WELCOME TO THE NEWSLETTER OF THE LAKEWOOD VILLAGE NEIGHBORHOOD ASSOCIATION

Event Announcements

Welcome to Our Second "Campaign" Edition!

This is the second - and final - edition of the Villager with campaign ads. The ads cover several of the races on the November 5, 2024 ballot. Funds raised from the advertising help pay for LVNA events, and the advertisements provide everyone here with a chance to learn more about the candidates. We offered this opportunity to all candidates, but a couple did not reply.
The advertisements cover the campaigns in this order: California State Assembly District 26, Fremont Union High School District (FUHSD) Board Member for Trustee Area 2, Sunnyvale Mayor, Sunnyvale City Council Member for District 6, and Santa Clara County Board of Education

Additional non-campaign content is included in the Villager, so start reading.

Thank you to the Creek Clean-Up volunteers!

Saturday, September 21 was the annual National Creek Clean-Up Day and the California Coastal Cleanup Day. Thank you to the 13 volunteers who came out to help clean up Calabazas Creek (Site #31), between Wildwood and Tasman Ave. Volunteers cleaned up 4500 pounds of debris over the course of a few hours and returned approximately 20 usable shopping carts to Walmart.

As a reminder, Lakewood Village is an annual participant in National River Cleanup Day, when people in the community volunteer to clean up the waterways in Sunnyvale and help keep the community free of litter. Lakewood Village participates in the Santa Clara Valley Water District's Adopt-A-Creek program with semi-annual clean up events. You can find other information about creek clean-ups here: https://cleanacreek.org/upcoming-events/ and watch future Villagers for information on our next clean-up event in 2025.

Proud to be a resident of Lakewood Village!

Measure Y Fact Sheet

On Tuesday, November 5, 2024, all of the voters in the Sunnyvale School District will be asked to renew the District's $59 per year parcel tax. First approved in 2011, the measure will continue to provide the School District with a reliable, local source of funds to support and maintain high academic standards for the students in our eight elementary and two middle schools. Measure Y will last for eight years and requires two-thirds voter approval for passage.

Measure Y protects our schools. Since approved by voters in 2011, the parcel tax has raised approximately $1.1 million annually to support our 10 schools. Without these additional local funds, the district would have been forced to reduce or eliminate classroom programs and services including science, libraries, and technology.

Measure Y funds will allow the district to continue to:

- Protect district programs such as math, English, and science
- Attract and retain highly qualified teachers and staff
- Keep class sizes as small as possible
- Maintain computers and technology used by students and teachers

Measure Y provides for strict accountability as funds are spent. An Independent Community Oversight Committee will monitor and review all parcel tax expenditures. This committee of local residents will make sure that all funds are spent as planned for the benefit of local students.

An exemption is available for those 65 and over and the disabled. An exemption from the parcel tax is available to those who are at least 65 years old or disabled and own and reside in their home. Anyone currently exempt from the parcel tax will continue to be exempt. You do not need to re-apply for an exemption.

None of these funds will be spent on district administration. All of the funds raised by Measure Y will be spent in our local classrooms.

For more information about the Sunnyvale School District please visit the District's website at www.sesd.org.

Neighborhood Teacher Pat Carpio-Aguilar Seeks to Become First Latina on Fremont Union High School District Board of Trustees

Between Monday, October 7 and Tuesday, November 5, Sunnyvale voters have the opportunity to make history by electing the first Latina to the Fremont Union High School District (FUHSD) Board of Education. Pat Carpio-Aguilar, a seasoned educator with over 40 years of teaching experience in both the U.S. and Mexico, is running for the newly established Trustee Area 2 in the North Sunnyvale region of FUHSD.

The excitement surrounding Carpio-Aguilar's candidacy was palpable at her campaign kick-off event, held last Saturday at Columbia Park in Sunnyvale. The gathering drew over 200 attendees, including local elected officials, community leaders, educational representatives, and residents, all united in their support for a brighter future for the District's children.

"I am thrilled that Pat is running for FUHSD Trustee Area 2. Her leadership and vision are exactly what we need," said Rommy Kushner, a Sunnyvale resident and paraeducator at San Miguel Elementary School. "She brings a unique perspective that will greatly benefit our community."

