WELCOME TO THE NEWSLETTER OF THE LAKEWOOD VILLAGE NEIGHBORHOOD ASSOCIATION

LVNA General Meeting and Board Elections - April 10

Our next quarterly neighborhood association meeting is Wednesday, April 10, 2024 from 7:00-8:00pm at the Lakewood Park Building. This meeting will be to elect the LVNA board for the 2024-2025 year.

There are five board positions: President, 1st Vice President, 2nd Vice President, Treasurer, and Secretary. The current board's positions end in April and a new board will begin. The board meets once per month to discuss ongoing activities, in addition to holding quarterly neighborhood general meetings and a few seasonal events each year. The level of commitment is up to each individual - these are all volunteer roles. It is a one-year term (April 2024 - March 2025). The only requirements are that you are 18+ years old, live in the neighborhood, and are able to serve the full 12 month term. For more information, attend the meeting or please email board@lvnasv.org.

Recap - LVNA Special Event "Meet and Greet AD26 Candidates"

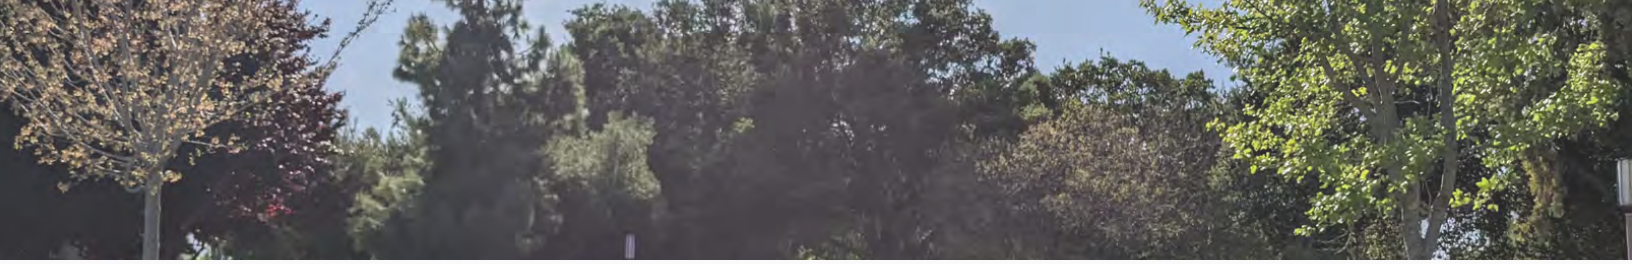

On Saturday, February 10, Lakewood Village Neighborhood Association (LVNA) hosted a special event with three of the candidates running for the March 5 primary for our Assembly District 26. The candidates in attendance were: Patrick Ahrens, Omar Din, and Tara Sreekrishnan. Three other candidates are running, but were unable to attend: Sophie Yan Song, Bob Goodwyn, and Ashish Garg.

The meeting covered a variety of topics, from favorite things about Lakewood to artificial turf to affordable housing to the environment and more. Candidates also took several questions from the audience. Thank you to Patrick, Omar, and Tara for joining us - and thank you to everyone who came to the event to listen to these candidates.

Candidates answering questions from the audience.
From left to right: Tara Sreekrishnan, Omar Din, Patrick Ahrens

Remember to vote in the March 5 primary if you are a registered voter. To register to vote or to check if you are registered to vote, go to https://registertovote.ca.gov/.

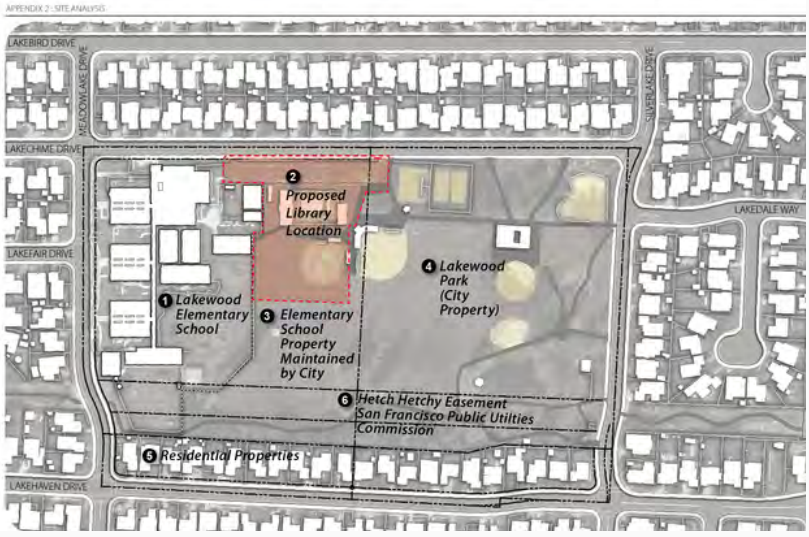

Lakewood Library Construction to Begin This Fall

Progress is being made on the Lakewood Library construction. Plans have been completed and approved, and the bidding process will start in March. The new library will be about 20,000 square feet, bringing library services, wellness activities, and more to North Sunnyvale residents.

