PRESIDENTS CORNER -

It's that time again. The 20th of the month, and the deadline for having articles and ads to the editor for the paper.

It's school time again and all the kids are in school, plus a new bunch that are starting this year. There are children crossing every street, going to school, coming from school, and also going to the shopping center. So, PLEASE, everyone driving on our streets, watch out for children, especially the younger ones. Remember, THE CHILD YOU SAVE MAY BE YOUR OWN.

OCTOBER 7th, Mayor Hayden will be at our next General Meeting to answer any questions you may have for him. Mrs. Evans from the Library Board will also be present to answer questions about our Libraries. So, everyone interested in the welfare of the Village and Sunnyvale, come to the meeting and direct your questions to Mr. Hayden or Mrs. Evans. Both will have capable assistants with them to assist in answering any and all questions. So come to the next General Meeting, October 7th, and bring a friend or two along.

STEVE COOLLEY

Welcome to LVRA

Only one renewal and one new member for our welcome this month.
Ron Anders - Renewal
Edward Page - New Member

Perhaps some people don't realise that the LVRA, as it's name states is a residents association, You need not be a homeowner to join,

If you live in Lakewood Village either as a homeowner or a tenenant, you should belong to the LVRA. Stand up and be counted, your membership gives Steve Coolley the backing he and the other members of the board need to go to the City Council and be heard. Ladies, your membership entitles you to belong to the Social Committee, a great bunch of gals that welcome your friendship.

OUR LAST LVRA MEETING WAS HELD IN THE OPEN AIR. I'M TOLD THIS WON'T HAPPEN AGAIN THIS MONTH.

MAYOR HAYDEN, AND CITY MANAGER DEVER MRS. EVANS, AND MR MORALES OF THE LIBRARY BOARD WILL BE OUR GUESTS AT OUR NEXT MEETING ON OCTOBER 7TH. WHY DON'T YOU MAKE IT A POINT TO COME TO THE MEETING AND GET TO KNOW SOME OF OUR REPRESENTATIVES, I'M TOLD THERE SHOULD BE A LIVELY QUESTION AND ANSWER SESSION?

GROUND BREAKING CEREMONIES WILL TAKE PLACE ON SUNDAY AFTERNOON, OCT. 26, 1958 AT 3 P.M. FOR THE LAKEWOOD METHODIST CHURCH AND CONSTRUCTION IS DUE TO BEGIN THE FOLLOWING DAY.

OFFICIATING AT THE CEREMONIES WILL BE DR. CARL STOCKING, PROGRAM SECRETARY OF THE CONFRENCE COUNCIL OF THE CALIFORNIA-NEVADA ANNUAL CONFRENCE OF THE METHODIST CHURCH.

"FROM THE EXECUTIVE BOARD"

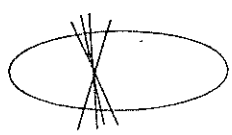

ARE THERE ENOUGH RESIDENTS IN LAKEWOOD VILLAGE THAT CARE ENOUGH FOR THEIR AREA, HOMES, AND FAMILIES TO SPEND $2.00 PER YEAR (NOW $2.50) AND 2 HOURS A MONTH FOR MEETINGS TO GET THE THINGS DONE THAT THEY WANT DONE AND IF IN OUR POWER, WHEN WE WANT THEM DONE.

IF WE HAD THE MEMBERSHIP POTENTIAL THAT IS APPARENT IN LAKEWOOD VILLAGE, GREATER THINGS COULD BE ACCOMPLISHED. THE SHOPPING CENTER COULD HAVE BEEN SPEEDED UP AND MAYBE NEARING COMPLETION IF THERE HAD BEEN EVEN 40% OF THE TOTAL RESIDENTS IN THE ASSN.