FUHSD serves the cities of Sunnyvale, Cupertino, San Jose, Saratoga, and Los Altos. In May 2024, the FUHSD Board of Trustees voted to transition from at-large to trustee area elections, responding to concerns that Latino families, particularly those in North Sunnyvale, have been historically underrepresented on the board.

Trustee Area 2, the newly created district, encompasses most of Sunnyvale north of Evelyn Avenue. Records from the past 50 years indicate that this area has never had a representative elected as a school board member, and a Latina has never had the opportunity to represent the community's interests on the board—until now. Carpio-Aguilar's candidacy embodies the intention behind local representation by trustee area divisions.

While she understands and represents the unique needs of the North Sunnyvale community, Carpio-Aguilar is prepared for a seat at the table to contribute to policy decisions

MAESTRA PAT CARPIO IS READY

affecting the District as a whole. Her priorities are to elevate student voices, remove barriers so that every student can thrive at school, and to promote safety and a sense of well-being for all students.

With over 40 years of experience in education, fluency in three languages, multiple advanced degrees, and a wealth of experience both locally and abroad, Carpio-Aguilar is uniquely positioned to advocate for all the district's students. Her global perspective, combined with a deep understanding of local issues, promises to bring a refreshing balanced and inclusive approach to the board.

Recap of Lakewood Library Groundbreaking

On Thursday, September 5, members of the community gathered at Lakewood Park for the groundbreaking of the new Lakewood Library. The Library is expected to open in early 2026. The Library is a joint project of the City of Sunnyvale, Sunnyvale School District (SSD), and the Fremont Union High School District (FUHSD) to develop a branch library in North Sunnyvale. Attendees included Sunnyvale Mayor Larry Klein, SSD Superintendent Michael Gallagher, FUHSD Superintendent Graham Clark, Sunnyvale City Manager Tim Kirby, and many, many more.

The crowd gathered to listen to remarks at the library groundbreaking. Photo courtesy of Cortney Jansen.

The branch library "is a testament to the power of partnership. Together, our school district, the city, and the high school district have worked tirelessly to bring this vision to life," said Superintendent Gallagher, noting that the library "will inspire learning, foster creativity, and strengthen the bonds that connect us all." Mayor Klein noted that the library marks "a significant new chapter in the City's history [and] represents a commitment to access, inclusion, and opportunity." The library "will have comprehensive amenities and services to support life-long learning for children, teens and adults. It will have amazing new spaces for the community to gather, learn, create and play."

We also had several candidates who will be on the November ballot attend, including Patrick Ahrens, Pat Carpio, current Sunnyvale School Board Member Eileen Le, and Richard Lesher. A special shout out to Choco's Tacos for catering an amazing selection of homemade tacos! Thank you to the City for bringing a fire truck for the kids to explore. Finally, thank you to Christy, Linh, Rena, and Bev for their hard work to make the picnic a success.

TIME FOR EDUCATIONAL EXCELLENCE

Lakewood Village

You have a choice for the next Mayor of Sunnyvale!

IT HAS BEEN AN HONOR TO SERVE as a Sunnyvale City Councilmember since 2017. As your next Mayor, I will fight for Sunnyvale and for Lakewood Village.

I am proud to be endorsed by the Sunnyvale Public Safety Officers Association and by Sheriff Bob Jonsen. My number one priority is Safe and Secure Sunnyvale. We need more cops in Sunnyvale for burglary suppression, traffic enforcement and safe routes to school.

I believe in efficient delivery of government services, because you work hard for your tax dollars! The time is long overdue to fix Lakewood infrastructure and as your Mayor, we will get to the bottom of the maintenance backlog for sidewalks, trees and roads.

I will continue to fight against unnecessary new taxes that would harm our retail businesses and take money from your pocket.

For our residents on Manzano, I will help make sure your voices are heard at Santa Clara City Council as the Patrick Henry project moves forward in that city.

Lakewood Shopping Center

Don't let politicians tell you there's nothing they can do to save retail at Lakewood Shopping Center. That's baloney. I will fight for Sunnyvale! When the Fremont Corners 2 project came to City Council in August 2022, I supported our professional staff and the Planning Commission on a project that was right for Sunnyvale. Unfortunately, other politicians in town voted to give in to the developer. When the Lakewood Shopping Center project comes to City Council in 2025, Sunnyvale deserves a Mayor that has a brass spine and will stand up to developers who want to obliterate retail. That means even if we have to get the lawyers involved.

