LVNA Elections

- Craig Crawford
President, LVNA

Elections for the new 2002 – 2003 board are going to take place at the April meeting. If you are interested in a Leadership position in the Best Neighborhood Association in Sunnyvale come out and put your name in the running. A position with the LVNA is one of honor and prestige; you will meet with the movers and shakers that will shape Lakewood and the City of Sunnyvale today and in the future. If you don't like the way the LVNA operated and you don't vote then don't complain. You can change the way the LVNA is run by voting someone into office that more closely resembles your ▶ vision. Bring your ballot with you to the April meeting and vote for the officers that will provide leadership for the next year. Ballots will be available at the door if you forget to bring one. ■

Presidents Column

- Craig Crawford
President, LVNA

The renovation of the downtown area is progressing at a rapid pace. This month's speaker is Robert (Bob) Paternoster; he is the Director of Community Development for the City of Sunnyvale. He also has direct oversight and management of the downtown development projects that are occurring in Sunnyvale.

These projects include 460,000 square feet of office space and 10,000 square feet of retail space at Washington, Evelyn, and Mathilda; redevelopment of the Town Center Mall; redevelopment of the Caltrain station; and potential redevelopment of Town and Country Village. He will share the latest information with the group and answer questions.

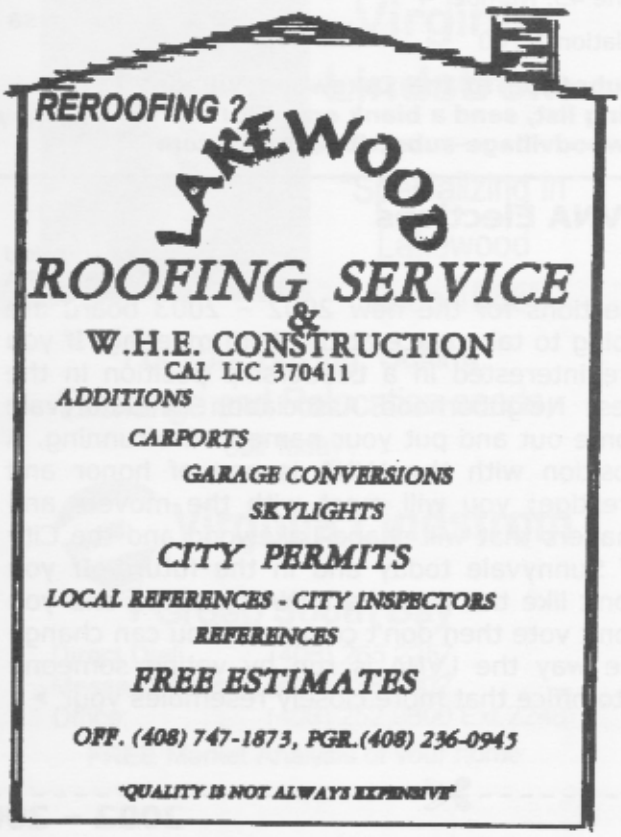

If you are with the neighbors who think the collection of high-rises and the mall redevelopment will bring new retail stores and a chance to shop closer to home is good, or the other side that think that Sunnyvale is losing its small town charm and is being overbuilt, this month's speaker will be able to answer questions that you might have.

The LVNA has received a Grant for $400.00 for the 2002 Holiday Parade from the City of Sunnyvale. With this grant, we will once again be able to provide the goodies that we like to have after a world-class parade. I am looking for volunteers to help with the parade. It is never to soon to volunteer!

Dumpster days are coming up soon. This year, the dates are July 20th and 21st. We are looking for volunteers to help with this excellent event. In case you don't know, the City provides Lakewood Village with dumpsters so the piles of stuff that you have been meaning to get rid of can now go away. But it takes volunteers to help keep the dumpsters free of hazardous materials and outsiders from coming in and taking advantage of our free clean-up weekend. That same weekend also has a Hazardous Material drop off at the Transfer Station, so you can get rid of those old household chemicals in a responsible way. Remember, you can't put hazardous materials in our trash dumpster; they have to go to the drop off point so they don't get into the dump and from there the water table or streams. ▶

▶ The Lakewood Picnic is on September 14th this year, so mark you calendars for this date. It is fun and a time for fellowship with your neighbors. We are looking for volunteers to help out with this event. Cooks, servers and cleanup are some of the ways that you can be part of the team. ■

Lawrence Expressway Improvement Update

- Craig Crawford
President, LVNA

Thom Mayer is our representative to the County for the Lawrence Expressway improvement. The following is his report to Lakewood. It looks like the proposal to cut off the crossing of Lawrence between Sandia and Lakehaven is off the table. Thanks for that.

Thom sent this e-mail to the Lakewood Village e-mail list:

> "I attended the 'Comprehensive County Expressway Planning Study' Policy Advisory Board meeting.
>
> "I introduced myself as a resident of Lakewood Village and explained that we are bisected by Lawrence Expressway north of 101. I asked that they be kind to us.
>
> "I was pleasantly surprised to find that they were more than willing to minimize negative impacts on neighborhoods. More than half of of the board member comments were directed at minimizing the effect of the expressway improvements on "Quality of Life" issues (bicyclists, pedestrians, and neighborhoods).
>
> "Banning left turns at Sandia - Lakehaven is now off the table. So is a grade separation at Sandia - Lakehaven. Now we need to get the Sandia - Lakehaven grade separation out of the Sunnyvale Plan. Grade separation is still part of the City's official long term (10 to 20 years) plans. There are no short term (5 years) plans to move ahead with this project.
>
> "It would be good to get it removed from the City's long-term plans.
>
> "They are looking at grade a separation at Tasman with Lawrence going under light-rail. They are also looking at a couple of grade separations between 101 and El Camino." ■

