WELCOME TO THE NEWSLETTER OF THE LAKEWOOD VILLAGE NEIGHBORHOOD ASSOCIATION

Upcoming Events

Calabazas Creek Clean Up - May 18

Last year marked the first year that the Lakewood Village participated in National River Cleanup Day. On this day, people throughout the community volunteer to clean up the waterways in Sunnyvale and help keep the community free of litter. Lakewood Village participates in the Santa Clara Valley Water District's Adopt-A-Creek program. It is our job to protect and support the creek, with semi-annual clean up events.

The next Clean Up event will be held Saturday, May 18 from 9:00am-12:00pm. Meet some neighbors and help protect our waterways. Register at https://tinyurl.com/CalabazasCreekCleanUp, or just meet everyone at the aqueduct bridge that morning. For questions, email board@lvnasv.org

LVNA General Meeting - July 10

Our next quarterly neighborhood association meeting is Wednesday, July 10, 2024 from 7:00-8:00pm at the Lakewood Park Building. Mark your calendars - agenda and speakers to be announced.

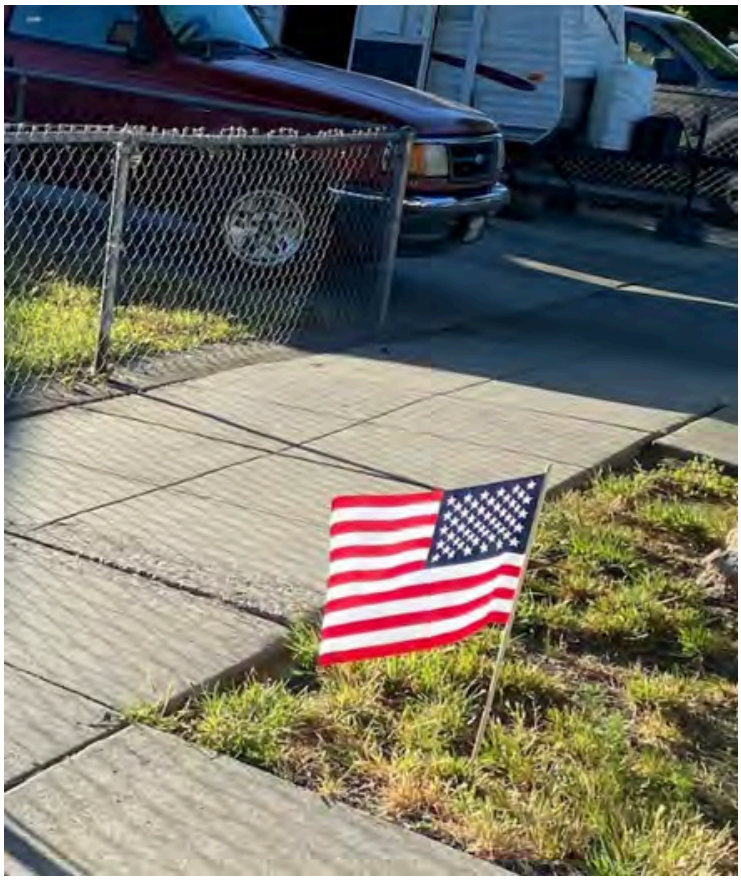

National Night Out - August 6

Save the date! This year's National Night Out will be Tuesday, August 6, in the evening at the Lakewood Park building. Details will be included in the July Villager. We have a lot of ideas (music, fire truck, food trucks, temporary tattoos, bubbles), but need volunteers to help. Please email vp1@lvnasv.org if you're available.

The LVNA Memorial Day Scavenger Hunt!!

Ten (10) American Flags will be placed throughout the neighborhood **near sidewalks**, such as the photo below

Flags will be out starting Monday, May 20

How to play:

1. Locate as many flags around the neighborhood as you can
2. Do NOT take the flags! Leave them for others to find
3. All residents (including prior winners) are eligible to win
4. Email board@lvnasv.org with the address (e.g., 123 Main St) of each flag. Send your email after you've found as many flags as you can!

