WELCOME TO THE NEWSLETTER OF THE LAKEWOOD VILLAGE NEIGHBORHOOD ASSOCIATION

Event Announcements

LVNA Summer Picnic - Sep 7

After a hiatus of many years, we are bringing back the annual Lakewood Village summer picnic. It will be in Lakewood Park on September 7 from 11:00am - 2:00pm. There will be games, music, and free food (including vegetarian/vegan options). Come meet your neighbors and participate in some friendly competition. Volunteers are needed to help plan, set up, and/or cook. Please email vp1@lvnasv.org if you're able to help. Note that we have canceled the LVNA National Night Out (NNO) event on August 6 in order to do the picnic.

Bringing Back the Lakewood Village Holiday Parade

For anyone who has lived in Lakewood for a while, the mention of a “holiday parade” will bring back nostalgia for the times when Lakehaven and Sandia roads closed off to host a neighborhood parade. Santa, fire trucks, antique cars, cookies, elected officials, and more were included. A devoted group of Lakewood residents is trying to bring the parade back this year. Anyone who worked on this in the past can tell you it can be very rewarding, but takes a great deal of work to pull it off.

If you want to see our holiday parade return, we need help! We need people to help with planning/staging, marketing, safety/security, decorations, set-up/tear-down and more. Now is the chance to sign up - we need at least six months of planning for this to work.

Let's bring back the Lakewood Village Holiday Parade this year! This event will be open to everyone in our community. Email board@lvnasv.org to help make it happen.

Upcoming “Meet the Candidates” Event - Time TBD

There will be several important, local positions for Lakewood residents to vote on in the November 5, 2024 election:

- Sunnyvale Mayor
- Sunnyvale City Council member for District 6
- Fremont Union High School District (FUHSD) Board Member for Trustee Area 2
- California State Assembly District 26

The LVNA board is arranging an in-person “Meet the Candidates” panel event for September or October. The exact date will be finalized in the next few weeks. Be sure to check the September Villager for the date and details. If you do not already receive our Villager electronically, go to www.lvnasv.org/villager to sign up for our mailing list!

July LVNA General Meeting Recap

We had a great July neighborhood meeting - over 50 people attended. We also had several candidates in attendance: mayoral candidates Mayor Larry Klein and District 4 Councilmember Russ Melton; Sunnyvale City Councilmember District 6 candidates Eileen Le (current Sunnyvale School District Board Member) and Richard Lesher; and Assembly District 26 candidate Patrick Ahrens.

We also had three guest speakers in attendance. Below is a brief recap of the meeting. See the links or subsequent articles in this Villager for additional details.

