THE L.V.N.A.
VILLAGER
January 2002

Happy New Year!

- Editor

This year brings a few changes to your LVNA:

- We have a new President, Craig Crawford. Craig is no stranger to the LVNA; see below for his introduction.
- John Mayer has moved out of the area, and is no longer a Vice President and Newsletter Editor.
- Brian Smithson has joined us as the new Newsletter Editor.

Let's hope that 2002 is a year of peace and prosperity for all!

LVNA Meeting on Wednesday, January 16th, 7:00 p.m.

All residents of Lakewood Village are encouraged and invited to attend these meetings. You will meet your neighbors, learn about upcoming events of special interest to our community, have a chance to voice your concerns and opinions and help work towards a better neighborhood. Children are welcome.

Next meeting:

Date: Wednesday, January 16th
Time: 7:00 p.m.
Place: Fairwood School

Meet your new LVNA President

- Craig A. Crawford
LVNA President

Thank you for letting me serve Lakewood Village once again. I will try to carry on the traditions of the fine work of the past Presidents. Let me tell you about myself:

- Past President of the LVNA in 1995
- 1st Vice President of the LVNA in 1999
- Parade coordinator for five Holiday Parades
- Co-coordinator of two summer LVNA picnics
- One daughter at Fremont High School
- One daughter at Columbia Middle School
- Lakewood resident since 1982

I have developed a list of potential topics that could be focus items in the coming year, and have published it in this issue of the Newsletter. This is only a list of possible focus items, and so if you have different ideas for the direction of the LVNA, let me know and we can consider them. Take a look at the list and decide which are your hot topic items. Come to the next LVNA meeting and lets talk about the LVNA direction.

Vision for the New Year, 2002

- Craig A. Crawford
LVNA President

As President of the Lakewood Village Neighborhood Association, I have a vision and direction that I want to share with my neighbors. I want to improve the quality of life that we enjoy in this wonderful location. To do this areas of concern have to be identified. I have included several items that I believe need attention and would like for my administration to focus on. This is an open-ended list that will be dynamic as new needs arise. Feel free to bring concerns to my attention, everyone has different areas of concern, and I want to know yours.

Improving attendance and recruiting new leaders

I believe that improving the attendance of regular LVNA meetings is very important. It is there that we meet and cultivate the new leaders of the organization that will guide us in the future. New neighbors will move in and old ones will leave us but we want the LVNA to continue so that its service will be available. The organization will make every effort to recruit future leaders so that we may remain a strong voice in the Northern end of Sunnyvale.

(continued on page 2)

Some Ideas that I have are:

- Hanging a LVNA banner from the corner of Lakewood and Sandia. Put it up before the meeting and taken down after meeting to let people know about the LVNA meeting.
- Phone tree to call and remind folks about the meeting and events.
- Welcoming new residents to Lakewood.

Traffic Calming

Since Santa Clara put a huge multi-screen movie complex on our border, traffic has been heavy. I believe that public safety and other traffic related city departments have been sensitive to this issue. The city has recently conducted a traffic survey in the village. This survey should reveal the problems that have plagued us for quite awhile. With those results, we can work on options that can be used to make traffic in the neighborhood safer and, hopefully, slower.

(continued in next column)

(continued from previous column)

Some of the traffic issues that I see are:

- How to slow people down on the Fairwood side going to the movies.
- Accidents at Lawrence and Sandia.
- Wildwood & Lawrence Expy, how to make it safer.

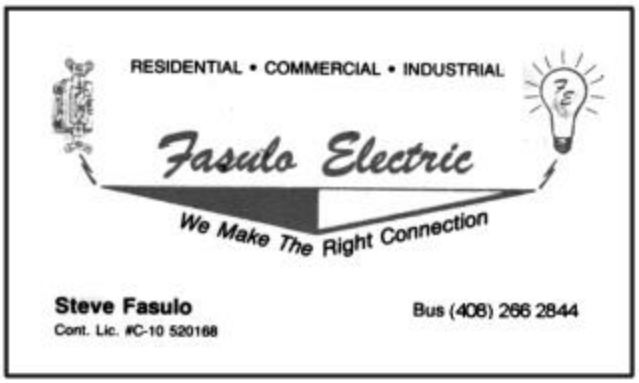

Obvious illegal additions

With the tight housing market comes some problems that we are all aware of: illegal additions. I have seen some really sad excuses of trying to fit more people into Lakewood houses. These obvious illegal additions take away from the neighborhood; they don't add anything except an eye sore. I don't mind illegal additions that are done well, good carpentry, painted and blend in to the neighborhood. The ones that I don't like are the ones with a rough door cut into the garage door leading to the garage conversion apartment. Non-painted illegal conversions are also bad. I will be working with city staff to identify these and try to get them cleaned up. If they are rentals houses with out of area owners, then I will double my efforts to have them cleaned up. We have been taken advantage of long enough by out-of-area owners that only want the money but give nothing back to Lakewood except a run down house.