THE CRUX OF THIS ARTICLE MEANS THAT THE ASSN. HAS AN OBLIGATION TO THE PEOPLE OF LAKEWOOD VILLAGE BUT THE PEOPLE IN TURN, TAKE ALL OF THE THINGS THAT HAVE BEEN DONE FOR THEM FOR GRANTED, WHETHER OR NOT THE ASSOCIATIONS DOINGS, WITHOUT CONSIDERING ANY SUPPORT IN RETURN.

COMMENT: CONSIDERING HOW MUCH HAS BEEN ACCOMPLISHED IN THE PAST TEN YEARS WITH SUCH A SMALL PERCENTAGE OF HELP OF THE RESIDENTS, IT STAGGERS THE IMAGINATION TO THINK HOW MUCH COULD HAVE BEEN DONE IF WE ALL COULD HAVE BANDED TOGETHER IN GREATER STRENGTH. IT IS A SHAME TO THINK THAT PEOPLE DO NOT REALIZE HOW MUCH POWER THEY HAVE IF ONLY THEY BAND TOGETHER. HOW OFTEN HAVE YOU SAID, "BUT WHAT CAN I DO, I AM ONLY ONE MAN?" JOINED TOGETHER YOU CAN DO ANYTHING AND EVERYTHING, WHETHER FOR YOUR COMMUNITY, CITY, COUNTY, OR COUNTRY.

MORE FACTS, FIGURES AND COMMENTS OF TEN YEARS AGO ---- NEXT MONTH.

LAKEWOOD SCHOOL NEWS:

Sunnyvale Spending Thousands on Stink

THE CITY IS FIGHTING TO WARD OFF THE "BIG STINK" FROM CANNERY WASTES THAT LAST YEAR BLANKETED THE VALLEY.

IT'S SHELLING OUT $11,486 FOR AN EXTRA 200 TONS OF CHEMICALS TO TREAT AN UNEXPECTEDLY HEAVY VOLUME OF CANNERY WASTE.

THE CITY'S BIG CANNERIES DAILY ARE POURING OUT 80,000 TO 100,000 LBS OF WASTE AND ITS TREATMENT PLANT CAN PROCESS ONLY 50,000 LBS. DAILY.

PURCHASE OF THE CHEMICALS WILL "MINIMIZE ODORS" ACCORDING TO D. M. SOMERS, DIRECTOR OF PUBLIC WORKS.

SUMMER IS ALWAYS A TOUGH SEASON ON THE CITY'S SEWER PLANT. LAST YEAR THE "BIG STINK" CAUGHT PUBLIC WORKS DEPT. WHEN TWO TREATMENT PONDS WERE SHUT DOWN FOR MODIFICATION. AND COMPLAINTS POURED IN FROM ALL OVER THE SOUTH BAY.

PURCHASE OF THE CHEMICALS THI YEAR WILL LOWER SUNNYVALE'S UNAPPROPRIATED FUND BALANCE TO ABOUT $65,000.

WILSON AND GEO. MEYER & CO. SUPPLIED SUNNYVALE WITH 600 TONS OF THE CHEMICAL EARLIER THIS YEAR AND WILL SUPPLY THE ADDITIONAL 200 TONS ALSO.

ATTENTION: WORKING MOTHERS

As you know, the Sunnyvale School District offers child care at the Chilorен's Center at 550 East Olive St., supported in part by state funds. This center can accept few, if any, more school age children because the nearby Ellis School does not have room for them.

The school district is considering opening another child care center, probably in Lakewood Village. Dr. John Mattila, who is in charge of this program for the school district would welcome evidence that such a service is needed.

Assuming that it is needed, the Lakewood United Methodist Church is considering setting up a temporary child care program for school age children only, which would offer supervision of children before and after school until about supper-time.

The church is interested in knowing of parents who might be interested in such a program. The church would have to make a small charge for the service but could underwrite it to a limited extent.

One effort to gather a group of parents to help work out details for such a program produced no response.

If you are in need of child care for your children on work days and if they are now attending one of the three Lakewood Village schools, we would like to discuss the problem with you.

