THE VILLAGER

VOL. 5 NO. 11 LAKEWOOD VILLAGE RESIDENT'S ASSOCIATION NOVEMBER 1962

Board Votes NO!

At the last L.V.R.A. Board of Directors meeting the pros and cons of the Santa Clara County water bond issue were discussed. The Board voted unanimously to recremend a no vote on the water bond proposal.

It was the feeling of the Directors that the present proposal is unfair to the residents of Lakewood Village and Sunnyvale. In reaching their decision they felt that the present financing of the water bond would increase the taxes of the people of this area without them deriveing any benefites from the program. It was further found that the residents of this area are under an obligation which does not expire for approximately twenty years to purchase all imported water from Hetch-Hetchi water project.

It was felt that shouls this bond be approved the residents of this area would only be helping to defray the expense of furnishing water to the south county residents.

Church Plans To Build

As you drive by Lakewood Methodist Church you have probably noticed some changes. The church has recently sold some of its property and nine homes are being built on the property.

Now that our building is free and clear and we have some cash in the bank the church is looking forward for a number of new things. Recently we appointed a Strategy Committee to investigate the possibility of building. This committee will begin to meet and attempt to determine which building we should build next. We have plans for building a small chapel, a Sunday School unit and finally a sanctuary. The church is here to serve the community and we will be trying to find the best way to serve the community as we look forward to building.

One way in which we serve the community is through our Sunday School. At the present time we have about 200 children enrolled in Sunday School and are therefore in need of more space. We are going to attempt to solve this problem by enclosing the backporch of the church which would give us four more class rooms.

Another change which we are trying to work on is landscaping the church grounds. We would like to have a church which not only serves the spiritual needs of the community but also adds to the beauty of the area. We have recently had a donation of 30 red leave plum trees which will shortly be planted on our property. We are also laying plans for the landscaping of our whole three acres. We hope to have it all planted in grass.

Lakewood Methodist Church is a community church and we want to serve Lakewood Village. We can serve the community, however, only when we know what the people want. We invite you join with us as we attempt to serve the community.

PARKING PROBLEM?

IN BY TRAVELS THROUGH THE VILLAGE, I HAVE NOTICED A FEW PEOPLE PARKING THEIR CARS ON THE FRONT LAWNS. THEY ARE REALLY FEW IN NUMBER, HOWEVER IF ONLY ONE DOES THIS IT DISTRACTS FROM THE WHOLE NEIGHBORHOOD. IT NOT ONLY LOOKS UNDESIRABLE, BUT WILL ALSO DAMAGE THE LAWNS. LOOK AROUND, THOSE THAT CARE, PARK THEIR CARS EITHER ON THE STREET, DRIVE WAYS OR IN THE GARAGES. THIS IS ONLY A MINOR VIOLATION OF "GOOD HOUSEKEEPING" RULES, BUT IT IS A VERY IMPORTANT ONE.

STANLEY SYLVESTER

West To East

DEAR BOB,

YES THE VILLAGE IS BEGINNING TO LOOK MUCH BETTER WITH ALL THE NEW PAINT. THE RAINY SEASON IS JUST AROUND THE CORNER AN THE PAINT NOT ONLY LOOKS GOOD BUT PROTECT THE HOMES AS WILL. SAY DID YOU NOTICE TH WE ARE GETTING NINE NICE NEW HOMES IN THE VILLAGE NEAR THE MITHODIST CHURCH? THESE HOMES ARE AN ASSET TO THE VILLAGE.

I NOTICE IN THE PAPERS THAT THE BOARD OF DIRECTORS OF L.V.R.A. ARE RECOMMENDING A "NO" VOTE ON THE COUNTY WATER BOND. I UNDERSTAND THAT THEY FEEL THAT THE RESIDE OF SUNNYVALE SHOULD NOT BE REQUIRED TO HEL PAY THE BILL FOR THE SOUTH COUNTY RESIDEN AND INDUSTRY WHEN THEY THEMSELVES CANNOT GET ANY BENEFITS FROM THE COUNTY WATER PLA

SORRY TO REPORT WE HAD ANOTHER FIRE IN THE VILLAGE. I THINK IT IS COMMENDABLE THE MANNER IN WHICH THE VILLAGE RESIDENTS PITCH IN AND HELP IN AN EMERGENCY. IT MAKES YOU PROUD TO BE A PART.

MUST START LOOKING FOR MORE MEMBERS. SO BACK UP YOUR POLE AND START LOOKING FOR FIRES EAGLE EYE.

8 YEARS EXPERIENCE WITH LEGISLATURE

Don't forget the Gravy

One of the best accompaniments for a roast or braised meat dish is plenty of good brown gravy. Perfect gravy is easy to make. After a little experience, you can do it without even a sidelong glance at a measuring cup. But at first it pays to measure ingredients carefully.

Pot Roast Gravy

1. Remove meat from pan to hot platter.
2. Pour all liquid and fat into separate container. Meat juices and cooking liquid will settle to bottom. Fat will rise to top.
3. Skim off fat with spoon, returning only 4 tablespoons to pan.
4. Heat fat and stir in 4 tablespoons flour gradually.
5. Add two cups of cooking liquid and meat juices. If necessary, add enough water to make this quantity.
6. Cook over low heat, stirring constantly until smooth and thickened. Scrape bottom of pan to loosen any meat particles.
7. Season to taste with salt and pepper and, if desired, a dash of Worcestershire sauce, pinch of herbs or a spoonful of horse-radish.

For onion gravy, lightly brown finely sliced or minced onions in fat before adding flour.

Gravy from Oven Roasts

In making gravy from an average-sized rib roast of beef or pork, veal and lamb roasts, the procedure is slightly different from the above. As no water is added to the roast during cooking, only fat and drippings are left in the pan.

Skim off all but two or three tablespoons of fat; stir in 2 or 3 tablespoons flour and slowly add 1 to 1½ cups water. Cook over low heat until well thickened, stirring constantly. Season to taste. When a rib roast of beef is cooked to the *rare* stage, there will be few drippings and it will not yield much gravy. In this case use less fat, flour and liquid.)
