VOL. 67 EDITION 9 · SEPTEMBER 2024

LVNA Villager

WELCOME TO THE NEWSLETTER OF THE LAKEWOOD VILLAGE NEIGHBORHOOD ASSOCIATION

Welcome to Our "Campaign" Edition!

This month's Villager looks a bit different. First, it's bigger - 12 pages! Second, because our neighborhood will be voting for several races on the November 5, 2024 ballot, this Villager features paid advertisements from candidates in those races. Funds raised from the advertising help pay for LVNA events, and the advertisements provide everyone here with a chance to learn more about the candidates. We offered this opportunity to all candidates, but a couple did not reply.

The advertisements are organized by campaign, in this order:

- Santa Clara County Board of Education (Page 3)
- Sunnyvale City Council member for District 6 (Pages 4-5)
- Sunnyvale Mayor (Pages 6-7)
- Fremont Union High School District (FUHSD) Board Member for Trustee Area 2 (Pages 8-9)
- California State Assembly District 26 (Pages 10-11)

Meet the Candidates: The LVNA board is hosting a "Meet the Candidates" event, which will feature many of these candidates in person. The event is October 19 from 2:00-4:00pm at the Lakewood Park building. Bring your questions and meet the people running to represent our community.

Additional non-campaign content is included in the Villager, so start reading.

LVNA Summer Picnic - Sept 7

Reminder - the annual Lakewood Village summer picnic is in Lakewood Park on September 7 from 11:00am - 2:00pm. There will be games, music, and free food (a taco truck)! Come meet your neighbors and participate in some friendly competition. Please email vp1@lvnasv.org if you have questions, and we'll see you there.

Calabazas Creek Clean Up - Sept 21

Lakewood Village is an annual participant in National River Cleanup Day, when people in the community volunteer to clean up the waterways in Sunnyvale and help keep the community free of litter. Lakewood Village participates in the Santa Clara Valley Water District's Adopt-A-Creek program with semi-annual clean up events.

The next Clean Up event will be held Saturday, Sept 21 from 9:00am-12:00pm. Meet some neighbors and help protect our waterways. To volunteer, meet everyone at the aqueduct bridge that morning. For questions, email board@lvnasv.org.

LVNA General Meeting - October 9

Our next quarterly neighborhood association meeting is Wednesday, October 9, 2024 from 7:00-8:00pm at the Lakewood Park Building. Mark your calendars - agenda and speakers to be announced.

Bringing Back the Lakewood Village Holiday Parade

A reminder that we could still use volunteers to help us bring back the Lakewood Village holiday parade. A devoted group of Lakewood residents is trying to bring the parade back this year. Anyone who worked on this in the past can tell you it can be very rewarding, but takes a great deal of work to pull it off.

Thank you to the people who have already volunteered to help, but we need people to help with planning/staging, marketing, safety/security, decorations, set-up/tear-down and more. Now is the chance to sign up - we need at least six months of planning for this to work.

Let's bring back the Lakewood Village Holiday Parade this year! Email board@lvnasv.org to help make it happen.

Sunnyvale State of the City - Sept 21

The annual Sunnyvale State of the City is Saturday, September 21 from 8:30-11:30am at City Hall (456 W Olive Ave). The event will include unveiling the Arc of Dreams Public Art, the State of the City address, Boards and Commissions Recognition, a presentation of Community Awards, and more. Join to celebrate our friends and community!

Groundbreaking for Lakewood Library - Sept 5

Construction work on the Lakewood Library branch is finally underway! There is a groundbreaking ceremony at the site on Thursday, September 5 at 3:00pm. Everyone is welcome to attend and celebrate getting one step closer to having a library and community center in our neighborhood. The project is planned to complete at the end of 2025, with the new library opening in early 2026.

Volunteers Needed to Support Field Trips at Sunnyvale Heritage Museum

The Sunnyvale Heritage Museum has been offering free field trips for 3rd graders in Sunnyvale for over a decade. We offer a high quality, hands on, small group experience so that students can learn about how their city began and what life was like back in the 1800's. In order for this program to continue we desperately need volunteers. Volunteers are asked to do one or two activities with a small group of students for two hours in the morning. Which days and how many days you volunteer is flexible. One morning a month can help keep our program going, two mornings a month helps us serve more schools. Thank you for your consideration. For more information email schoolprogram@heritageparkmuseum.org.

Dear neighbor,

I will make sure your voice is heard on City Council. My experience as an elected school board trustee deepened my commitment to support District 6 values.

Work with me to build a Sunnyvale where we will ...

- **prioritize** public safety by supporting emergency responders and improving bicycle and pedestrian safety
- **increase** access to pharmacies, restaurants, and grocery stores in Northern Sunnyvale
- **invest** in sustainable materials for soccer fields, cricket pitches, and inclusive children's playgrounds

Re-Elect
SUNNYVALE MAYOR
LARRY KLEIN

Hi Lakewood Neighbors! I'm Sunnyvale Mayor Larry Klein.

