Natural Grass Versus Artificial Turf - February 4 (3:00-4:00 PM)

Susan Hinton, Chair of the Sierra Club Loma Prieta Chapter's Plastic Pollution Prevention Team, will be speaking at the Cupertino Library on Sunday, February 4 from 3:00-4:00pm. She will share an informative presentation comparing natural grass and artificial turf. Those who follow sports have heard professional athletes and others debate over whether grass or turf is safer. Arguments have been made over how one might save water, make for a better playing experience, be better for the environment, and be used for activities regardless of weather. Similar reasoning regarding landscaping projects has been made, especially for heat and water usage. Come learn about the health risks and environmental impacts of artificial turf and turf alternatives. No reservation required. The Cupertino Library is located at 10800 Torre Avenue. More information available at this link.

Join the LVNA Board

Are you passionate (or even just interested in) our neighborhood? Do you enjoy meeting new neighbors? Would you be willing to help build a tight-knit (Lakewood) Village for yourself, your friends, and the next generation who's currently growing up right outside your door or even in your own backyard?

Please join the LVNA board! There are five board positions: President, 1st Vice President, 2nd Vice President, Treasurer, and Secretary. The current board's positions end in April and a new board will begin. The board meets once per month to discuss ongoing activities, in addition to holding quarterly neighborhood general meetings and a few seasonal events each year. The level of commitment is up to each individual - these are all volunteer roles. It is a one-year term (April 2024 - March 2025). The only requirements are that you are 18+ years old, live in the neighborhood, and are able to serve the full 12 month term. Elections are April 10 at 7:00pm in the Lakewood Park Building. For more information, please email board@lvnasv.org

Little Free Puzzle Library

A quick reminder that the Lakewood/Fairwood villages have their own Little Free Puzzle Library. Please come by to take a few puzzles or drop some off. As a gentle reminder, this is a resource for the entire community. Please take no more than 3 puzzles at a time. While it's not required to return the puzzles when you are done, returning them will help keep the Puzzle Library well stocked. For location information, please email vp1@lvnasv.org.

City of Sunnyvale Housing Element Update

The City of Sunnyvale uses its Housing Element to guide decisions on housing programs and efforts to meet current and expected housing demand. The City has been working its Housing Element to cover 2023-2031. At the December 12 City Council meeting, the City adopted the 2023-2031 Housing Element. On December 13, the City submitted the proposal to the Department of Housing and Community Development (HCD), which has sixty (60) days to review and certify the proposal.

The 2023-2031 Housing Element can be found here. It includes information on the housing plan itself, an assessment of housing needs, potential sites for additional housing, and more. The Housing Element also shares results from a 2022 web-based survey that asked the community for input on housing needs. The report is a mere 690 pages (!!!), but the final 300 pages consists mostly of public comment letters, copies of the community engagement flyers, and the results from various workshops and surveys. If you can only read a small part, read "Chapter 1 Introduction".

More information on the 2023-2031 Housing Element can be found here.

Transportation Updates from SEE (Sunnyvale for Equity in Education)

By Peggy Brewster & Lauren Ledbetter, SunnyvaleEquityInEducation@gmail.com, https://bit.ly/joinSEE

After the series of Trustee Area Community Workshops, SEE organized a follow-up information session at Sunnyvale Community Services with the Spanish-speaking Community Leaders group. About 30 people attended, including 5 CTAD committee members.

SEE members have been giving feedback on the preliminary map scenarios and drawing original maps with the Maptitude software, available at https://www.fuhsd.org/newsroom/trustee-areas/maps. Preliminary map scenario 1 shows Sunnyvale split with a northern and southern trustee area. Map scenarios 2-4 show east and west trustee areas, a vertical split of Sunnyvale.

There is growing interest in calling North Sunnyvale (94085 and 94089) as a "Community of Interest" (COI) that should be kept together. We have a common hardship in distance to high school from our residences and a common interest In better transportation. Our area is where the now-closed Sunnyvale High School used to be. We've never had trustees from this part of town and after this districting process, we will always have dedicated representation.

If you would like to give input about the maps and express your opinion that North Sunnyvale or other areas should be determined COI, please write trusteeareas@fuhsd.org

Wanted - Villager Editor

Want to help, but not interested in a board position? We are looking for a new Villager Editor, a position open to anyone who is interested (no age requirement). The role consists of at least proof-reading the content and compiling it into a single document. Previous editors have also helped write content, design a new layout, take photos, and send the Villagers out to the subscribers each month.

Want to partner with a family member or friend? Great! Are you a high school student interested in writing or media design and trying to increase your community service hours or build a portfolio? This is your chance! Any of these roles are a great opportunity to help actively drive change for our community and make a positive impact on our neighborhood. If interested, please email the board at board@lvnasv.org and let them know you're on board (yes, pun fully intended)

Email vp1@lvnasv.org to include an advertisement for your business or to submit your photography from around the neighborhood to be featured on the Villager Cover.
