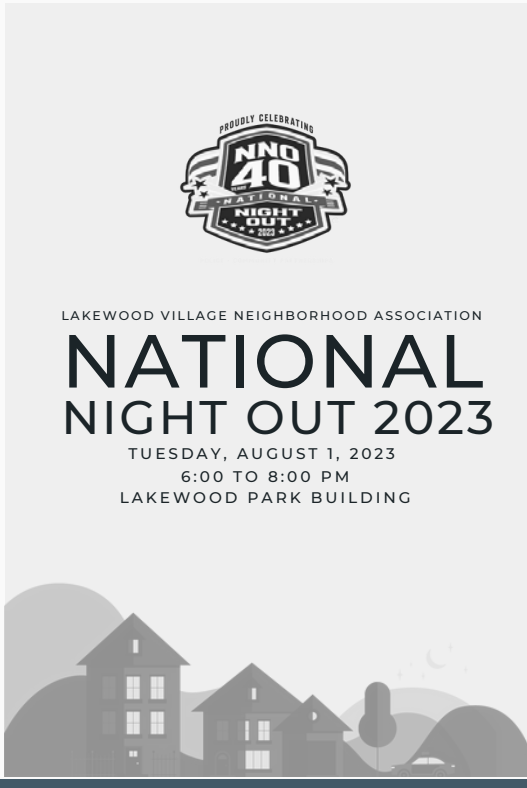

The annual LVNA Dumpster Day will take place on Saturday, July 29 from 7:00am-2:00pm. This event is open to Lakewood and Fairwood residents only. Dumpsters will be placed in both the Lakewood and Fairwood neighborhoods. Additionally, there will be a dumpster behind the Shell Gas Station for mattresses and carpets, and a dumpster in the Fairwood Elementary parking lot for Goodwill donations and electronics recycling.

National Night Out - August 1

National Night Out (NNO) is an annual event, the one night a year when neighborhoods across the country hold events to promote community within neighborhoods and to enhance the relationship between neighbors and law enforcement.

LVNA is hosting our NNO event on Tuesday, Aug 1 from 6:00-8:00pm at the Lakewood Park Building. The party will include:

- Ice cream social
- SERV (Sunnyvale Emergency Response Volunteers) booth
- DPS representatives (fire truck, K9 unit, police motorcycles) sponsored by Sunnyvale Department of Public Safety
- Special elected representatives such as Councilmember Omar Din, Mayor Larry Klein, Supervisor Otto Lee, and representatives from the Sunnyvale Elementary School District (SSD)

Calabazas Creek Clean Up - Sept 23

Our next clean-up is scheduled for September 23 from 9:00am - 12:00pm as part of the statewide coastal clean up day. Join us in clearing debris, collecting litter, and restoring the habitat. More details will be included in the September Villager. Contact board@lvnasv.org for more information and to RSVP. An RSVP is not required, but it will help make sure we have enough supplies.

LVNA General Meeting - October 11

Our next quarterly neighborhood association meeting is Wednesday, Oct 11 from 7:00-8:00pm at the Lakewood Park Building. Join your LVNA board members and others for a neighborhood "meet and greet". No need to RSVP. If you have questions, please email board@lvnasv.org

Bringing Back Printed Villagers

To help improve communication within our community, the LVNA is changing our newsletter structure. For each quarter, we will do one printed Villager and two electronic (email) Villagers. To provide this service to the neighborhood, we need help with two things:

- Delivery people: We need more people ("walkers") to help deliver the printed Villagers to houses. Each route has about 40-60 houses, and we need walkers on both the Fairwood and Lakewood side. This is a good opportunity to be outside, get exercise, and meet your neighbors! You'll get at least 1 week of notice before we need you, and we're hoping to have enough volunteers to have back-ups to cover when someone goes on vacation. The time commitment is 1-2 hours once every three months. Please email board@lvnasv.org if you can help.
- Ads: It costs money to print the Villagers. To generate revenue to offset the costs of printing the Villager, we are returning to a paid ad service for printed Villagers. Do you have a small business that you want to advertise? Prices start at $35 per printed Villager for a business-card sized ad. As a bonus, if you pay for at least 4 ads (a one-year subscription), we will include your ad for free in our electronic (email) Villagers (8 per year). Please email ads@lvnasv.org if interested.

Recap: July 12 LVNA Neighborhood Meeting

Our July neighborhood meeting was held on July 12 at 7:00 pm in the Lakewood Park Building. Mayor Larry Klein, our Councilmember Omar Din, and our Neighborhood Resource Officer Spencer Chen were all in attendance to answer our questions. Here is a quick summary of what was discussed.