Please call Rev. Robert Sanford at 245-8786 or Mr. or Mrs. Charles De Shong at 245 8955.

The Upward Look

BY REV. ROBERT SANFORD

PROBABLY THE WORST PUBLISHER'S GUESS IN RECENT HISTORY IS THAT OF THE AMERICAN BIBLE SOCIETY. IT CAME OUT WITH A NEW TRANSLATION OF THE NEW TESTAMENT IN COMMON EVERYDAY ENGLISH AND CALLED IT "GOOD NEWS FOR MODERN MAN." THEY HOPED TO SELL 150,000 COPIES. SO FAR, THEY HAVE SOLD OVER 10,000,000 AND ARE STILL PRINTING AS FAST AS POSSIBLE TO MEET THE DEMAND!

AT CLARK COLLEGE, VANCOUVER, WASHINGTON, STUDENTS GAVE COPIES OF DR. J.B. PHILLIPS TRANSLATION OF LUKE'S GOSPEL, UNDER THE TITLE, "THE INSIDE STORY," TO THEIR CLASSMATES, ALONG WITH A LETTER WHICH WENT SOMETHING LIKE THIS:

"DEAR CLASSMATE:

IT'S BEEN NEARLY 2,000 YEARS SINCE A CONDEMNED, BEARDED NON-CONFORMIST WAS DRAGGED TO A JUNK HEAP OUTSIDE A CITY SO COSMOPOLITAN THAT HIS DEATH SENTENCE WAS WRITTEN IN THREE LANGUAGES. THIS MAN WAS CRUELLY KILLED AND CAREFULLY BURIED.

"WE DON'T KNOW IF HE EVER HAD A SHAVE OR A SUNBURN OR HOW HE LIKED HIS EGGS. IT WAS SAID, THOUGH, THAT ON THE CROSS HE REFUSED A DOSE OF A MIND ALTERING DRUG. IT WAS RUMORED THAT HE TALKED WITH GOD AND ANGELS AND THINGS LIKE THAT. WE KNOW HE TALKED WITH PEOPLE AND HE REALLY TURNED THEM ON. THIS MAN SAID HE'D NEVER DIE AND MANY PEOPLE TODAY SAY THAT FOR THEM HE'S VERY MUCH ALIVE!

"THIS LITTLE BOOK WAS WRITTEN BY MEN WHO KNEW HIM. IF YOU READ IT, YOU CAN KNOW HIM, TOO, AND HE WILL PUT A NEW SPIRIT INTO YOUR LIFE.

"AS YOU READ, DON'T LOOK FOR THINGS YOU CAN'T BELIEVE, BUT FOR THINGS YOU CAN."

DO YOU READ THE BIBLE? DO YOU STUDY IT? NEAR YOU THERE IS A CHURCH WHERE YOU CAN GET A BIBLE WHICH YOU CAN UNDERSTAND, WHERE YOU CAN STUDY IT, AND WHERE YOU CAN FIND A FELLOWSHIP OF THOSE WHO HAVE FOUND SOMETHING GOOD IN IT.

VOTER REGISTRATION DRIVE CONCLUDED

THE VOTER REGISTRATION DRIVE SPONSORED BY THE LVRA HAS NOW BEEN CONCLUDED. OUR DEPUTY REGISTRARS HAVE REGISTERED A TOTAL OF 1,120 VOTERS DURING THIS ELECTION YEAR. AS CHAIRMAN FOR THIS DRIVE I WISH TO THANK ALL THE WOMEN INVOLVED IN THIS DRIVE FOR THEIR GENEROUS CONTRIBUTION OF TIME AND EFFORT. I FEEL THAT WE HAVE BEEN VERY SUCCESSFUL.

URSULA GOBETS

PAID POLITICAL AD

Grayson S. Taketa says:

(On jobs) "The Vietnam effort has seriously curtailed research and development in the technological industries and threatens job security in our own area. One of the major employers in our district has laid off ten per cent of its work force this year. More jobs and job security depend on our efforts to encourage research and development and our efforts to begin now to direct our economy to peacetime productivity. Job training for those lacking today's skills should be encouraged and incentives offered to private industry to enter more fully into this effort."