Some of the other problems associated with illegal conversions are:

- Create parking problems.
- Create traffic problems.
- Quality of life goes down.

(continued on page 3)

(Vision for the New Year, continued from page 2)

Unkempt landscape not conforming to city codes

Landscape that is not kept to a minimum standard, according to city codes, has gotten really bad in the past. We have new and improved city staff and I am sure that they will help Lakewood with this problem. I am not asking for harassment, but I am talking about meeting city code standards. There is no excuse for six people to live in a house and no ones takes care of the cutting the grass or weeds in the front. I want to find out if most of the violators are rental house with out-of-area owners. I have a feeling that this is the case, but I need some data to confirm this. If it is the case, then I will try to have something done to the absent owners for the actions of their tenants.

If we have any residents who are not able to care for there property for legitimate reasons, I want to have a volunteer group that can help this neighbor out. This is your time to help out, or perhaps your teen that needs volunteer hours for school.

Illegally-parked commercial vehicles and RV's

Past LVNA administrators have focused on commercial vehicles in Lakewood. I will continue with this item. Really big vehicles that are parked in violation of city code rules are not good for the Village and it takes away valuable parking space that is in short supply. RV's that are being lived in, which have extension cords running to them or generators running , are not allowed and should be moved to a storage facility not in the middle of a residential area. I have no problem with on-call vehicles from your company being here, you have to make a living. If you run a business from your house and have a really big vehicle it does not belong here

(continued in next column)

(continued from previous column)

Keeping up the cleanliness of the commercial plaza formerly called Dick's Plaza

For several years Dick's plaza was run down and dirty looking. When the owner was trying to attract new business he cleaned it up. At this time it is looking O.K to good. I want to keep it that way or better. This plaza has a new anchor store that has a long-term lease. The incentive to keep putting money into keeping it clean and in good upkeep is gone so it has the possibility of back sliding to what is once was We need to stay diligent in watching this plaza. The city will help us if they are notified when you see anything that needs work.

These are some of the items that I have noticed that Lakewood has need to improve on. If you have some please let me know so we can help correct them. If on the other hand you don't agree with me then I want to hear your voice also.

- Craig

Opportunity Knocks

- Editor

Your Association is in need of a few good folks to help get the message out. It takes only a few minutes a month, gets you out of the house into the fresh air, and gives you an opportunity to meet some of your neighbors. If you can devote some time as a Newsletter Walker, please call Elena at 745-6028. It's a great way to make a contribution to the Neighborhood!

Accident Victim Seeks Witnesses

- Editor

Residents near the intersection of Lawrence Expressway and Sandia/Lakehaven may recall that there was a serious traffic accident on the evening of Saturday, October 13th, 2001. Evidently, a van made a left turn against a red light and collided head-on with an SUV. The driver of the SUV was trapped in the wreckage for some 20 minutes and has suffered a variety of broken bones and other injuries from which he is still recovering. He is seeking witnesses of the accident and has had a banner placed on the corner of the intersection. If you witnessed this accident, he would appreciate a call at (408) 744-9644.

Lakewood Village Home Wins Architectural Design Award

- Brian Smithson

The American Institute of Architects, Santa Clara Valley Chapter, held its "Visions of the Valley" design contest in late 2001, and one of the awards was given to our remodeled Lakewood home! I'm fairly sure that this is a first for Lakewood Village, it's definitely a first for my wife and me, and I hope it's an honor for our neighborhood, too.

Of the dozens of design entries, most of the winners were large, expensive, commercial and civic structures. Our's was one of only two private residences that won an award. Another winning design in Sunnyvale, which you may be familiar with, is Yahoo!'s new headquarters campus on Mathilda near Lockheed Martin.

In case you haven't guessed which home in the neighborhood is our's, you can see it at Burntwood Court and Sandia Avenue. You can see it and the other winners on the AIA's web site at:

http://www.aiascv.org/awards/

The winners were also featured in the November, 2001, issue of San Jose Magazine.

And, you can take a look at the drawings and photos that our architect submitted for the contest on my as yet unfinished web site, at:

http://www.smithsonhouse.com/aia_photos/AIA_photos.htm

Don't forget to take down those holiday lights!