- Start the hunt early for best chances! A map with hints will be on Nextdoor and our LVNA website homepage, https://lvnasv.org
- The first 10 people to submit pictures of 8 or more flags win a $20 gift
- card An announcement will be made on Nextdoor and on our website, https://lvnasv.org when all prizes have been claimed
- Game ends on Friday, May 31 (a few days after Memorial Day)
- Flag hosts will routinely check to ensure flags are still in place throughout the competition

North Sunnyvale Will Elect FUHSD Trustee in November

In early 2023, the five trustees on the Fremont Union High School District (FUHSD) school board voted unanimously to move the district from at-large elections to by-trustee area elections. In the current at-large elections, all voters vote for all five trustees and there has never been a trustee who lived in North Sunnvyale. With the new by-trustee area elections, the district will be mapped into five trustee areas. Each trustee area will get to vote for one trustee, who must live in the given trustee areas.

On April 24, the FUHSD board held its fourth (and final) map hearing meeting in the Fremont High School auditorium. The board was presented with three options (maps) for how to legally divide the district into five trustee areas. Two scenarios (Scenario 5 Revised and Scenario 6) were generated by the Committee for Trustee Area Districting (CTAD). A third scenario (Scenario 8) was generated by district staff based on input from prior CTAD meetings. CTAD is a group of 13 adults and 3 current FUHSD students who applied for the committee last fall. CTAD members held six CTAD meetings and hosted multiple additional outreach meetings to compile feedback from community members throughout the district.

The FUHSD board voted to select revised Map 5 (see image or go to this link) for a higher resolution version that includes additional information). The map has 4% variance in population, with three trustee areas with an Asian CVAP (Citizen Voting Age Population) majority and one trustee area with a Hispanic CVAP of 27.7%. North Sunnyvale (including our neighborhood) is included in Trustee Area 2.

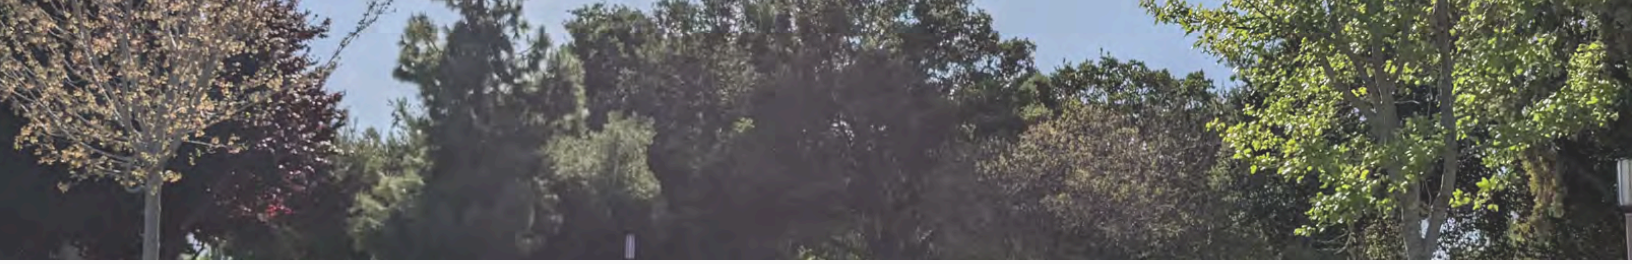

The current FUHSD board includes one trustee from Trustee Area 1, three trustees from Trustee Area 3, and one trustee from Trustee Area 4. There are no current trustees who reside in Trustee Area 2 (North Sunnyvale) or Trustee Area 5 (West San Jose/Lynbrook).

Each trustee serves a four-year term, and terms for two of the trustees expire this year. The election sequence was determined so that the two trustee seats that expire this year will move to by-trustee area elections for the November 2024 election.