(On education) "We must provide the fullest educational opportunity for all our children. We must have programs to provide better educational facilities and strengthen and expand such programs as Headstart."

(On equality) "The dream of Martin Luther King must become a reality: That one day this nation will rise up and live out the true meaning of its creeds--we hold these truths to be self-evident...that all men are created equal."

HOW IS YOUR GARDEN "CLEAN-UP" PROJECT GOING? YOUR FLOWER BEDS LOOKING LIKE A WEED-PATCH? WELL, JOIN THE CROWD!

MY FRONT YARD HAS BEEN RECEIVING ALL THE ATTENTION, BUT MY BACKYARD, WELL.....

MY IRIS BED HAS TO HAVE IT'S DEAD LEAVES PULLED OUT AND THE RHIZOMES (FLESHY ROOT STOCK) DUG OUT AND DIVIDED. I DO THE DIVIDING EVERY 4 YEARS. THERE IS ONE CENTRAL ROOT WITH OFF-SHOOTS GROWING FROM IT. I BREAK OFF AS MANY OFF-SHOOTS AS I WANT AND THROW AWAY THE REST. THEN I DIG IN SOME MULCH AND FERTILIZER TO RE-BUILD THE SOIL AND RE-PLANT MY RHIZOME SO THE TOP OF IT (THE ROOT) IS JUST ABOVE THE SURFACE OF THE SOIL. TWO YEARS LATER I'LL HAVE A BEAUTIFUL FLORAL DISPLAY.

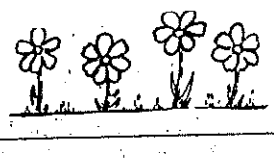

I THINK I'LL ALSO DIG UP MY DAFFODILS. AFTER SEVERAL YEARS THEY BEGIN TO GET CROWDED AND NEED TO BE THINNED OUT.

MOST OF MY ROSES ARE IN THE BACK YARD ALSO, AND THEY WILL GET THEIR SHARE OF ATTENTION. I'LL GET OUT MY PRUNNING SHEARS AND I'LL SLASH AND PARRY LIKE E. FLYNN THROUGH THE THORNS AND SPIDER WEBS TO VICTORY. WHEN I FINISH MY BUSHES WILL BE ABOUT WAIST HIGH AND WELL SPRAYED AGAINST APHIS AND ANTS.

I WANTED TO PLANT ANOTHER TREE, AS THIS IS THE TIME, BUT MY WIFE SAID WE HAVE ENOUGH. INSTEAD I'LL RE-SEED MY LAWN. THIS IS THE LAST MONTH TO PLANT A LAWN BEFORE THE RAINS COME.

THE ONE ITEM I'LL HAVE TO CLEAN-UP IS THE EMPTY SNAIL SHELLS. I SHOULD GET A SMALL PAIL AND FILL IT, AS I FOLLOWED MY OWN ADVISE AND PUT OUT SNAIL-BAIT. VOILA! WHAT A MASSACRE. BUT STILL THEY COME. OUT GOES THE BAIT AGAIN!

IT IS A JOB TO CLEAN-UP FOR WINTER, BUT TO RE-BUILD THE SOIL, CUT DOWN ON PLANT DISEASE AND PESTS AND MADE ARRANGEMENTS FOR A BEAUTIFUL SPRING IT IS WELL WORTH THE EFFORT.

Phenobarb And The Pill

TUCKAHOE, N.Y. — The sedative phenobarbital decreases the potency of oral contraceptives on the rat uterus, reports Dr. Wayne Levin of the Wellcome Research Laboratories here.

'Studies will be made to find out whether or not the pill's effectiveness in humans might be decreased by a combination of the drugs.