Mayor Klein and Councilmember Din shared several updates, including:

- Last night (July 11), the City Council approved the Moffett Park Specific Plan regarding how to use the land north of Highway 237. It's a 20-year plan and includes retail space, office space, a larger grocery store, and 20,000 housing units. The plan also includes addressing transportation needs that come with such a large project.
  - Agenda and attachments from the meeting are linked here.
  - Recording of the meeting is linked here.

- Construction on the new Lakewood Library will begin at this fall. The plan is for the new library to open at the end of 2024. The library is a partnership between the City, Sunnyvale School District, and Fremont Union High School District. More information can be found here.

- The City established a new Human Relations Council, which held its first meeting on July 13. It is a five-person council. While the work plan is still being finalized, the council will focus on issues regarding equitability in the City. This includes things like addressing language barriers, ADA compliance, and a general review of city policies. Notes from the first meeting can be found here.

Outreach regarding the upcoming Lakewood Park renovation will continue through this fall. More information can be found here:

Officer Chen introduced himself as one of four Neighborhood Resource Officers (NRC) in the City. NRCs liaise with school districts and neighborhood associations, and Officer Chen is the NRC for our neighborhood. (Recap of the meeting is continued on the next page).

Recap: July 12 LVNA Neighborhood Meeting (Cont.)

The meeting then moved to open discussion. Some topics covered were:

- Residents feel that there needs to be additional support from the city about neighborhood upkeep. This should include regular walks/drives through the city to identify and address safety issues, abandoned vehicles, overgrown vegetation, etc. The suggestion from the city was to work with the Neighborhood Preservation Dept on this.
- Due to Covid, the City Council paused tree trimmings for two years. This allowed the City to responsibly manage its budget and avoid laying off any employees. As a result, tree trimmings are behind schedule. City Council recently set aside $1.2M to help catch-up on tree trimming. This is an issue across Sunnyvale, and Council expects it to take about two years to make up for the two year gap from covid. Submit tree maintenance requests through Access Sunnyvale. Information on how to submit a request will be on the next page.
- Sidewalk repair requests should be submitted through Access Sunnyvale. The city does patching and grinding of damaged sidewalks year-round. However, sidewalk replacements are only done in the summer, and the City contracts out this work to a third-party (since the work is only done in summer, it's not practical for the City to have a full-time staff for this work)
- Regarding the unhoused camp that is no longer in Lakewood Park, the City Council changed the ordinance to prevent overnight camping and funded HomeFirst to provide outreach to the unhoused residents living there. Valley Water is now planning to do something similar with the unhoused residents living along Calabazas Creek

Support Our Neighbors

Use Access Sunnyvale for Service Requests/Complaints

In the July general meeting, Mayor Klein emphasized that residents should use the City of Sunnyvale's online portal Access Sunnyvale (https://sunnyvale.dynamics365portals.us/) to submit online services requests and report issues. This is faster and gets a quicker response than a phone call. Additionally, when you submit a request via Access Sunnyvale, you get a ticket number. If your ticket is not promptly addressed/resolved, you should contact our Councilmember Omar Din (dincouncil@sunnyvale.ca.gov) or Mayor Klein (larry@larryklein.com) for help (and include your ticket number).

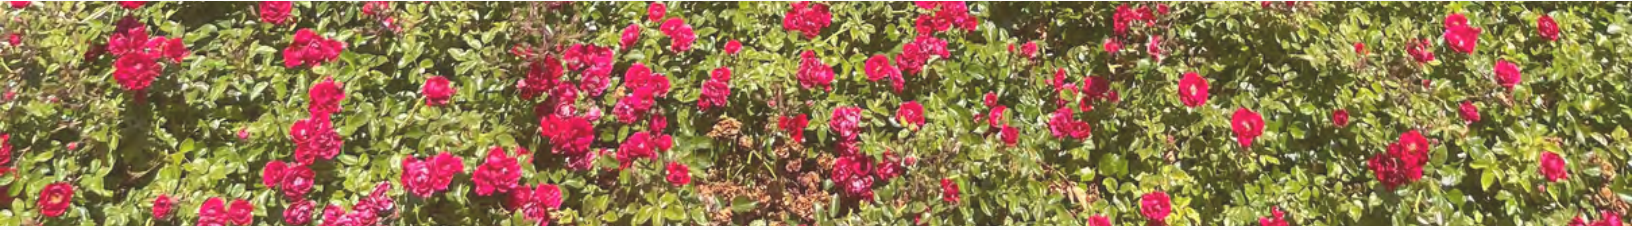

Some of the many things you can use Access Sunnyvale to report are:

