President's Column

- Craig Crawford
President, LVNA

The Parade is coming to town!

Everyone get ready for some really big fun. This can only mean that the annual Lakewood Village Holiday Parade is coming to town! December 14th is the big day when our neighborhood puts on the only parade in all of Sunnyvale. Be at your favorite parade-watching position by 10:45 a.m. to greet your neighbors and watch the best parade ever, right here in your own neighborhood. As the parade passes by, follow it to Fairwood Park for holiday snacks and some fellowship with the good people of

▶ *continued on next column*

▶ *continued from previous column*

Lakewood Village. Visit with your favorite councilperson and meet the members of the LVNA board; they will all be there serving the snacks. Some of the treats for the parade this year are the award-winning Fremont High School Band and Color Guard playing the great songs that they are known for. The Color Guard with their brightly colored flags and wonderful showmanship will dazzle you with their carefully rehearsed drills. We will also have a baton-twirling club from Lakewood School this year showing us their skills. These are just some of the parade participants that will be with us this year. Mark your calendar and be there!

Holiday Lighting Contest

December 18th is the night of the annual Lakewood Village Holiday Lighting Contest. We will be looking for the best lighted houses of the year. Be sure to turn your lights on by 7:00 p.m. for them to be judged. ■

Happy Holidays from The Villager

On behalf of everyone who makes this newsletter possible – Mel who solicits advertisers and coordinates production, Elena who recruits walkers and manages delivery, and all of the walkers who deliver the newsletter to your front door – I wish you and your family the happiest holiday season and a most prosperous new year!

What's New on www.lvna.net

The LVNA web site is updated at least once per month with new calendar items and other new content. See it at **http://www.lvna.net**.

All I want for Christmas...

... is <u>you</u>! I know that there are some writers and journalists in our neighborhood, young and old, who are waiting for an opportunity to see their work in print. Write for *The Villager*!

To contact the Editor of The Villager...

Send your letters to the editor, articles, comments, and corrections by email to editor@lvna.net, by FAX to (408) 738-2821, or by postal mail to LVNA Villager, c/o Brian Smithson, 1104 Burntwood Court, Sunnyvale CA 94089. ■

This Month in Lakewood History...

- Brian Smithson

48 years ago: In 1954, a developer submitted plans for a 409-home tract where Unit II is today, on the northeast corner of Lawrence Station Rd. (now Expressway) and the Bayshore Hwy. (now the US-101 Freeway). Also submitted were plans for a 304-room Holiday Inn motel (now a Ramada Inn).

43 years ago: In 1959, the first Lakewood Village Holiday Parade was held.

43 years ago: Also in 1959, the first Lakewood Village Holiday Lighting Contest was held.

42 years ago: In 1960, the Lakewood Village Merchant's Association was formed.

40 years ago: In 1962, the Lakewood Village Community Council held its first meeting. This was a group of representatives from various service organizations.

Share <u>your</u> history!

Are you a long-time resident of Lakewood Village? Do you have old photographs, real estate brochures, newspaper clippings, or old LVRA/LVNA newsletters sitting in a box in your garage? I'd be happy to pick up items, copy them, and return the originals. Call me at 738-5939 or email editor@lvna.net. ■

Nuisance Wildlife

- Michelle Morgan
Sunnyvale DPS

I am the Senior Animal Control Officer for the City of Sunnyvale. It has come to my attention that the Lakewood Village Neighborhood Association has some concerns about nuisance wildlife. I would like to share some information with you and invite you to contact me with any questions or concerns.

The City of Sunnyvale Animal Control Unit loans traps to Sunnyvale residents for the purpose of trapping stray or feral cats and sick or injured wildlife. We do not allow the traps to be used for healthy wildlife as we do not have a permit from California Fish and Game to euthanise nuisance wildlife. In addition, it is a violation of the law to relocate trapped healthy wildlife.

When it comes to nuisance, healthy wildlife, it is important to consider why the animal is there and consider deterrents as an option. Is there a food source? Many residents feed their dogs and cats outdoors and leave food where wildlife can feed off of it. Also unsecured garbage cans, grubs in the lawn or a good water source may attract them. Sometimes just addressing these types of issues takes

care of the problem. "Wildlife of Silicon Valley" is also a wonderful resource for information on how to deter wildlife.

Another option is to rent or purchase a humane trap (Sunnyvale Animal Control keeps a list of vendors) and trap the nuisance animal and euthanise or kill it. It's important to note however that you must use a euthanasia method that is approved by California Fish and Game for the particular type of animal. Finally, you can hire, for a fee, a private pest control company that has a permit to euthanise nuisance animals and they will trap, euthanise and dispose of the animal.

We would be happy to provide an article about nuisance wildlife for your association newsletter. I hope this information is useful and again, I invite you to contact me to discuss this or any other Animal Control related issue or concern.

Expressway Planning Meeting

- Thom Mayer

I attended November 25th's Comprehensive County Expressway Planning Study meeting. The committee reviewed its recommendations. I think this was the last meeting before the recommendations will be published for public input. Here are the preliminary recommendations for Lawrence between 101 and 237:

Of interest to motorists

- Remove car-pool designation from Lawrence between 101 and 237.
- Leave Lawrence Lakehaven-Sandia as is (no second left turn lane)
- When the Wildwood intersection is completed, make signal-timing improvements at Lawrence Lakehaven-Sandia.
- Urban interchange at Tasman (This is a low priority. Arques, Kifer, and Monroe-Reed will come first.)