I love Sunnyvale. For over 20 years, I've been giving back, working to improve quality the of life and make our great city even better For the last 5+ years, I've been your Mayor, and I've made Mayor my full time job.

I've worked hard in **North Sunnyvale** to ensure that your needs are met and your concerns are answered. For 8 years on Council, I've held **weekly office hours** with residents and small business owners to answer questions, partner on new ideas, and collaborate to solve your concerns.

I'm best prepared to **continue to fight for you**. I've worked to amplify Sunnyvale's regional voice, build badly needed **affordable housing**, and **make our streets safer**. In my eight years on Council and five years as Mayor, I've never stopped fighting for our residents and our community.

I humbly ask for your **vote this Novembe**r, so that I can continue the work to make our community great.

Larry Klein

mayor@larryklein.com

Some of my accomplishments:

Led us through COVID and supported our small businesses with my **Mayor's Restaurant Project** (**www.EatSunnyvale.com** highlighting 250+ Sunnyvale restaurants)

- Brought outdoor **dining to Historic Murphy Avenue** and made it a **permanent Pedestrian Zone**
- Drove the effort to build the **Lakewood Branch Library—***breaking ground in September!*
- Won full funding to clear our **City street tree trimming backlog**
- Proposed and funded our City's first official ***4th of July Celebration*** in decades, here in North Sunnyvale!

Raised Sunnyvale's regional voice and won critical funding from county, state, and federal partners

Larry is endorsed by numerous Sunnyvale residents, Sunnyvale community leaders, local and regional elected officals, including:

Congressman Ro Khanna, CA Assemblymember Evan Low, County Supervisors Cindy Chavez, Susan Ellenberg, & Otto Lee, County Assessor Larry Stone, County District Attorney Jeff Rosen, CA Senator Dave Cortese, Former Sunnyvale Mayors Ron Gonzales, Dianne McKenna, & Jim Griffith, current Sunnyvale Councilembers (VM Srinivasan, Mehlinger, & Sell), local leaders (Cortney Jansen, Peggy Shen-Brewster) ***and many more***!

EXPERIENCE that matters.

VOTE Mayor Larry Klein on November 5th.

Lakewood Village

You have a choice for the next Mayor of Sunnyvale!

IT HAS BEEN AN HONOR TO SERVE as a Sunnyvale City Councilmember since 2017. As your next Mayor, I will fight for Sunnyvale and for Lakewood Village.

I am proud to be endorsed by the Sunnyvale Public Safety Officers Association and by Sheriff Bob Jonsen. My number one priority is Safe and Secure Sunnyvale. We need more cops in Sunnyvale for burglary suppression, traffic enforcement and safe routes to school.

I believe in efficient delivery of government services, because you work hard for your tax dollars! The time is long overdue to fix Lakewood infrastructure and as your Mayor, we will get to the bottom of the maintenance backlog for sidewalks, trees and roads.

I will continue to fight against unnecessary new taxes that would harm our retail businesses and take money from your pocket.

For our residents on Manzano, I will help make sure your voices are heard at Santa Clara City Council as the Patrick Henry project moves forward in that city.

Lakewood Shopping Center

Don't let politicians tell you there's nothing they can do to save retail at Lakewood Shopping Center. That's baloney. I will fight for Sunnyvale! When the Fremont Corners 2 project came to City Council in August 2022, I supported our professional staff and the Planning Commission on a project that was right for Sunnyvale. Unfortunately, other politicians in town voted to give in to the developer. When the Lakewood Shopping Center project comes to City Council in 2025, Sunnyvale deserves a Mayor that has a brass spine and will stand up to developers who want to obliterate retail. That means even if we have to get the lawyers involved.

Lakewood Branch Library

I have supported the Lakewood Branch Library all the way and as your Mayor, will make sure it gets built on time and that it stays on budget ($23 million). The groundbreaking is in September with construction expected to be complete by the end of 2025.

Library Bond Measure

The November 5 ballot will include a vote for a $290 million bond measure to construct a new Main Library in downtown Sunnyvale. This bond measure does NOT impact the Lakewood Library branch project, and it requires a two-thirds majority in order to pass.

The current Sunnyvale Public Library (665 W Olive Ave) was built in 1960. The building has ongoing plumbing, wiring, and roof issues that require frequent, costly maintenance. The current wiring also places limits on upgrading the information technology to meet community needs.

As a result of renovations, the current library is now about 60,000 square feet, twice the size of the original library. In this time, the population of Sunnyvale has more than tripled. In the last year, customers checked out over 1,700,000 physical and digital items, and Library programs were attended by roughly 55,000 people. However, the current library no longer meets the needs of the community, and it has limited space for children's programming, community group meetings, cultural programs, study areas, etc.

The bond measure would finance construction of a new library, which would be 120,000 square feet and three stories tall. The increased space would support 30% more space for the library collection and four times more space for dedicated children and teens areas. The construction of the new Main Library is part of Phase Two of the 2018 City Civic Center Master Plan.