- Abandoned vehicles (vehicles parked in the same spot for more than 72 hours)
- Graffiti
- Traffic issues (if the violation is in progress and requires an officer response, you can call 408-730-7181)
- Noise disturbances (including airplane noise)
- Needed park maintenance (e.g., broken toilets, trash cleanup)
- Needed sidewalk repairs
- Tree maintenance

These all have the option to require a response from City Staff and create a paper trail of things that need maintenance or attention. Please help maintain our neighborhood and report things that need the City's attention.

Here are the steps to using Access Sunnyvale:

1. Go to https://sunnyvale.dynamics365portals.us/
2. Choose the topic area for your service request (you can either search for a topic or select from several icons).
3. Enter the information for your service request. The more detail you can provide, the better and easier it is for the City to respond.
4. Be sure to select "yes" for "Response from City Staff Requested?". This guarantees you will get a staff member to reply to your request.
5. Choose "Submit" at the bottom. You will get an email with your ticket number and follow up information will be sent to your email address.

Neighborhood Scavenger Hunt

Welcome to the August Scavenger Hunt! It's been a few months since our last one. Send your name, address (to confirm that you live in the Lakewood/Fairwood neighborhood), and answers to the three questions to vp2@lvnasv.org by August 28, and we will announce the winner and the correct answers in the next newsletter. If there is a tie for the winner, we will randomly select one person as the winner. The winner will get to choose a $10 gift card from World Wrapps, Wal-Mart, or Giovanni's Pizzeria.

1. True or False: At the intersection of Silverlake Dr and Lakebird Dr, the fire hydrant is at the southwest corner.
   a. True
   b. False
2. What is the Fairwood Elementary School mascot?
   a. Owls
   b. Eagles
   c. Raptors
   d. Falcons
3. There's a mural at Lakewood Park near the basketball courts. Which of these things is included on the mural?
   a. Bicycle
   b. Rainbow
   c. Baseball mitt
   d. All of the above

Answers from the April scavenger hunt:

1. *When is the meeting to elect a new set of board members for LVNA? ANSWER: (b) April 12 at 7:00pm*
2. *True or False: There are five positions on the LVNA board. ANSWER: (a) True*
3. *Which of these are all positions on the LVNA board? ANSWER: (d) President, Secretary, Treasurer*

Little Free Puzzle Library

A quick reminder that the Lakewood/Fairwood villages have their own Little Free Puzzle Library. Please come by to take a few puzzles or drop some off. As a gentle reminder, this is a resource for the entire community. Please take no more than 3 puzzles at a time. While it's not required to return the puzzles when you are done, returning them will help keep the Puzzle Library well stocked. For location information, please email vp1@lvnasv.org

Kids Corner

Origami Cranes

It is summer time and this is a perfect activity for those days when the temperature is soaring! Using a square sheet of paper, use this detailed video to fold your own Origami Crane.
This is a lovely story on how the tradition of folding 1000 cranes came to be. Read it here:

Origami Columbus Tower

This is yet another ingenious design in geometric origami from Dave Mitchell. You can use different colored craft paper or wrapping paper to make these. Have fun stacking them to make colorful towers!

SEE

Sunnyvale for Equity in Education

Transportation Updates from SEE (Sunnyvale for Equity in Education)

By Peggy Brewster & Lauren Ledbetter, SunnyvaleEquityInEducation@gmail.com, https://bit.ly/joinSEE

On July 13th, SEE met with Fremont Union High School District to review responses to concerns brought up at the May 20th Community Meeting on Transportation of High School Youth

Bus Pass Eligibility and Cost: The district clarified student eligibility for bus passes. Students north of Central Expressway receive free bus passes regardless of income. Students between Central and El Camino Real receive free bus passes if they qualify for free or reduced lunches. If they don't qualify, they can purchase bases for $15/month. Students south of ECR can purchase bus passes at full price ($35/month).

Communication: Communication with families about bus transportation will improve. This includes creating a one-page guideline that describes types of passes offered, eligibility, application and pick-up process, and VTA resources for route planning. There will be a simplified, district-wide form in Spanish and English to sign up for bus passes. The district will meet with staff at each school to make sure everyone understands and applies the district policy. VTA will attend Freshman Orientation at Fremont HS to provide an overview to students on how to ride the bus, plan routes, etc.