Of interest to bicyclists

- Change the stripping in some places between 101 and 237 to increase the shoulder width. (This recommendation applies to most of the Expressway system.)

Of interest to pedestrians

- Pedestrian crossing improvements at Lakehaven-Sandia (Flashing lights or something like that)
- Add a sidewalk on Lawrence in front of Dick's Plaza.
- Add a sidewalk on Lawrence from Palamos to Lawrence Station Road.
- Install signs directing Lawrence pedestrian traffic to use Blazingwood, Velvetlake, and Lakedale as they past through Lakewood Village.

These are just proposed recommendations. No money has been identified. The sign changes may happen next year, but the sidewalks and interchange are probably years out.

2002-0077 - City of Sunnyvale Study Issue - Upgrading Covered Parking Concurrently with Single Family Additions or Reconstruction. This study issue examines concerns relating to excessive curbside parking on residential streets. Current regulations require new homes to provide two covered spaces on-site, however, many existing homes do not meet this standard. Under current requirements, a home with substandard parking may still add significant floor area without increasing the amount of available on-site parking. Potential regulations considered in this study issue include requiring parking upgrades for single-family home additions, which exceed a certain number of bedrooms, additions over a certain size or the percentage increase in floor area.

A staff report will be available Friday, December 6, 2002 at City Hall, the Public Library and on the Planning Division web page at www.ci.sunnyvale.ca.us.

If you have any questions, please contact Ryan M. Kuchenig at 408/730-7431 or rkuchenig@ci.sunnyvale.ca.us. ■

City Seeks Public Input on New Website Design

Sunnyvale, CA (11/21/02) – The City of Sunnyvale is holding two community meetings to gather input on the City's website redesign. The meetings are scheduled for Wednesday, December 4, from 10:30 -11:30 am and Thursday, December 5, from 6:30 - 7:30 pm. Both meetings will be held in the City Hall Council Chambers located at 456 W. Olive Ave.

The purpose of the meetings is to give residents an opportunity to provide City staff with recommendations on ways to improve the City's website. Residents will be asked to provide feedback on issues such as features they find both helpful and difficult when using websites and topics they would be interested in if they have the ability to set up a personal profile on the City's website, in order to receive automatic notification when new information is posted. For a complete list of questions, please visit the City's website at www.ci.sunnyvale.ca.us. For further information, please contact Marilyn Crane at (408) 730-7557. ■

Habitable Space Regulations

- Richard Gutierrez
Neighborhood Preservation

There are lots of people living in one house (several families). Is there a rule against this?

If there is sufficient habitable space, it does not matter how many people or families live in the house. The amount of people that can live in a house is determined on square footage and habitable space. Section 503.2 of the Uniform Housing Code states:

> Dwelling units and congregate residences shall have at least one room that shall have not less than 120 sq. feet of floor area. Other habitable rooms, except kitchens, shall have an area of not less than 70 sq. feet. Where more than two persons occupy a room used for sleeping purposes, the required floor are shall be increased at the rate of 50 sq. feet for each occupant in excess of two. ■

Drowning in leaves? Let the Street Sweepers Help!

- Lea Crawford

The City if Sunnyvale provides street sweeping every other Tuesday to remove leaves room from the street. Residents must remove their cars before 6:00AM on street sweeping Tuesdays. Upcoming dates for Street Sweeping Tuesdays are:

- December 3, 17, 31
- January 14, 28 ■

Newsletter Walkers Needed

- Elena Anderson

Your LVNA is in need of a few good folks to help get the message out. It takes only a few minutes a month, gets you out of the house into the fresh air, and gives you an opportunity to meet some of your neighbors. If you can devote some time as a Newsletter Walker, please call Elena at 745-6028. It's a great way to make a contribution to the Neighborhood! ■

LVNA Board Meetings

- Craig Crawford

Any Lakewood Village resident can attend the LVNA Board Meetings. If you are interested in attending an LVNA Board Meeting, contact the LVNA President, Craig Crawford, at 736-7371 or president@lvna.net. ■

Hetch Hetchy Water System News

- Tim Kirby
Revenue Systems Supervisor

[Editor's Note: Mr. Kirby supplied this information regarding a break in the Hetch Hetchy system that occurred during the week of November 11th.]

To begin, the break has been fixed and the San Francisco Public Utilities Commission reports they are back to providing normal water deliveries.

The City of Sunnyvale is in the very fortunate position of taking water from multiple suppliers. Approximately 42% comes from Hetch Hetchy, 44% from the Santa Clara Valley Water District, the remaining 14% coming from a combination of well water and recycled water (the latter of which is used on landscaping and not provided for potable uses). The City has built redundancy into the system, allowing us to shift supplies around the city as needed with little or no impact on customers.

When Hetch Hetchy broke, the City closed our connection to the supply and supplemented those sections of the City that receive mostly Hetch Hetchy water with a combination of water from the Santa Clara Valley Water district and water from City wells. Some areas on the north end of town may have seen a very slight drop in pressure, but no interruption in service. The City anticipates reopening our connection with Hetch Hetchy as soon as possible. ■