Officials of the Food and Drug Administration are planning to recommend government grants to study the problem. So far, they say there has been no report of decreased effectiveness of oral contraceptives when they are used with phenobarbital.

OVERWEIGHT?
FAD DIETS & REDUCING DRUGS WON'T HELP

There's no mystery about being overweight. It's a simple reflection of what and how much you eat. Most of our food is used to provide us with energy and heat. If we take on more calories in food and drink than we put out in energy, what is not used is stored as fat. If the calories we take in are fewer than those we expend, we draw on our supply of stored fat and lose weight.

The energy we put out varies from day to day, depending on the amount and the kind of work we do, and on the surrounding temperature. The amount of food we need, therefore, also varies. This balance between intake and output is automatically regulated for most people by what is called the appetite center, a group of cells in the hypothalamus, a small area near the base of the brain. When this regulating mechanism works, the individual does not eat when he does not need the fuel; in other words, he is habitually a reasonable consumer of food.

Many factors can contribute to our ignoring our appetite center and developing damaging food habits. Some people have over-eaten since childhood in response to the coaxing of solicitous mothers who urged food upon them. Others blunt the communications from the appetite center with alcohol. And still others for emontional reasons ignore the message from the brain which tells them that they have had enough. When overweight ensues, as it inevitably will, the only practical way to cope with it is to retrain your eating habits through a day-to-day pattern of eating no more than the right amounts of a normal mixture of foods.

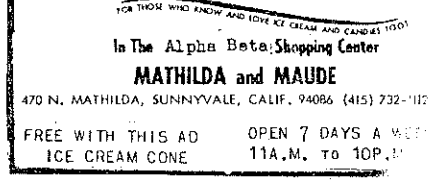

The key word here is mixture. The all-or-nothing character of most fad diets does you little lasting good and may do harm. This goes for the diet that is all liquid, the one which is limited to pineapple and lamb chops, to bananas and skim milk, the low protein diet, the high protein diet, or the favorite three years ago -- The Low Carbohydrate or so-called "drinking man's diet".

If anyone could endure the monotony of any of these restricted diets indefinitely, he might indeed lose weight, although he might also develop constipation, secondary anemia, and other ailments. But once the period of diet is over, he has not accomplished the most important factor: he has not learned good eating habits. He reverts to his old habits and gains back what he has lost, if not more.

Nor is the situation improved by the use of the so-called reducing drugs. One of the most widely used of these appetite depressants is the "goof-ball", a stimulant to central nervous system which is popular with some so-called "turned-on" people. It goes without saying that the use of it does not contribute to the development of good food habits, and it can lead to a drug addiction. Another drug is a hormonal substance which is used in combination with a 500 calorie diet -- which, without the drug, would undoubtedly result in as much weight loss. Patients who are administered this drug are seen daily by doctors, and this supervision probably contributes to the weight loss. However, neither this nor any "magic formula" trains the patient to acquire a sound pattern of eating.

If you want to eat in a way that will achieve a normal weight for you and hold it there, you must be persistent enough to follow a normal mixed diet of the proper caloric value week after week until the habit is firmly & finally imbedded. Your doctor can tell you what the diet should be, but only you can make it work.

Let's Try It Again, But Slowly!

LOS ANGELES (AP)—Election year confusion hit a new high Sunday at the Simi Valley Democratic Club when this announcement was made:

Humphrey Nixon, Republican, may vote for Humphrey. Mrs. Nixon, a Democrat, plans to write in McCarthy. Mrs. Nixon's father is a Wallace backer. And Humphrey's father is voting for Nixon.

It was explained that Humphrey Nixon, a 39-year-old technical writer, is a Republican who says he may vote for Hubert Humphrey. His wife, Sara, is a Democrat who plans to write in Sen. Eugene McCarthy. Her father, from Talladega, Ala., supports Wallace. Humphrey Nixon's father, whose name also is Humphrey Nixon, says he'll stick with Nixon.

A club member said it was "a little confusing at first."