Newsletter Walkers Needed

- Elena Anderson

Your LVNA is in need of a few good folks to help get the message out. It takes only a few minutes a month, gets you out of the house into the fresh air, and gives you an opportunity to meet some of your neighbors. If you can devote some time as a Newsletter Walker, please call Elena at 745-6028. It's a great way to make a contribution to the Neighborhood! ■

Park Enforcement Study Issue Update

- Curtis Black
Superintendent of Parks

I would like to thank the LVNA, neighbors, and President Craig Crawford for allowing me to provide a Study Issue update for those attending the February 13, 2002 Association meeting. My topic was a review of the Consideration of Park Enforcement Issues study issue which was assigned to the Parks & Recreation Department by City Council for study in calendar year 2001. The study was completed and a report to Council was provided the evening of November 13, 2001. This report is number 01-333 and is available in its entirety on the City of Sunnyvale web site at www.ci.sunnyvale.ca.us -- just check the section on Council matters.

Results of the study indicated fairly strong support citywide for the level of enforcement of existing laws at neighborhood parks. In fact, a random phone survey revealed that 86% of those surveyed felt that visitors comply very well or fairly well with existing park rules and laws.

During the study process we were also interested in how folks felt about this topic in particular neighborhoods and asked that surveys tally responses to specific neighborhoods including Lakewood, Las Palmas, and Ortega/Panama. While the Las Palmas and Ortega/Panama responses to surveys were very similar to those found citywide, response for the Lakewood Park area was not as positive. Only 50% of respondents stated that visitors comply very well or fairly ▶ well with these laws and rules. Because the number of persons surveyed that lived near Lakewood was well below other neighborhoods (only 26) we followed up at the February meeting to ensure that LVNA members could voice their opinions.

That evening, I heard comments regarding upcoming park projects and a couple of concerns regarding non-compliance with dog related laws. Concerns of non-compliance with dogs off leash and dog doo laws is shared citywide. These dog related concerns made up about 37% of all concerns expressed by respondents who felt that currently there is not adequate compliance with existing Park laws and policies. Parks staff also note occasions of non-compliance with these laws and Animal Control Officers of the Department of Public Safety spend a good bit of time each year following up on these laws. As City Council reviewed the report in November they requested a pilot program for specific enforcement actions be undertaken by the Departments of Public Safety and Parks and Recreation. This pilot project will take place in springtime as the weather warms and park visitors increase in numbers.

I'd like to share one step that neighbors can take to help City staff make the parks and the John W. Christian Greenbelt a better place to play and visit. Because dog related concerns are shared by so many park visitors, we're asking all dog owners to increase vigilance in cleaning up after their pets and complying with the leash law. Additionally, neighbors that observe non-compliance should contact Animal Control Officers at 730-7178. Together with staff, neighbors who take action can make a remarkable and positive difference in the neighborhood.

Again, I express thanks from the Department of Parks and Recreation for the chance to share this information, both at the meeting in February and now, in your newsletter. Our staff are very proud of the work that they do for your neighborhood and often hear appreciation from park visitors for their efforts. Please feel free to contact the Parks Division with any park related matter at 730-7506 and staff will work to answer concerns quickly. ■

3/20/2002 Socorro - Determination of Threat - a report of a vicious dog that killed another dog. Officer met victim and was shown a male Pitbull terrier that had killed victims dog.

3/22/2002 Lakewood Park - Vandalism to City property - Unknown suspects painted picnic tables and restroom at Lakewood Park. Park worker said that it would cost $350.00 to repair vandalism.

3/26/2002 Lakedale - Auto Burglary - Suspects broke the rear-sliding window to gain entry and stole stereo from truck.

3/26/2002 Lakebird - Auto Burglary - Gained entry from window and removed stereo and wallet. Also scratched the driver's side of vehicle.

3/26/2002 1200 block of Wildwood Avenue - Armed Robbery-Force - The officer responded to a report of a robbery of a victim's wallet.

Editor's note: As always, if you see suspicious activity or are aware of any crime, no matter how minor it may seem, please report it to Sunnyvale's Department of Public Safety. For emergencies, call 911; for non-emergencies, call 730-7100. ■

Speed Trailer in Lakewood

- Craig Crawford
President, LVNA

The city is trying the speed-monitoring trailer to help with the speeds that are dangerous on our community streets. The following is from an e-mail that was sent to the Lakewood Village e-mail list:

> "I was pleased to see the radar trailer set up on Lakewood Drive Thursday. As I drove past it, I wondered if it saved the speeds that were displayed. If it did, the city could better determine which areas had a speeding problem."

This Month in History...

- Brian Smithson

44 years ago: Street-sweeping service was started in 1958, scheduled for every other Tuesday, just like it is today!

43 years ago: In 1959, construction of Dick's Lakewood Plaza shopping center commenced with a groundbreaking ceremony.

39 years ago: Fire Station #6 on Lawrence Station Road near Elko Drive was dedicated in 1963. The Lakewood Village Resident's Association (predecessor to today's LVNA) was instrumental in petitioning the City of Sunnyvale to get a new fire station located there.

37 years ago: The first (?) free refuse cleanup day was held in 1965.

Are you a long-time resident of Lakewood Village? Do you have old photographs, real estate brochures, newspaper clippings, or old LVRA/LVNA newsletters sitting in a box in your garage? I'm interested in putting together a year-by-year history of Lakewood Village, and your historical materials would be very helpful. I'd be happy to pick up items, copy them, and return the originals. Call me at 738-5939 or email lvna_editor@yahoo.com. ■