Lakewood Branch Library

I have supported the Lakewood Branch Library all the way and as your Mayor, will make sure it gets built on time and that it stays on budget ($23 million). The groundbreaking is in September with construction expected to be complete by the end of 2025.

BUILDING A NEW SUNNYVALE MAIN LIBRARY

Information about the Nov. 5, 2024 Library Bond Measure

We built the Main Library in 1960. Since then, our population has tripled. Despite renovations, the Library's size and configuration make it difficult to meet the high demand for programs and services. Improvements have become expensive and difficult to put in place. As a result, Sunnyvale's City Council voted to place a bond measure on the ballot to fund design and construction of a new Main Library.

EXISTING MAIN LIBRARY CHALLENGES

- It lacks space for children's services, our highest demand.
- It lacks enough group study rooms or areas for teens.
- The current configuration limits the number and variety of programs we can host.
- The building needs frequent plumbing, roof and other maintenance repairs.
- The configuration of the Library and the existing wiring limit options for adding or changing technology.

PROPOSED MAIN LIBRARY FEATURES

- 120,000 square feet *(twice the size of the current Library building)*
- Three stories tall
- Space for the total collection of the Library to grow by 30%
- Expand by four times the spaces dedicated for children and teens
- Located across from Sunnyvale's City Hall at the Civic Center

ABOUT THE LIBRARY BOND MEASURE

- $290 million General Obligation bond
- To pass, at least 66.7% of voters need to approve
- Property owners would pay a maximum of $27.47 per $100,000 of a property's assessed value while bonds are outstanding*
- Applies to all residential and commercial properties

**Assumes a 25-year bond with an average interest rate of 4%*

MAIN LIBRARY QUICK FACTS

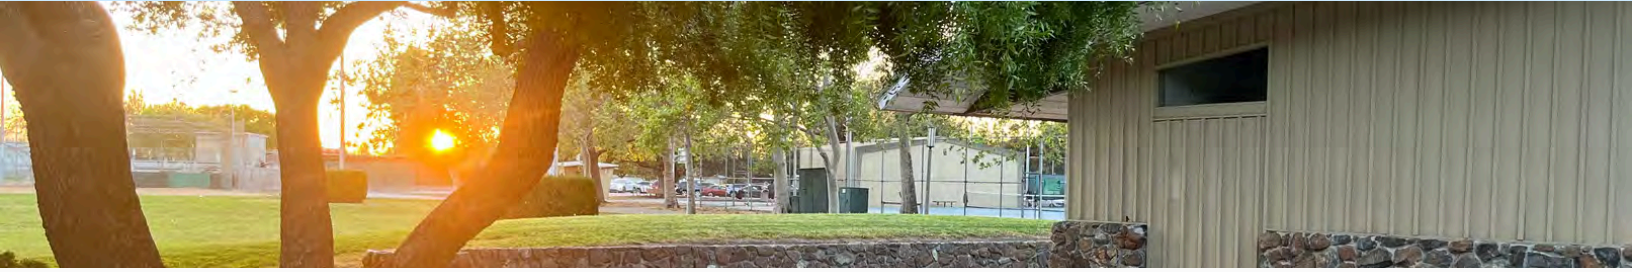

The Sunnyvale Main Library strives to provide life-long learning and connection in our community. People use the Library for educational and cultural programs. Many also use the Library to learn to read, prepare for jobs, study for school, and access computers and the Internet.

- **380,000** *Visitors*
- **1.7 Million** *Materials Borrowed*
- **800,000** *Children's Materials Borrowed*
- **55,000** *Library Program Attendees*

LVNA Receives Donation from Walmart

The Lakewood Village Neighborhood Association (LVNA) is excited to announce a generous donation of school supplies from Walmart to support Fairwood Explorer Elementary and Lakewood Elementary. Representing LVNA, Quyen F. worked closely with Walmart manager Kareen, who generously provided essential items such as notebooks, journals, folders, and sheet protectors. These contributions will ensure that students have the tools they need to succeed in the classroom, and we are incredibly grateful to to Kareen and Walmart for their support. LVNA remains committed to partnering with our neighborhood schools to assist students and families. By working together, we aim to provide the resources and opportunities that will help our children thrive both academically and personally. This donation is just one example of how our community comes together to support education, and we look forward to continuing these collaborations with Fairwood Explorer and Lakewood Elementary in the future.
