WELCOME TO THE NEWSLETTER OF THE LAKEWOOD VILLAGE NEIGHBORHOOD ASSOCIATION

We Need Volunteers – Lakewood Village Needs YOU!

Our neighborhood thrives because of people like you, and right now, we need your help to keep it strong! We're looking for volunteers to step up and make a difference. Are you skilled with websites or social media? We need your expertise to keep our community informed. Do you enjoy photography? Help us capture the heart of our events. If organizing and securing resources is your strength, join our Procurement team. And if you're a parent of Lakewood School students, be our liaison to build a stronger bridge between our community and education.

We also urgently need neighbors to host block parties—these events are the backbone of our community spirit! Don't wait for someone else to step up; now is your chance to make a meaningful impact. Whether you have an hour a week or just want to pitch in for an event, there's a role for you. contact board@lvnasv.org today to volunteer. Lakewood Village is OUR neighborhood—let's keep it thriving together!

Donate to LVNA—Your Support Keeps Our Events Alive!

Lakewood Village Neighborhood Association (LVNA) is now a 501(c)(3) non-profit organization. This milestone means your donations are tax-deductible—and they're more important than ever. Events like the Summer Picnic, block parties, Dumpster Day, Holiday Parade & Lights Contest that bring joy and connection to our community wouldn't have been possible without funding from generous neighbors like you. These cherished traditions depend on your support to continue. Help us keep these events alive and create new opportunities for our neighborhood by donating today at treasurer@lvnasv.org. Every dollar counts toward building a stronger, more vibrant community!

A Goodbye and a New Beginning: A New Villager Content Editor

By Cortney Jansen, LVNA Content Editor

It is with mixed feelings that I write this to announce that, after nearly four years as the Villager Content Editor, I am resigning. This is my last Villager. I'm excited to welcome Richard Lahey and Xiang Ji, who will be the new Villager Content Editors, starting with the March Villager..

I started writing content in May 2021, in the first few months of COVID. I had lofty plans in my first several months, introducing monthly scavenger hunts, continuing the "Meet Your Neighbor" column, and highlighting local non-profit organizations. I'm particularly proud of the work with the Sunnyvale Heritage Museum on a two-part series on the history of Lakewood Village, written by Katharina Woodman. (Did you miss those articles? Check out "Lakewood...Before There was Lakewood" on page 5 of the June 2021 Villager https://lvnasv.org/villager/villagerArchive/2021/villager_2021_6.pdf and "The Checkered History of Lakewood Village" on page 4 of the September 2021 Villager https://lvnasv.org/villager/villagerArchive/2021/villager_2021_9.pdf.")

I enjoyed following the recent transition of the Fremont Union High School District (FUHSD) school board elections from at-large to trustee area elections, which resulted in the election of the first-ever FUHSD trustee from the 94089 zip code. We now have a City Councilmember (Eileen Le) who lives north of 101, a FUHSD trustee (Pat Carpio-Aguilar) who lives north of 101, a State Assembly member for our district who lives in Lakewood neighborhood (Patrick Ahrens), and an open seat for the Sunnyvale School District (and the person selected for that post will also live north of 101 - see the article on page xxx). That's four people from North Sunnyvale providing critical representation for our community.

We have the Lakewood Library branch construction underway. The renovation of Lakewood Park begins later this year. A less happy change is the upcoming loss of our Lawrence Shopping Center, which will be replaced with approximately 100 townhouses as part of the Village Center Master Plan. There is so much happening in our community.

Our neighborhood is getting the representation we deserve, but it only happens with engaged residents. We need your help. There are opportunities to serve on the Lakewood Village Neighborhood Association (LVNA) board, to volunteer at the creek clean-up, host a neighbor block party, remind our City that we have sidewalks and streets that need some love and attention, and more. Please email board@lvnasv.org to join our work. It can be as little as 30 minutes a month (or as much as you want).

On a final note, I would like to say a huge thank you to Amina Mohiuddeen, our new Villager Layout Editor. Amina started in October, taking over the position from Nathan Chan. Welcome, Amina, and thank you to Nathan for all his work!

Good luck, Richard and Xiang! I can't wait to see what you do with the Villager newsletter!

LVNA Board Elections

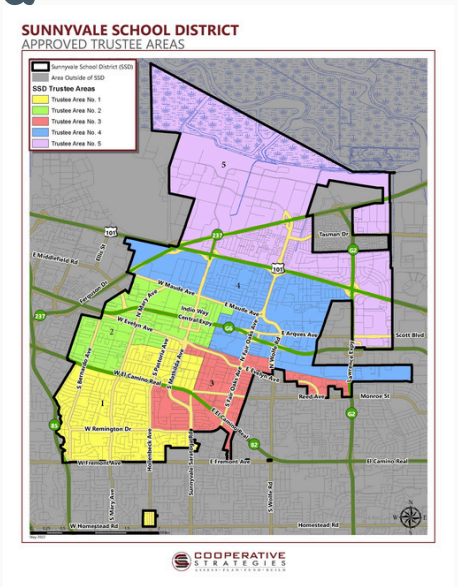

Are you passionate (or even just interested in) our neighborhood? Do you enjoy meeting new neighbors? Would you be willing to help build a tight-knit (Lakewood) Village for yourself, your friends, and the next generation who's currently growing up right outside your door or even in your own backyard?

Please join the LVNA board! There are five board positions: President, 1st Vice President, 2nd Vice President, Treasurer, and Secretary. The current board's positions end in April and a new board will begin. The board meets once per month to discuss ongoing activities, in addition to holding quarterly neighborhood general meetings and a few seasonal events each year. The level of commitment is up to each individual - these are all volunteer roles. It is a one-year term (April 2025 - March 2026). The only requirements are that you are 18+ years old, live in the neighborhood, and are able to serve the full 12 month term. Elections are April 9 at 7:00pm in the Lakewood Park Building. For more information, please email board@lvnasv.org.

New Parking Rules to Follow

You may have heard about a new “daylighting” law. California Assembly Bill 413 went into effect on January 1, 2024, but citations only started on January 1 of this year. “Daylighting” prevents vehicles from parking near crosswalks. The purpose is to make it easier for drivers to see people using crosswalks, reducing the likelihood that a car hits someone in the crosswalk.

The law changes the rules about parking on the streets. It is now illegal to stop or park a vehicle within 20 feet of an intersection or 15 feet of an intersection that has a curb extension or “bulb-out”. This area that is now off-limits for parking is referred to as the “clear zone”.

The law applies regardless of if there are signs or curb markings, and it applies to the vehicle approach side of the crosswalk, regardless of if the crosswalk is marked or unmarked. The law applies even if the curb is not painted red.

The City of Sunnyvale has begun painting affected curbs red, but the work is still underway. The City is starting in places with high pedestrian activity, such as recreational facilities, senior communities, and schools.

Vehicles that violate the law will be fined $53. People can report vehicles parked in the clear zone by calling the non-emergency public safety number at 408-730-7100.