Additionally, on Monday, March 4, at 7:00 pm, there is a special joint meeting for the Parks and Recreation Commission and the Board of Library Trustees. This meeting will include an update on the Lakewood Library work. You can attend in person at the Bay Conference Room at City Hall (456 W Olive Ave) or online via Zoom at this link.

Project Milestone	Date
Joint MOU approved between City of Sunnyvale, Fremont Union High School District, and Sunnyvale School District	Winter 2020
Schematic Design Approval	November 2020
DSA Submittal	October 2022
DSA Approval	Fall 2023
Bidding	March 2024
Construction Start	Summer 2024
Completion	End of 2025

For more information, visit the project page on Sunnyvale's website.

Planned location of the new Lakewood Branch Library and Learning Center.

Planned layout of the new Lakewood Branch Library and Learning Center.

The City has also started Phase 2 of the Civic Center development, which focuses on the main library and includes reviewing current and future library services and construction. The City is soliciting community feedback through an online survey, which closes on March 17 at midnight. Please complete the survey here. You can find more information on Phase 2 on the Sunnyvale website.

Future of the Sunnyvale Main Library

EXPLORE SITE AND BUILDING DESIGN IDEAS

We are shaping the vision for our future Sunnyvale Main Library at the Civic Center Campus. We've already heard from more than 3,000 community members. It's now time to explore site and building design ideas. Your input will help make sure the project meets the community's needs. ***Let's bring this vision to life together!***

Transportation Updates from SEE (Sunnyvale for Equity in Education)

bit.ly/joinSEE, SunnyvaleEquityInEducation@gmail.com

The Community Trustee Area Districting Committee (CTAD) meetings are half over, and it's helpful to remember why Fremont Union High School District (FUHSD) is moving from at-large trustee elections to trustee-area elections. FUHSD trustees (also known as School District Board Members) have previously been elected through at-large trustee elections. In March 2023, the board voted unanimously to move to trustee-area elections.

The district has data starting in 1956 showing where trustees lived (by zip code). Since 1956, there have been 29 trustees, including the five current trustees. Of those 29 trustees, none were from zip codes 94085 and 94089. Two trustees were from 94086; the first was Howard H Wyant and the second was Betty J Nelson, who served one term from 1990-1994. The remaining trustees have all lived south of El Camino Real. This trend continues today - all five of the trustees live in the southern part of the district.

The concentration of trustees from certain zip codes means that parts of the district have never had a trustee who lived in their area. While SEE's focus has been on the lack of representation in North Sunnyvale, where the highest concentration of vulnerable, underserved students resides, the lack of representation extends beyond North Sunnyvale. Other unrepresented/underrepresented areas include Saratoga zip code 95070, Los Altos zip code 94024, and San Jose zip code 95129 (home of Lynbrook HS). Additional details on zip codes can be found on Slide 7 of the Superintendent Update from the January 30 FUHSD board meeting here.

All board members represent the entire district, regardless of how they are elected or where they live. However, each community within the district is unique. By moving to trustee-area elections, the district is ensuring that ALL communities have representation on the board.

Moving to trustee-area elections also reduces the cost of running for school board, since candidates can focus their campaign on one trustee area instead of the entire district. So more people can run, increasing the representation and inclusion on the board.

By moving to trustee-area elections now (instead of waiting until the district receives a "demand" (or legal) letter or lawsuit), the district has more time for community input and the district avoids fines for being non-compliant with the CVRA (California Voting Rights Act).

As the move to trustee-area elections continues in preparation for the November 2024 elections, there has been concern among some communities within the district that moving to trustee-area elections will reduce their representation and lead to closing of high schools in the southern part of the district. Interestingly, at-large trustee elections were in place when the board decided to close a high school (Sunnyvale High School) in 1981. When Cupertino Union School District closed elementary schools recently, those board members were also elected at-large. While school closure is separate from how trustees are elected, the evidence does NOT suggest that staying with at-large elections correlates with keeping schools open.

The next CTAD meetings will be held at the FUHSD district office boardroom tentatively on March 11 and April 11.

Finally, the remaining map hearings will occur at these FUHSD board meetings:

- Wednesday, March 20 – Map Hearing 3 (Present maps and sequencing recommendations)
- Wednesday, April 24 – Map Hearing 4 (Board approves final map and sequencing)

As we approach the end of this year-long process, it's a good time to remember that when we foster greater inclusion, we all benefit. Everyone in the district wants their students to have a great education, the ability to participate in extracurricular activities, and reasonable transportation options to get to school. The district as a whole is greater than the sum of its parts.