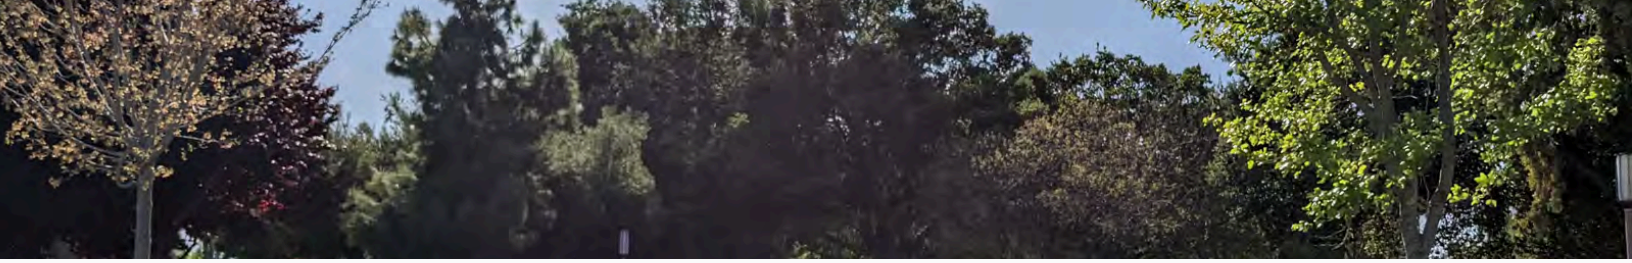

- Jhoanne Navarro-Tran, Senior Neighborhood Preservation Specialist from the City's Department of Public Safety, spoke about neighborhood preservation and what we can do to help keep our neighborhood looking good. See the articles "Neighborhood Preservation 101" and "Top 10 Unwanted List" in this Villager for more information.
- Katia Kamangar and James Suh from Kamangar Consulting spoke about the upcoming eight-story residential complex planned for 4590 Patrick Henry Dr, just on the east side of the aqueduct bridge. They created an FAQ for Lakewood residents, which can be found at: https://tinyurl.com/LVNA4590 The FAQ has information on the size of the development, type of housing, location, timing, and more. Additional information on the project can be found at the City of Santa Clara's website here: https://www.santaclaraca.gov/Home/Components/BusinessDirectory/BusinessDirectory/513/2495
- Cortney Jansen on behalf of Livable Sunnyvale spoke about the plans to replace the shopping centers at Lakehaven and Duane with townhouses. Details included the current plans, how we got here, and ways that residents can speak up. Go to www.tinyurl.com/LVNAVillageCenters for the full slide deck. We need residents to write and speak out about how the proposed townhouses will impact our neighborhood and our lives. There is an active email group for people who are willing to help (a lot or a little). Email chuckfraleigh@livablesunnyvale.org to sign up.

Jhoanne Navarro-Tran, Senior Neighborhood Preservation Specialist from the City's Department of Public Safety, presents to an audience of over 50 of our neighbors.

Katia and James show schematic layouts of the proposed multi-story housing complex planned for 4590 Patrick Henry Dr.

Neighborhood Preservation 101

By Jhoanne Navarro-Tran, Senior Neighborhood Preservation Specialist from the City's Department of Public Safety

What is Neighborhood Preservation?
Neighborhood Preservation (NP) is a unit within the Department of Public Safety. Our commitment is to maintain and improve the quality of life in residential and commercial neighborhoods.

Our objectives are as follows:

- Promote attractive and well maintained residential and non-residential properties and neighborhoods, and discourage neighborhood decline by:
- Providing education, outreach, and resources to the community to foster attractive neighborhoods and prevent neighborhood deterioration.
- Resolving property maintenance violations in accordance with the Sunnyvale Municipal Code.

What do we enforce?
NP enforces blight issues such as overgrown vegetation, weeds, junk and debris, outside storage, graffiti, trash and recycling containers improperly stored, vehicles parked on an unpaved surface. NP also enforces construction without permits, housing/building/zoning code violations, short-term rentals, operational noise, and signage.

How to Report a Municipal Code Violation:
When reporting a complaint, make sure to:

- Provide a brief description of the violation or complaint.
- Provide the exact location of the problem. Provide the house number and street name. If you do not know the address, provide the nearest address available.
- Provide your name, address, and telephone number. This information is confidential and will only be used by us in order to obtain additional information or to advise you of the status of your complaint. All complainants remain anonymous.

To report possible code violation(s), you can:

- Call NP at 408-730-7610
- E-mail us at np@sunnyvale.ca.gov

For additional information, contact Jhoanne Navarro-Tran, Senior Neighborhood Preservation Specialist at 408-730-7186 or jnavarro-tran@sunnyvale.ca.gov

See the next page for the a list of guidelines to follow to help keep our neighborhood looking great.

The 10 Most Unwanted List!

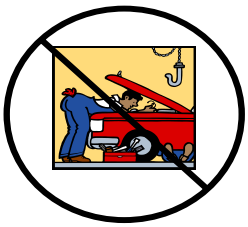

Tips from Neighborhood Preservation on How to Keep Your Property Attractive

Trash and recyclin g containers must be s creened from public view or stored in the side yard behind the face of the house.

We eds mu st be removed to avoid health and fire hazards.

Major auto repair is allowed only within an enclosed structure and may not be done for profit.

Graffiti must be removed immediately.

Parking of vehicles, boats and trailers is not allowed on the landscaped portion of the yard.

Vegetation in the park strip or on private property may not impair visibility of the street or sidewalk and must not exceed two feet in height in the park strip.

Home businesses require a business license and must meet specific requirements.