If the bond passes, the estimated initial cost would be $27.47 per $100,000 of assessed (not market) value, applicable to both residential and commercial properties. The rate would decline over the lifetime of the bond. The City has a AAA bond rating, so the City can use the bond to borrow at very low interest rates (lower than other forms of borrowing). The bond is supported by the leading members of the Sunnyvale Chamber of Commerce, argue that libraries are good for business, help companies find valuable information, and create places for cultural engagement with community members.

For additional information (including the text of the bond measure, a Q&A, and a fact sheet), visit the City's "Library Bond Measure" website here: https://tinyurl.com/LibraryBond.

FRANCES Renteria for FUHSD

As a Trustee on the Fremont Union High School Board, I will advocate for Educational Excellence, Parent and Teacher transparency, improve transportation availability for students to commute to school.

My Priorities are:

- Education-Assuring your child is getting the quality education with a curriculum that provides the best opportunities established.
- Safety-Ensuring your child is safe at school.
- Authentic diversity- Embracing true diversity of thought, background and culture that is actual.

Ready For Local Representation On The Multi-City High School District.

Neighborhood Teacher Pat Carpio-Aguilar Seeks to Become First Latina on Fremont Union High School District Board of Trustees

MAESTRA PAT CARPIO IS READY

Between Monday, October 7 and Tuesday, November 5, Sunnyvale voters have the opportunity to make history by electing the first Latina to the Fremont Union High School District (FUHSD) Board of Education. Pat Carpio-Aguilar, a seasoned educator with over 40 years of teaching experience in both the U.S. and Mexico, is running for the newly established Trustee Area 2 in the North Sunnyvale region of FUHSD.

The excitement surrounding Carpio-Aguilar's candidacy was palpable at her campaign kick-off event, held last Saturday at Columbia Park in Sunnyvale. The gathering drew over 200 attendees, including local elected officials, community leaders, educational representatives, and residents, all united in their support for a brighter future for the District's children.

"I am thrilled that Pat is running for FUHSD Trustee Area 2. Her leadership and vision are exactly what we need," said Rommy Kushner, a Sunnyvale resident and paraeducator at San Miguel Elementary School. "She brings a unique perspective that will greatly benefit our community."

FUHSD serves the cities of Sunnyvale, Cupertino, San Jose, Saratoga, and Los Altos. In May 2024, the FUHSD Board of Trustees voted to transition from at-large to trustee area elections, responding to concerns that Latino families, particularly those in North Sunnyvale, have been historically underrepresented on the board.

Trustee Area 2, the newly created district, encompasses most of Sunnyvale north of Evelyn Avenue. Records from the past 50 years indicate that this area has never had a representative elected as a school board member, and a Latina has never had the opportunity to represent the community's interests on the board—until now. Carpio-Aguilar's candidacy embodies the intention behind local representation by trustee area divisions.

While she understands and represents the unique needs of the North Sunnyvale community, Carpio-Aguilar is prepared for a seat at the table to contribute to policy decisions affecting the District as a whole. Her priorities are to elevate student voices, remove barriers so that every student can thrive at school, and to promote safety and a sense of well-being for all students.

With over 40 years of experience in education, fluency in three languages, multiple advanced degrees, and a wealth of experience both locally and abroad, Carpio-Aguilar is uniquely positioned to advocate for all the district's students. Her global perspective, combined with a deep understanding of local issues, promises to bring a refreshing balanced and inclusive approach to the board.

“I’ll fight hard for people who work hard – not big corporations.”

Measure Y - Renewal of Sunnyvale School District Parcel Tax

Also on the November 5 ballot is Measure Y, which is a vote to renew an existing $59 per year parcel tax for the Sunnyvale School District (SSD). SSD supports 8 elementary schools (including Fairwood Elementary and Lakewood Elementary) and 2 middle schools (including Columbia Middle School).

The parcel tax was first approved in 2011. A “yes” vote on Measure Y votes to renew parcel tax for another eight years. Measure Y only passes if two-thirds of votes support it. The tax is $59 per parcel (or dwelling unit) per year. The $59 parcel tax is also less than the nearby school districts such as Palo Alto ($905), Mountain View Whisman ($191), and Saratoga ($68).

The parcel tax raises about $1.1 million dollars annually to support classroom programs. The parcel tax funds help the district keep class sizes smaller, support qualified teachers, and maintain computers and technology at each school.

An Independent Community Oversight Committee of local residents monitors and reviews all parcel tax expenditures to ensure funds are spent for the benefit of local students. No money from the parcel tax is spent on district administration or pensions.

People with exemptions from the current parcel tax will be exempt from this parcel tax automatically. There are also exemptions available for anyone who is at least 65 years old and/or disabled, and owns and resides in their home.

Neighborhood Watch Program

LVNA has started a pilot Neighborhood Watch program. The success of it will depend on each of us and our engagement in our community. If you're like many of us, you are aware of the crime issues in our neighborhood. Our goal is to do something constructive and take ownership of what we can do, in partnership with Sunnyvale police, to make a positive change for good. Our pilot program is on Prescott Ave and Pecos Way. If you live on another street and are interested in participating on your streets, contact Linh 650-405-1560, treasurer@lvnasv.org.
