WELCOME TO THE NEWSLETTER OF THE LAKEWOOD VILLAGE NEIGHBORHOOD ASSOCIATION

Neighborhood President's New Year's Message

Dear Neighbors,

Happy New Year!
As we step into 2025, I want to take a moment to reflect on the incredible sense of community we've built over the past year. 2024 brought us together in ways that showed just how strong we are when we unite with a common purpose. Whether through neighborhood events, helping each other during times of need, or simply sharing moments of joy, we've made our community a wonderful place to call home.
One of the highlights of 2024 was the return of our beloved Christmas Parade. It was truly a spectacular event, and it was heartwarming to see so many of you come together to make it such a success. A special thank you to Rena Flovin for her hard work and dedication in bringing the parade to life.
We also revived our annual picnic and introduced a new tradition—cleaning up the Calabazas Creek twice a year in collaboration with the Santa Clara Valley Water District. None of these events could happen without the dedicated efforts of our neighbors. I encourage each of you to consider volunteering and contributing to the continued betterment of our community.
Looking ahead to 2025, we have much to anticipate. We're excited to continue improving our neighborhood, focusing on sidewalk repairs, tree trimming, and enhancing street lighting. These initiatives will make our community even safer, more welcoming, and visually appealing.
I'd like to extend a special thanks to Mayor Larry Klein, City Manager Tim Kirby, and all the City Council members for their ongoing support of the Lakewood Village Neighborhood Association. Their dedication and collaboration have been invaluable, and we are deeply grateful for their efforts in helping our neighborhood thrive.
Let's make 2025 a year of connection, kindness, and positive change. I am so honored to serve as your neighborhood president and to be part of such a caring and committed community.
Wishing you all a year filled with health, happiness, and prosperity!

Warmly,
Rick Flovin
President, Lakewood Village Neighborhood Association

Recap of Holiday Parade

Although the weather made it a challenge, the storm subsided, a rainbow appeared and our holiday parade proceeded to the delight of the neighborhood. We were led by the Fremont High School Band, followed by the Girl Scouts, Love on Leash, Dog Scouts of America, Sunnyvale Christian School, Lakewood Elementary School Principal Carly Sturm, Sunnyvale City Council members Eileen Le and Richard Mehlinger, Sunnyvale Vice Mayor Murali Srinivasan, Sunnyvale City Manager Tim Kirby, State Assembly Member Patrick Ahrens, followed by the Department of Public Safety Fire Engine with our resident Santa, Al Wright, and his daughter, the elf. We are a non-profit and couldn't have made this possible without the donations of our local Walmart Neighborhood Store, Tony Bugna & Joan Simon, the City of Sunnyvale, and the generous support of a number of neighborhood volunteers.

Safe Routes to School – Lakewood Elementary Update

The City of Sunnyvale has a $1.7M state earmark to implement several Safe Routes to School (SRTS) improvements identified at the intersection of Lakechime Drive and Meadowlake Drive near Lakewood Elementary School.

Here is the update from Tim Kirby, Sunnyvale City Manager, from fall 2024:

The improvements include curb radius reductions, curb extensions to reduce crossing distances, ADA curb ramps, high visibility crosswalks, and pedestrian safety signs and striping. In addition, the City will be implementing green stormwater infrastructure to better facilitate stormwater runoff in the area. Streetlights will be strategically relocated to enhance lighting conditions and improve visibility for travelers near this intersection. These improvements are designed to improve the overall safety and connectivity for students when walking or biking to school. The next steps are to complete the design and request bids for construction. The project has to be completed no later than June 30. 2027, but the City hopes to complete it sooner.

- More details can be found in the City's Active Transportation Plan (ATP). The section of the ATP that covers the improvements around Lakewood School can be viewed at https://tinyurl.com/LakewoodSRTS

LVNA Board Elections

Are you passionate (or even just interested in) our neighborhood? Do you enjoy meeting new neighbors? Would you be willing to help build a tight-knit (Lakewood) Village for yourself, your friends, and the next generation who's currently growing up right outside your door or even in your own backyard?

Please join the LVNA board! There are five board positions: President, 1st Vice President, 2nd Vice President, Treasurer, and Secretary. The current board's positions end in April and a new board will begin. The board meets once per month to discuss ongoing activities, in addition to holding quarterly neighborhood general meetings and a few seasonal events each year. The level of commitment is up to each individual - these are all volunteer roles. It is a one-year term (April 2025 - March 2026). The only requirements are that you are 18+ years old, live in the neighborhood, and are able to serve the full 12 month term. Elections are April 9 at 7:00pm in the Lakewood Park Building.