Fences visible from the street must be maintained in good condition and not sagging or leaning.

Inoperable, wrecked or dismantled vehicles may not be visible from the street.

Outside storage of junk, debris or materials must not be visible from the street.

For more information, please contact Neighborhood Preservation at 408-730-7610 or by email: np@sunnyvale.ca.gov

Use Access Sunnyvale for Service Requests/Complaints

In the July general meeting, Mayor Klein emphasized that residents should use the City of Sunnyvale's online portal Access Sunnyvale (https://sunnyvale.dynamics365portals.us/) to submit online services requests and report issues. This is faster and gets a quicker response than a phone call. Additionally, when you submit a request via Access Sunnyvale, you get a ticket number. If your ticket is not promptly addressed/resolved, you should contact our Councilmember Omar Din (dincouncil@sunnyvale.ca.gov) or Mayor Klein (larry@larryklein.com) for help (and include your ticket number).

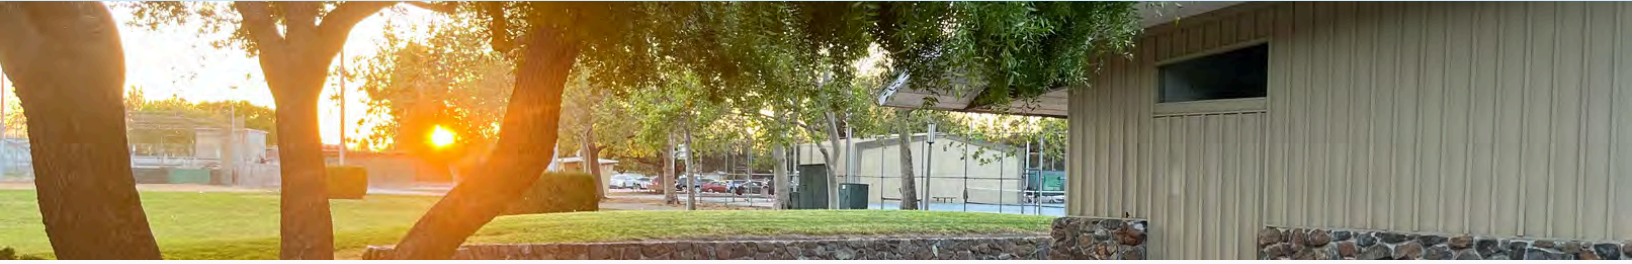

Some of the many things you can use Access Sunnyvale to report are:

- Abandoned vehicles (vehicles parked in the same spot for more than 72 hours)
- Graffiti
- Traffic issues (if the violation is in progress and requires an officer response, you can call 408-730-7181)
- Noise disturbances (including airplane noise)
- Needed park maintenance (e.g., broken toilets, trash cleanup)
- Needed sidewalk repairs
- Tree maintenance

These all have the option to require a response from City Staff and create a paper trail of things that need maintenance or attention. Please help maintain our neighborhood and report things that need the City's attention.

Here are the steps to using Access Sunnyvale:

1. Go to https://sunnyvale.dynamics365portals.us/
2. Choose the topic area for your service request (you can either search for a topic or select from several icons).
3. Enter the information for your service request. The more detail you can provide, the better and easier it is for the City to respond.
4. Be sure to select "yes" for "Response from City Staff Requested?". This guarantees you will get a staff member to reply to your request.
5. Choose "Submit" at the bottom. You will get an email with your ticket number and follow up information will be sent to your email address.

Thank You to All Dumpster Day Volunteers!!