One trustee from Trustee Area 2 and one trustee from Trustee Area 5 will be elected. Trustee Areas 1, 3, and 4 will have their first by-trustee area election in November 2026.

As a result of this momentous decision, North Sunnyvale will have an historic election this fall. For the first time ever, the FUHSD board will include a trustee who lives in our zip code.

The meeting was recorded (audio only) and will be posted on the district's website at https://tinyurl.com/FUHSDRecordings (under "Board Meeting Audio Recordings"). The agenda packet (with presentation slides starting on Packet Page 6) can be found at https://tinyurl.com/FUHSDPacketApril24

Lakewood Shopping Center To Be Replaced By Mostly Townhouses

The City is developing seven Village Centers, including one to replace the current Lakewood Shopping Center at Lawrence Expressway and Lakehaven Ave. Plans have been submitted to the City to replace this shopping center with 100 new townhomes. A second development proposal at the corner of Duane Ave and San Rafael St will replace that shopping center with 117 new townhouses.

While Sunnyvale badly needs additional housing, these developments will result in a significant reduction of retail space at the Lakewood location - and a complete loss of retail at the Duane location (see table).

Location	Current retail sq ft	Proposed retail sq ft
Lawrence + Lakehaven	64,068	10,000
Duane + San Rafael	57,600	0

Today, there are roughly 17 grocery stores in Sunnyvale located south of the Caltrain tracks. There are about nine grocery stores in Sunnyvale north of the Caltrain tracks, including New Wing Yuan Market at Lakewood and Taj Mahal Fresh Market and Western Pacific Filipino Grocery at Duane. The Village Center proposal will eliminate these three grocery stores, further increasing the disparity in access to grocery stores faced by North Sunnyvale residents.

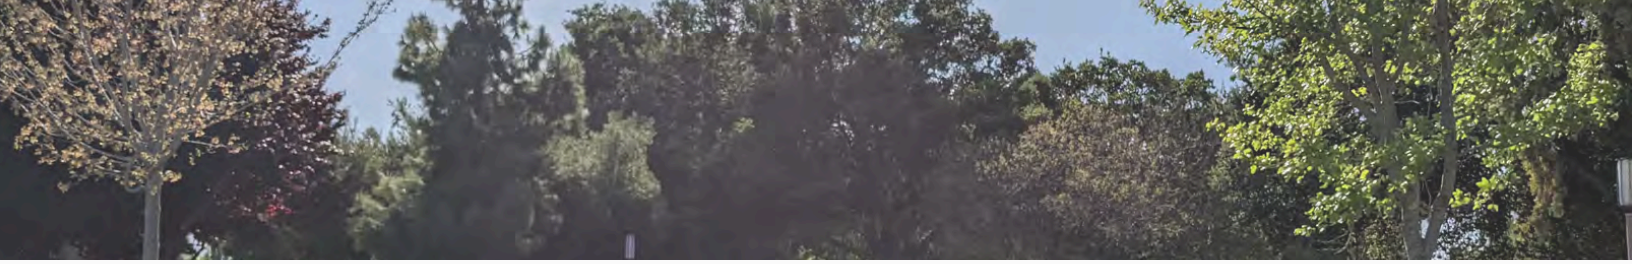

These developments mirror proposals for several other “Village Center” locations throughout the city. These Village Centers were intended to be vibrant, mixed-use developments with a combination of retail and residential uses. However, in practice they are mostly townhouses. *Continued on next page*

Plans Proposed for Lakewood Village Center (Cont.)

This increase in townhouses is partially the result of state laws passed in 2019 to prevent cities from delaying and denying new developments. These laws enabled many new developments, like the Vallco Shopping Center project in Cupertino, but limited the City of Sunnyvale's ability to influence what is built at these Village Centers. The City has still not updated zoning and other requirements for the Village Center locations to address these state law changes.

