WELCOME TO THE NEWSLETTER OF THE LAKEWOOD VILLAGE NEIGHBORHOOD ASSOCIATION

President's Letter

In my New Year's message in the January newsletter, I shared with you the incredible progress we made as a community in 2024 and outlined our first set of priorities for 2025: sidewalk repairs, tree trimming and improved street lighting. On January 14th, 2025, I addressed the Sunnyvale City Council about these priorities. I stressed that sidewalk repair and tree trimming are not just about aesthetics. They are also about safety and sanitation. Sidewalks pushed up by tree roots are hazards, particularly for children and the elderly. When the trees aren't trimmed, street lights are obscured, increasing nighttime risks. Some parts of our streets are never cleaned because street cleaners can no longer fit under the trees. That's a neglect of basic sanitation.

I have great news. As those of you who attended the February 12 LVNA general meeting know, the tree trimming has begun! I want to thank City Manager Tim Kirby and Mayor Larry Klein for hearing our concerns and quickly taking action. They've promised me that the trimming will continue until all the trees in Lakewood are trimmed. I ask all of you to keep watch to make sure this happens. Don't hesitate to report problems with trees to the City of Sunnyvale at (408) 730-7506. There are also numbers listed on the back cover of this newsletter for street light and sidewalk issues, abandoned cars and shopping carts, and other concerns you may have. You can also use the Access Sunnyvale portal on the web (https://sunnyvale.dynamics365portals.us) to make online service requests to the city.

I also want to thank Eileen Le, our Council Member from District 6, and Richard Mehlinger, the Council Member from neighboring District 5, for their support for our priorities at City Council, and for attending the February 12 LVNA general meeting to hear concerns directly from LVNA residents. As Councilmember Mehlinger said at the general meeting, our concerns often overlap with those of the residents in his district. We welcome his assistance and look forward to working with him and our neighbors in District 5.

Next up as our priority - and this was clear from the February 12 general meeting - is public safety. It was great to have Officer Joe Melo from Sunnyvale Department of Public Safety at the meeting. Officer Melo heard directly from residents, including some who have experienced multiple burglary attempts. Officer Melo explained that the city has had limited ability to cover such a wide geographic area, but three more positions have been recently approved, which should improve things. Officer Melo encouraged us to keep our homes well lit and discussed the effectiveness of motion lighting. He also suggested we get to know our neighbors to look out for one another and be aware of suspicious activity and/or expand our pilot program of Neighborhood Watch.

Lakewood Village is an amazing community of over 1600 households. Together we are making our community safer and more beautiful, friendlier and more neighborly. Stay tuned for future updates. And please monitor progress on tree trimming, sidewalk repair, and public safety issues. Help us on the LVNA Board help you by holding our good friends at the City of Sunnyvale accountable to keep their promises.

Rick Flovin

President, Lakewood Village Neighborhood Association

Valley Water Cleans Calabazas Creek

Valley Water's Good Neighbor team has been making a concerted effort over the last year to restore Calabazas Creek between Tasman Road and Highway 101 to what it was intended. Valley Water crews are working with Sunnyvale PD and outreach services to relocate folks away from this waterway. The goal is to have this section designated as a "No Camping Zone" under the Water Resource Protection Zone (WRPZ) Ordinance. You can learn more about the Good Neighbor Program and the WRPZ ordinance by visiting the following website: https://www.valleywater.org/project-updates/good-neighbor-program-valley-water-addressing-encampments-unsheltered-people

General Meeting Report

Our February 12th General Meeting was packed with updates, discussions, and great conversations about how we can all make Lakewood Village a better place. If you missed it, here's what you need to know—and how you can get involved!

Tree Trimming & Reporting Issues

The city has been out trimming trees and cleaning up the neighborhood, and there's more to come. Want to help keep things moving? Use Access Sunnyvale (https://sunnyvale.dynamics365portals.us/) to report concerns and make sure issues stay on the city's radar. The more we report, the faster things get done!

Expanding Neighborhood Watch

With recent break-ins on Prescott Ave, many neighbors are eager to expand the pilot Neighborhood Watch program to the whole community. Safety starts with looking out for each other. Let's work together to keep Lakewood Village secure! Email board@lvnasv.org if you want to join, have suggestions, or simply want to learn more.

Special Guests & Community Connections

We were joined by Council Members Eileen Le (District 6) and Richard Mehlinger (District 5), as well as Officer Joe Melo from Sunnyvale DPS. They shared insights, answered questions, and encouraged all of us to stay engaged.