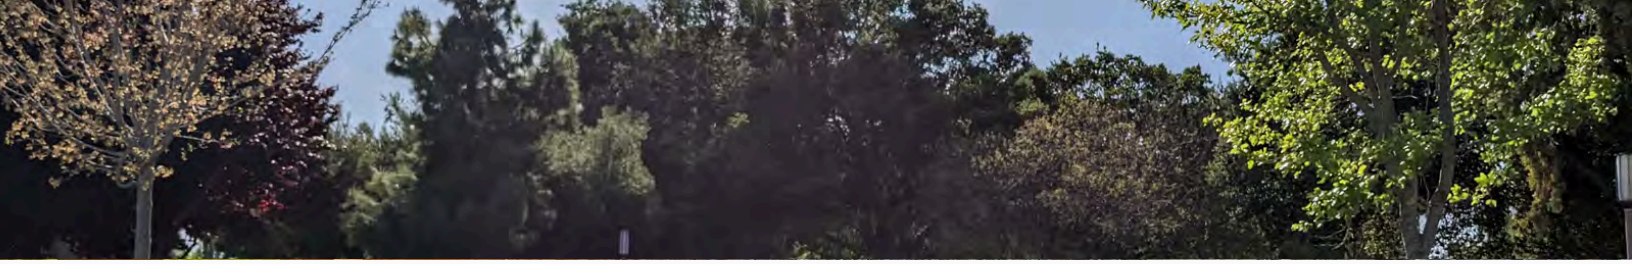

July 20 was our annual LVNA Dumpster Day. A huge shout out to all of the volunteers who helped monitor dumpsters, bring food, and more. We had 20 dumpsters in total, and we could not have done it without their help. Dumpster Day volunteers this year were:

- Linh
- Bev
- Blake
- Bones & Alice
- Kimi & Lance
- Grace & Joseph B
- Marian & John
- Dawn
- Joseph A
- Sharon
- Rudy & Chris
- Gildardo, Izveth, Jonathan, & Lex
- Robin
- Art & Nilda
- Amy & Richard
- Brittany
- Karen & Jana
- Lorri & RaeDean
- Sam & Antoinette
- Charisse
- Michael
- Olivia
- Agripina
- Erika
- Isabel

Sunnyvale's FoodCycle Program

By Bailey Hall, Environmental Programs Specialist, City of Sunnyvale Environmental Services Department

Sunnyvale's FoodCycle program collects food scraps and uses them to produce electricity. The program diverts food waste from the landfill, which in turn reduces greenhouse gas emissions. FoodCycle also helps Sunnyvale comply with state law SB 1383 (mandatory organics recycling) and meets goals in our Zero Waste Strategic Plan as well as the Climate Action Playbook. Keep reading to learn what you can and can't FoodCycle, some tips to make participating easier and answers to frequently asked questions.

You can FoodCycle:

- Fruits and vegetables, including peels, pits and stems
- Grains and nut shells
- Meat and seafood, including bones
- Dairy products, egg shells
- Freezer-burned or spoiled food
- Tea bags, coffee grounds
- Cooled cooking oil or bacon grease

Put these items in the garbage:

- Paper napkins and towels
- Food packaging (wrappers, boxes, cans)
- Compostable utensils, cups or plates
- Pet waste

FoodCycle Quick Tips

- Choose a container that works for you. You can request a 2.5-gallon countertop pail from the City, or use your own plastic tub. You can also use a decorative pail with a filter and lid. Or you can just use a clear plastic bag without an extra container.
- Find a place to store it. You can keep food scraps on the counter, under the sink, next to your garbage can or in the fridge.
- Use a clear plastic bag to line your pail and prevent leaks. Compostable bags work too, but they may get soggy. Black or opaque garbage bags are not allowed.
- Keep food scraps cool in the fridge or freezer until collection day. This helps your outdoor cart stay cleaner too.
- Get a clean cart. If your outdoor cart gets messy, you may request a clean cart exchange two times per year. (Available for single-family homes.)

To learn more and for tips on managing food scraps in your home, visit Sunnyvale.ca.gov and search food scrap recycling. You can also watch videos about FoodCycle on our YouTube page.

LVNA is Officially a Non-Profit Organization!