The City has limited power to require changes to the development proposal. Community groups, including Livable Sunnyvale, are trying to have a meeting with the developers. If scheduled, residents need to attend this meeting to explain the impact that the loss of retail will have on our neighborhood and to ask the developers to modify their plans.

More information on the Village Centers was presented at the April 10 Livable Sunnyvale meeting. That presentation is available on Youtube here: While Sunnyvale badly needs additional housing, these developments will result in a significant reduction of retail space at the Lakewood location - and a complete loss of retail at the Duane location (see table)..

Maintaining Our Yards

Spring is a great time to critically assess what you want your home's front yard to look like. Taking care of your yard is great exercise and gets you outdoors in the fresh air. Maintaining your home's outdoor space plays a multifaceted role in both our lives and our neighbors' lives. Benefits such as beautifying the space, increasing home values, and enriching our physical, mental, and emotional well-being are all aspects everyone can enjoy when we each do our part in taking care of our yards. You may even consider growing edible herbs, fruits, or vegetables to take full advantage of our wonderful California weather and have easily accessible, tasty food.

If yards become a persistent problem, Sunnyvale does have regulations on weed and grass control and can respond to neighborhood complaints. However, we encourage each of our residents to maintain their own yards or reach out for help if you are unable to do so. Nextdoor can be used to contact friendly neighbors who may be willing to assist their neighbors in need.

Origami Spinning Top

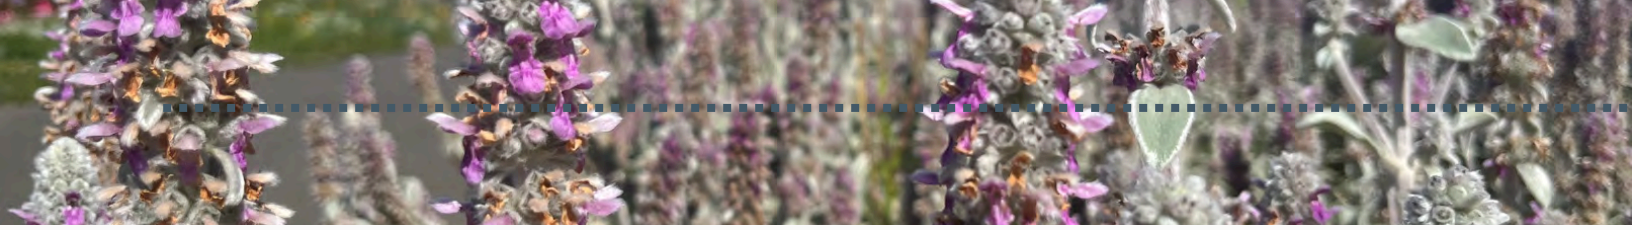

This is a cool model which you will enjoy folding. It makes use of 3 square sheets of paper and you can choose your own contrasting colors. Wrapping paper cut to size makes for a good eco-friendly option, too.
Each sheet is folded slightly differently from the other. Take help from a grown up and make your own!

