VOL. 67 EDITION 7 · JULY 2024

LVNA Villager

WELCOME TO THE NEWSLETTER OF THE LAKEWOOD VILLAGE NEIGHBORHOOD ASSOCIATION

LVNA General Meeting - July 10

Our next quarterly neighborhood association meeting is Wednesday, July 10, 2024 from 7:00-8:00pm at the Lakewood Park Building. We have a busy agenda - Joanne Navarro-Tran from the City's Department of Public Safety will be talking about neighborhood preservation and answering our questions. We'll have a presenter to talk about the planned high-rise housing complex by Calabazas Creek. Katia Kamangar and James Suh will talk about the planned high-rise housing complex by Calabazas Creek.

LVNA Summer Picnic - Sept 7

We are bringing back the annual Lakewood Village summer picnic! It will be in Lakewood Park on September 7 from 11:00am - 2:00pm. There will be games, music, and free food (including vegetarian/vegan options). Come meet your neighbors and participate in some friendly competition. Volunteers are needed to help plan, set up, and/or cook. Please email vp1@lvnasv.org if you're able to help. Note that we have canceled the LVNA National Night Out (NNO) event on August 6 in order to do the picnic.

Bringing Back the Lakewood Village Holiday Parade

For anyone who has lived in Lakewood for a while, the mention of a "holiday parade" will bring back nostalgia for the times when Lakehaven and Sandia roads closed off to host a neighborhood parade. Santa, fire trucks, antique cars, cookies, elected officials, and more were included. A devoted group of Lakewood residents is trying to bring the parade back this year. Anyone who worked on this in the past can tell you it can be very rewarding, but takes a great deal of work to pull it off. Below are photos of the Fremont High School Marching Band and Lakewood Elementary Color Guard.

If you want to see our holiday parade return, we need help! We need people to help with planning/staging, marketing, safety/security, decorations, set-up/tear-down and more. Now is the chance to sign up - we need at least six months of planning for this to work.

Let's bring back the Lakewood Village Holiday Parade this year! Email board@lvnasv.org to help make it happen.

Annual Dumpster Day - July 20

Dumpster Day is coming!! See the insert in this Villager for details - including dumpster locations and information on what items are and are not accepted.

LVNA is Officially a Non-Profit Organization!

The Lakewood Village Neighborhood Association (LVNA) is now a 501(c)3 nonprofit organization! That means you can make tax-deductible donations to support us and programs in our community. Many companies also offer matching programs to double your impact. For more information on making a donation, email treasurer@lvnasv.org.

The Impact of Littering in Our Neighborhood

Littering significantly affects our neighborhood's cleanliness and health, creating an unsightly environment and posing environmental and health risks.

Environmental Impact

Non-biodegradable litter, like plastic bottles and wrappers, takes centuries to decompose, polluting local water bodies and harming wildlife, which can mistake litter for food.

Solutions

Addressing littering requires community effort. Educational campaigns, regular clean-up events like our annual dumpster day events, our Calabasas Creek clean up, more trash bins such as those that will be installed along the Calabasas trail, and stricter penalties for littering can help create a cleaner, healthier neighborhood. Working together, we can maintain a beautiful and sustainable environment.

Health Hazards

Litter can attract pests such as rats and insects, spreading diseases. Sharp objects like broken glass can cause injuries to children and pets.

Community Well-being

A littered environment diminishes the neighborhood's aesthetic appeal, reducing residents' quality of life and community spirit.

Economic Burden

Cleaning up litter costs local governments substantial taxpayer money, which could be better used for community improvements like parks and educational programs.

Villager Help Needed

The Villager needs some new hands to support it, especially with the upcoming transition to monthly printed Villagers. We need help with the following:

- Ad Coordinator: Responsible for finding businesses to pay to advertisement in the Villager
- Villager Content Editor: Responsible for writing content, collecting content from others, and proof-reading the monthly Villager

All positions offer flexibility. There is no age requirement. You can partner with a family member or friend. Any of these roles are a great opportunity to help actively drive change for our community and make a positive impact on our neighborhood. If interested, please email vp1@lvnasv.org.

Sneak Peek - FoodCycle FAQ

Do you find yourself wondering, “What’s FoodCycle?” Are you confused about what can and can't be FoodCycled? Or maybe you just want some tips to make the program easier and less messy for your family. The August edition of our Villager will include an article all about the FoodCycle program. Sunnyvale's Zero Waste Coordinator Bailey Hall will answer FAQ's, provide tips and explain the what, how and why behind FoodCycle.

The August edition is electronic only. If you aren’t already signed up to receive the electronic Villager each month, you can sign up here: www.lvnasv.org/villager

Neighborhood Watch Program

LVNA has started a pilot Neighborhood Watch program. The success of it will depend on each of us and our engagement in our community. If you're like many of us, you are aware of the crime issues in our neighborhood. Our goal is to do something constructive and take ownership of what we can do, in partnership with Sunnyvale police, to make a positive change for good. Our pilot program is on Prescott Ave and Pecos Way. If you live on another street and are interested in participating on your streets, contact Linh 650-405-1560, treasurer@lvnasv.org.