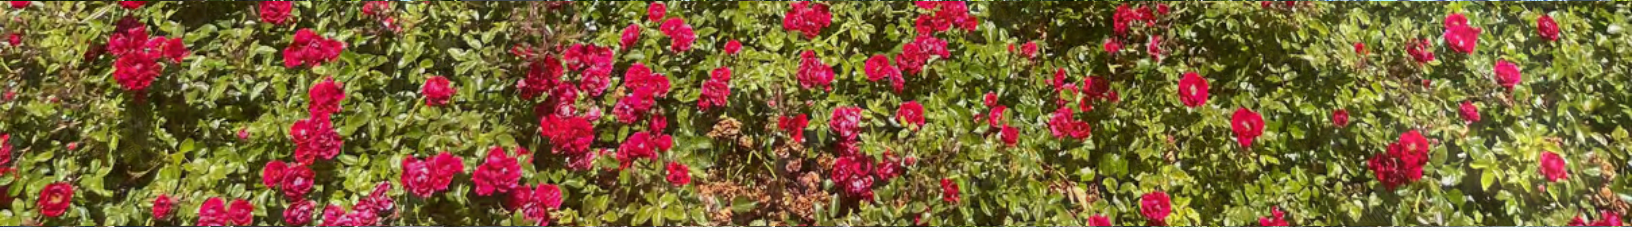

The Lakewood Village Neighborhood Association (LVNA) is now a 501(c)3 nonprofit organization! That means you can make tax-deductible donations to support us and programs in our community. Many companies also offer matching programs to double your impact. For more information on making a donation, email treasurer@lvnasv.org

A Shout-Out to the Manzano Way Block Party!

On June 29, residents on Manzano Way and nearby streets held a neighborhood block party. It was a great time, with the opportunity for residents to meet more people in their community - and to reconnect with old friends. Want to host your own block party? LVNA has funds to cover the permit fee. Email board@lvnasv.org for more information.

Little Free Puzzle Library

A quick reminder that the Lakewood/Fairwood villages have their own Little Free Puzzle Library. Please come by to take a few puzzles or drop some off. As a gentle reminder, this is a resource for the entire community. Please take no more than 3 puzzles at a time. While it's not required to return the puzzles when you are done, returning them will help keep the Puzzle Library well stocked. For location information, please email vp1@lvnasv.org.

Paper Pop Up Fans

We are well into Summer and enjoying our breaks and holiday trips! I thought of sharing this cute little DIY paper fan which you can make and use on road trips or just as window decoration, too! Craft paper with markers or colored pencils are handy for this little project, along with popsicle sticks. Follow along this tutorial to make your fans!

Tutorial: Cute Paper Pop Up Fans | DIY Watermelon Hand Fans | Paper Fan Decorations

Origami Lucky Star

This is a nice model to try out. It would require a little bit of help from grown-ups to set up the folds, but it is a fun design altogether. You can use wrapping paper, printer paper or any other paper of your choice. Feel free to decorate using stickers, coloring the papers or other embellishments! Youtube Tutorial Here.

Sunnyvale Library Events

Take a look at our Library's upcoming event calendar here.
The month of July has multiple sessions of Toddler Time, Teen Tuesday and Family Story time. Refer to the calendar for details.

Date	Event	Details
August 8	Birthday StoryTime	This program is for ages 0 to 5 and their caregivers.
August (The Whole Month)	Pick up your Summer Reading Prizes!	Summer Reading Program finishers can claim their awards at the Children's and Adult Information Desks from August 1 through 31

Find us on Nextdoor!

If you have not already joined the LVNA group on Nextdoor then we encourage you to do so. Nextdoor allows separate settings for group posts so it's an excellent way to get curated Lakewood Village-relevant content while filtering out the rest. Board members post reminders about upcoming events and moderators ensure all activity in the group adheres to the group's rules (e.g., content relevant to Lakewood Village, no soliciting, etc.). Note that only Lakewood Village residents are permitted to join. To learn more or to join, visit nextdoor.com/g/alya6yxap

Advertise in the Villager!!

Want to advertise in the Villager? Our printed newsletter goes to over 1600 homes in our neighborhood, and our electronic newsletter is sent out each month. It's a great, affordable way to publicize your business while support your neighborhood association. Please email vp1@lvnasv.org if you are interested in advertising. Prices are shown in the table.

Ad Size	For 1 printed issue	For 6 consecutive printed issues	For 12 consecutive printed issues
Business card	$40	$200	$380
Quarter page	$80	$400	$775
Half page	$160	$800	$1525
Full page	$320	$1600	$3100

Email vp1@lvnasv.org to include an advertisement for your business or to submit your photography from around the neighborhood to be featured on the Villager Cover.