- Craig Crawford
LVNA President

The Holiday lighting is great fun in December, but only in December. In July looking at a house that still has its lights up is not fun. Have you seen your neighbors with the strings of lights still up in summer except now they are droopy and hanging down, staples long gone, you know those icicle type that are so nice in December and so ugly in summer. So remember take them down this will make Lakewood look good year round.

Fremont Pool News

- Holly Lofgren
Chairperson, Friends of the Fremont Pool

Greetings L.V.N.A. Villager Readers,

The Friends of the Fremont Pool Committee is still hard at work on our new community swimming pool. We wanted to bring you up to date on current news.

The 50-meter swimming pool is well under construction at Fremont High School and the new public shower building has just broken ground. The pool will be open to the public once the shower building is completed in June. However, students may have an early opportunity to use the pool this spring, as it will soon be water ready. How exciting!

The contract between the City of Sunnyvale and the Fremont Union High School District allows for usage from 5AM until 10PM, year round. The City is currently determining who should operate the pool for the community groups. Sometimes the city finds that it is more cost effective for an outside group to run certain operations than it is for the Parks & Recreation Department. However, three key issues have been raised by our group. They are the assurance of: A) Reasonable fees, B) The community's priorities are utilized in pool scheduling, and C) Proper oversight is provided of a pool operator.

Items A and B will be addressed in a study session, likely to be scheduled in January. We hope you will attend to ensure that EVERYONE can utilize the pool.

Blessings to you this holiday season.

Holly Lofgren
Chairperson, Friends of the Fremont Pool

Parking Reminders

-Editor

Remember to follow City Parking regulations. Failure to follow any of the following Parking regulations could result in you receiving a Citation and/or having your vehicle abated.

(continued in next column)

(continued from previous column)

- SMC 19.48.260 - Vehicles must be parked on a permanent paved surface. The entire vehicle must be parked on a permanent paved surface, not just the tires.
- SMC 9.24.180 - Inoperable vehicles parked on private property can only be out in public view for 72 consecutive hours; after that they must be stored in a garage or a carport out of public view.
- SMC 10.16.130 - Vehicles parked on the street must be licensed and operable, and cannot be left in one location for more than 72 hours (3 days).
- 22500(e) + 22500 (f) V.C. - Vehicles should be parked so they do not block or partially block the public sidewalk or a neighbor's driveway.
- SMC 9.26.030(s) + SMC 19.48.260 + 4000(a)V.C. - Boats must be licensed and stored on a trailer which is operable and registered. Boats must also be covered and parked on a permanent paved surface.

Bookmobile Schedule

The Sunnyvale Library Bookmobile will be in Lakewood Village during the following times:

Fairwood School
Fairwood Avenue, Sunnyvale
January 10th and 24th
2:15 to 3:00 p.m.

Lakewood School
Lakechime near Silverlake, Sunnyvale
January 10th and 24th
2:45 to 3:30 p.m.

Street Sweeping Schedule

Every other Tuesday is your street sweeping day! Please do not park your car on the street from 6:30 a.m. to 3:00 p.m. on street sweeping days.

Making the whole street available for sweeping helps keep the neighborhood clean and clears the gutters and storm drains as well.

Upcoming street sweeping days are:

January 15th and 29th
February 12th and 26th

Olympic Torch Relay Celebration

- Laurie Aguinaga

The Olympic torch will be passing through San José. Come gather in front of the Center for the Performing Arts on Almaden Boulevard to watch inspiring local torch bearers bring the torch down Park Avenue to Almaden Boulevard where the celebration will take place. At the celebration site, see the celebration stage entertainment, the Coca Cola Video Wall, the Chevrolet Interactive Trailer and local Olympian celebrities.

When:	January 18, 11am - Noon
Where:	Almaden Blvd. at Park Avenue in San José
How Much:	Event admission is free!
More Info:	(408) 277-5144

From the Editor's Desk

- Brian Smithson, Editor

I'd like to take a moment to introduce myself. I'm a technology manager, my wife is a software architect, we've been Lakewood residents since 1980, and we love this neighborhood.

I volunteered to be the Editor of this newsletter because the newsletter has always been a valuable information resource for me, and I hope that I can continue to develop and improve it.

I'll try to write a little piece each month about the newsletter, but since I just took on the job and am already up against my first deadline, let me just say that I welcome your comments,

(continued in next column)

(continued from previous column)

corrections, suggestions, complaints, and in particular, your own articles for publication. You can contact me most easily by email at

lvna_editor@yahoo.com

or give me a call at (408) 738-5939.