Eight-Story Apartment Complex Planned for 4590 Patrick Henry Drive

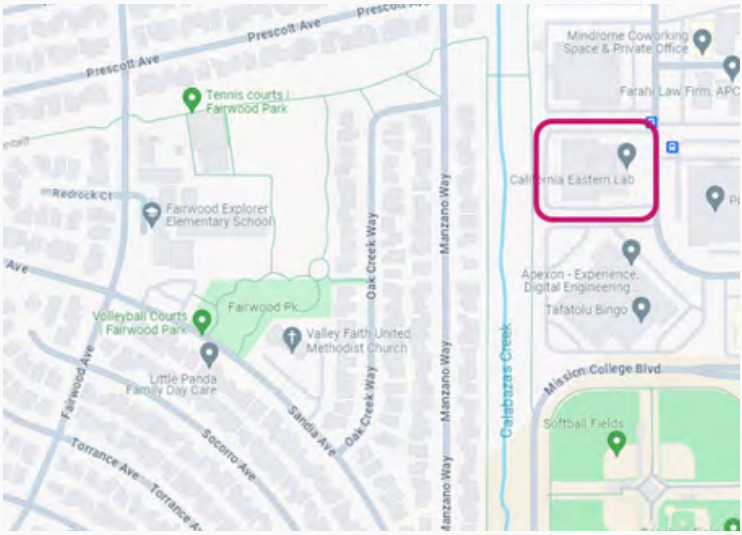

In March 2022, the Santa Clara Council City Council approved the Patrick Hendry Drive Specific Plan. Details are available at www.tinyurl.com/PHDSpecificPlan. As part of this plan, in April, the City unveiled development plans for 4590 Patrick Henry Drive. This 2.7-acre property is currently a 42,821 square-foot industrial building. The proposed plans will tear down the building and replace it with an eight-story, 284-unit multifamily resident building. The project will be developed by Walnut Hill Group, which is represented by KASA Partners.

Some additional details of the project are:

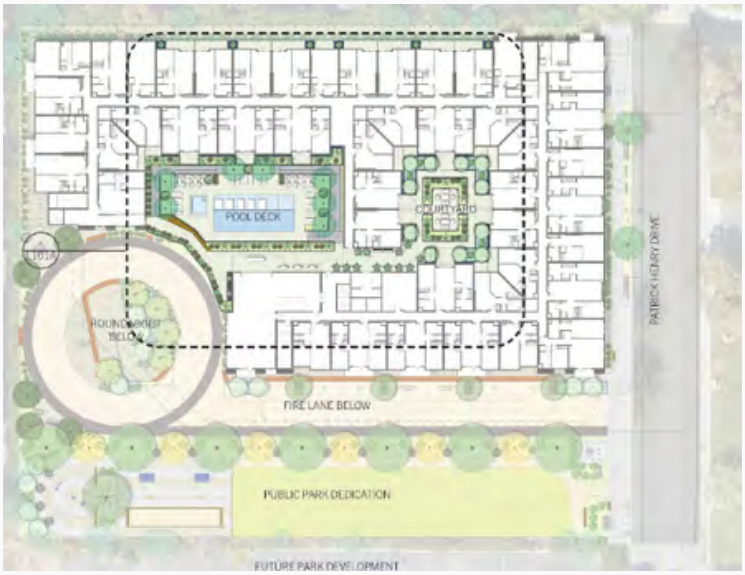

- The building will be 85 feet tall
- The building will approximately 417,000 square feet
- 15% affordable housing units
- A mix of studios, one-bedroom, and two-bedroom units
- A 0.5 acre public park

Additional information, including a link to the full Development Plan, can be found at the Development Project Page. Neighbors nearer to Calabazas Creek should have received a "Notice of Intent to Adopt a Mitigated Negative Declaration", indicating that the City has determined the project will not have a significant effect on the environment. The public comment period is open now and will close atl 5:00pm on Sunday, May 26.

For additional questions or comments, please contact Tiffany View, Associate Planner, at (408) 615-2450 or tvien@santaclara.gov

4590 Patrick Henry Drive (pink box) is located just east of Calabazas Creek and just south of the pedestrian bridge.

Wanted - Villager Editor

Want to help, but not interested in a board position? We are looking for a new Villager Editor, a position open to anyone who is interested (no age requirement). The role consists of at least proof-reading the content and compiling it into a single document. Previous editors have also helped write content, design a new layout, take photos, and send the Villagers out to the subscribers each month.

Want to partner with a family member or friend? Great! Are you a high school student interested in writing or media design and trying to increase your community service hours or build a portfolio? This is your chance! Any of these roles are a great opportunity to help actively drive change for our community and make a positive impact on our neighborhood. If interested, please email the board at board@lvnasv.org and let them know you're on board (yes, pun fully intended)

Email vp1@lvnasv.org to include an advertisement for your business or to submit your photography from around the neighborhood to be featured on the Villager Cover.