Little Free Puzzle Library

A quick reminder that the Lakewood/Fairwood villages have their own Little Free Puzzle Library. Please come by to take a few puzzles or drop some off. As a gentle reminder, this is a resource for the entire community. Please take no more than 3 puzzles at a time. While it's not required to return the puzzles when you are done, returning them will help keep the Puzzle Library well stocked. For location information, please email vp1@lvnasv.org.

Sunnyvale Urban Forest Advocates (SUFA)

Sunnyvale Urban Forest Advocates (SUFA) is a local organization that advocates for preserving trees and increasing the trees in our community, educates about the many benefits of having trees in our neighborhoods, and partners with the City and others to raise awareness of the urban forest.

SUFA has partnered with the library for several upcoming events:

Event Description	**Date/Time**
SUFA will host a table with activities for kids and lead a 30-minute tree walk through the new Civic Center Park as part of the City's Earth Day Celebration (on Olive Ave. between City Hall and the Library)	April 20 11:00am - 3:00pm
SUFA Talk/Tree Walk at the new Civic Center Park for everyone	May 11 2:00pm - 3:30pm

Want to do your own tree walk through Lakewood Park? SUFA has you covered with a self-guided tree walk maps here (https://www.sunnyvaletrees.org/tree-walk-maps/) and accompanying guides here (https://www.sunnyvaletrees.org/tree-guide/)

Learn more about SUFA here: https://www.sunnyvaletrees.org/

Did you know?

In 2014, the City approved the Sunnyvale Urban Forest Management Plan (SUFMP) to plant 29,000 new trees across Sunnyvale. There was supposed to be 14,000 new trees in commercial areas and 15,000 new trees in residential areas. These numbers include plans to plant 5,000 new street trees, with locations already identified by the City. A "street tree" is any tree with a trunk in the City's right-of-way, which is roughly the space between the curb and 11 feet into a property. Street trees also include any tree in public spaces like parks, roadway medians, or City campuses.

Unfortunately, ten years later, little work has been done. None of the 5,000 street trees have been planted, with the City citing budget and staffing concerns to explain why the SUFMP has languished. Want to encourage the City to prioritize and fund this project? Contact City Council regarding funding the Sunnyvale Urban Forest Management Plan at council@sunnyvale.ca.gov.

The full text of the SUFMP can be found on the Sunnyvale Trees Website.

Reminder - Lakewood Village Under Oriental Fruit Fly Quarantine

On September 6, the California Secretary of Agriculture issued a quarantine for the oriental fruit fly (Bactrocera dorsalis). The quarantine affects a 112-square-mile section of Santa Clara County, and it was put in place after eight oriental fruit flies were found in Santa Clara and Sunnyvale. The quarantine covers all of Sunnyvale and Santa Clara, along with parts of Campbell, Cupertino, Los Altos, Milpitas, Mountain View, San José and Saratoga.

As a result, all residents of Lakewood Village are included in the quarantine. While under quarantine, residents:

- Should not take any homegrown fruits and vegetables off of their property. This includes anything grown in gardens as well as fruit from fruit trees in our yards.
- Should not put any homegrown fruits and vegetables in the FoodCycle compost (yellow) part of the garbage can.
- May dispose of homegrown fruits and vegetables by:
  - Grinding them in the garbage disposal.
  - Double-bagging and sealing them, then placing them in the regular (black) part of the garbage can.

For more information, go to the official news release here: bit.ly/3t5UtiF

Note that these fruits and vegetables are safe for processing and consumption (e.g., juiced, frozen, cooked), as long as the processing and consumption occurs on the resident's property.

Find us on Nextdoor!

If you have not already joined the LVNA group on Nextdoor then we encourage you to do so. Nextdoor allows separate settings for group posts so it's an excellent way to get curated Lakewood Village-relevant content while filtering out the rest. Board members post reminders about upcoming events and moderators ensure all activity in the group adheres to the group's rules (e.g., content relevant to Lakewood Village, no soliciting, etc.). Note that only Lakewood Village residents are permitted to join. To learn more or to join, visit nextdoor.com/g/alya6yxap

Wanted - Villager Editor

Want to help, but not interested in a board position? We are looking for a new Villager Editor, a position open to anyone who is interested (no age requirement). The role consists of at least proof-reading the content and compiling it into a single document. Previous editors have also helped write content, design a new layout, take photos, and send the Villagers out to the subscribers each month.

Want to partner with a family member or friend? Great! Are you a high school student interested in writing or media design and trying to increase your community service hours or build a portfolio? This is your chance! Any of these roles are a great opportunity to help actively drive change for our community and make a positive impact on our neighborhood. If interested, please email the board at board@lvnasv.org and let them know you're on board (yes, pun fully intended)

Email vp1@lvnasv.org to include an advertisement for your business or to submit your photography from around the neighborhood to be featured on the Villager Cover.