Tardy Policy: The District will try to conduct a pilot program that will excuse students who are tardy because the VTA bus is late. This is complicated, which is why they want to test ways to do it.

VTA Service Update: VTA updates service twice a year in August and December. For the August update, VTA will be changing the bus schedule so it arrives at Fremont five minutes earlier (8:15) to give more buffer time in case of delays. They will also convert one of the two extra service buses they run to an express-like bus (#255) that runs from Lakewood directly to FHS (without going through SNAIL and downtown).

Other: Parking passes at Fremont High School will be distributed with some consideration for distance from residence to school and not just student seniority. We discussed a school bus service, safety on buses, students having to walk 20 to 30 minutes to a bus stop, and the challenges with having to get a bus pass monthly vs. an annual pass. There needs to be further discussion with the City of Sunnyvale regarding improved bike/ped infrastructure and the City's shuttle study issue. FUHSD Trustee Sinks is very interested in pursuing other options to serve Sunnyvale students, especially in extracurricular activity participation.

New Partnership: On July 14, SEE partnered with Livable Sunnyvale and Sunnyvale Community Services to provide information about education inequity to Spanish-speaking Community Leaders and to support those who wanted to speak or write to the school board. On July 18, this community spoke compellingly to the FUHSD Board during public comments. After the comments, trustees spent about 20 minutes asking Superintendent Clark about issues that the community brought up, including bullying, racism, the discrepancy in academic scores, language barriers, inequitable services, transportation barriers, and lack of support for students. SEE is enthusiastic that a broader range of community voices is emerging.

Lakewood Park Tree Walk - Tree #7 (Maples)

Again, it's been too many months since we did an entry from the SUFA (Sunnyvale Urban Forest Advocates) Lakewood Park Tree Walk. We covered five trees in 2022: the London Plane tree, the Italian Stone Pine, the Crape Myrtle, the Saucer Magnolia, and finally the Purple Leaf Plum. We covered Tree #6, the Aleppo Pine, in February, and now we are onto Tree #7, the maples.

Start today at the corner of Lakechime Drive and Silverlake Dr. Look south (towards the playground). On your side of the stone wall - a bit past the yellow "pedestrian crossing ahead" sign - you will see the tall, not-so-straight Tree #6 Aleppo Pine. Keep going a bit farther south (but not as far as the picnic tables) until you see the two maples, spaced a bit apart.

There are roughly 132 species of maple trees, many of which are native to Asia. Maple syrup can come from any time of maple tree, although sugar trees are the most commonly used species because their sap has the highest sugar content. It typically takes 40 gallons of sugar maple sap to yield one gallon of syrup.

Anyone from Canada will easily recognize the maple leaf, which is on both the Canadian coat of arms and the Canadian flag. Their leaves are distinctive with multiple lobes. The sugar maple leaf has five fatter lobes with smooth edges, while the red maple leaf has three fatter lobes with saw-toothed edges. The maple seeds (sometimes called "helicopters" or "whirlees") are also distinctive. When they fall, they spin, which helps the seeds travel a longer distance before landing on the group. In fact, the US Army developed a new airdrop supply carrier during World War II, which was based on the maple seed and could carry up to 65 pounds of supplies. The seeds are even edible, either raw or roasted.

Find us on Nextdoor!

If you have not already joined the LVNA group on Nextdoor then we encourage you to do so. Nextdoor allows separate settings for group posts so it's an excellent way to get curated Lakewood Village-relevant content while filtering out the rest. Board members post reminders about upcoming events and moderators ensure all activity in the group adheres to the group's rules (e.g., content relevant to Lakewood Village, no soliciting, etc.). Note that only Lakewood Village residents are permitted to join. To learn more or to join, visit nextdoor.com/g/alya6yxap

Wanted - Help with the Villager

LVNA is for additional support to keep the Villager going. We need a new Villager Editor and an additional Villager Content Creator/Writer. Both positions are open to anyone who is interested (no age requirement). With input from the LVNA Board, the Villager Editor plans content for each newsletter and edits it. The Villager Content Creator/Writer role consists of writing articles for the Villager. Articles can be contributed monthly or quarterly. The roles could also be combined into a single position if there is interest to do so.

Any of these roles are a great opportunity to help actively drive change for our community and make a positive impact on our neighborhood. If interested, please email the board at board@lvnasv.org and let them know you're on board (yes, pun fully intended).

Email vp1@lvnasv.org to include an advertisement for your business.