Your Neighborhood, Your Voice!

Whether it's reporting an issue, joining Neighborhood Watch, or just staying informed, your involvement matters. Let's keep building a stronger, safer, and more connected Lakewood Village together!

More Ways to Stay Connected!

Great news, neighbors! Big thanks to Evelyn Profeta, who just helped create a new Facebook group to bring our community closer together. Join us here: www.facebook.com/groups/lvnasv to connect, share updates, and stay informed.

We also have an active Nextdoor group: www.nextdoor.com/g/alya6yxap, so be sure to join there too! More social media activities are on the way to keep our neighborhood engaged.

Let's build a stronger community together!

Free Tax Support For Seniors and Low Income Residents

Tax season will be upon us before we know it! Are you a senior or a low income resident making less than $150,000 per year? Do you need help with your taxes this year? AARP volunteers are volunteering their time to help seniors and low income residents with their taxes for free.

Sessions take place at **Sunnyvale Community Services, 1160 Kern Ave** (across from Sports Basement). Call **(408) 475-1335** for an appointment.

See Abandoned Shopping Carts in Our Neighborhood?

Call (408) 730-7680!

It's a familiar sight for many of us in the neighborhood—shopping carts abandoned on sidewalks, street corners, and even in front yards or on the Calabazas Trail or in the creek bordering our neighborhood. While it might seem like a minor nuisance, these stray carts pose several challenges to our community's safety and aesthetics.

Why Are Shopping Carts Left Behind?

Abandoned shopping carts often result from residents using them to transport groceries or other items home, especially for those without access to vehicles. However, once the carts serve their purpose, they're often left behind rather than being returned to the store.

The Impact on Our Community

- **Safety Hazards**: Carts left on sidewalks can obstruct pedestrians, including those with strollers, wheelchairs, or mobility aids. When left in streets, they become road hazards for drivers and cyclists.
- **Aesthetic Concerns**: Stray carts can make our otherwise beautiful neighborhood appear cluttered and unkept.
- **Environmental Impact**: Over time, abandoned carts can deteriorate, contributing to unnecessary waste and rust runoff.
- **Costly for our Precious Local Retailers**: Replacing stolen carts is an additional cost for our local retailers that we will ultimately pay the price for.

How You Can Help

- **Report Abandoned Carts**: If you spot a cart in the neighborhood, call the grocery cart/graffiti hotline at (408) 730-7680 for cart retrieval and let them know the specifics of where the cart or carts are located and what retailer they belong to. They should respond within 72 hours. I've called this number multiple times and it really works!
- **Spread the Word**: Share this message with friends and neighbors to raise awareness.
- **Volunteer**: Join or start a neighborhood effort to address the issue collaboratively.

Let's work together to keep our neighborhood safe, clean, and welcoming for everyone. Small actions, like returning a cart or reporting an abandoned one, can make a big difference. Together, we can ensure our streets remain cart-free and community-friendly!

60% OFF SimpliSafe for Lakewood

Simplisafe is making a special offer to our neighborhood only for 60% off the retail price! For $176 you get 2 motion detectors, 2 door alarms, 2 smoke and carbon dioxide sensors, 1 free indoor camera as well as 3 months of free service.

This offer can only be redeemed by contacting Manny at (857) 770-9668 ext. 6069 6A-3:30PM Monday-Friday. Let him know you live in Lakewood Village and are redeeming the special offer. They will confirm your address is in our neighborhood.

Help Fix Lakewood Village! Report Issues Today

The LVNA board is working to compile a list of the most neglected areas in Lakewood Village, and we need your help! Our goal is to identify the Top 10 Worst Spots in the neighborhood and share them with the City of Sunnyvale to push for much-needed repairs and improvements.

What Issues Should You Report?

Look around Lakewood Village and let us know about areas that need attention, including but not limited to:

- Sidewalks that are cracked or unsafe
- Potholes that need filling
- Overgrown trees in need of trimming
- Abandoned vehicles that are taking up space
- Neglected properties that impact our community's appearance

How to Submit a Report

The more reports we get, the stronger our case! You can submit issues in two easy ways:

1. Email us with specific details (exact addresses, descriptions, and photos if possible) at **board@lvnasv.org**.
2. Report directly to the City via **Access Sunnyvale** (https://sunnyvale.dynamics365portals.us). This officially enters your complaint into the system. If you do this, let us know so we can help follow up!

Together, we can make Lakewood Village a safer, cleaner, and better-maintained community. Thank you for taking the time to report issues and advocate for our neighborhood!
