President's Column

- Phyllis Murphy

"What part of <u>No Turn On Red</u> do you not understand?"

As all of us are or should be aware there on "No Turn On Red signs" posted at the off-ramps at Lawrence and 101. They are actually there for a reason. It is not safe to make a right turn on to Lawrence in the mist of traffic traveling at 50+ miles per hour. I have been almost hit several times, as have my teenage children. Someone who could not stand to wait the extra 30 seconds hit my neighbor. It is very difficult to continuously

see the same cars making unsafe illegal turns on to Lawrence and then turn into our neighborhood. If you don't care that you are breaking the law and putting yourself in danger at least think about that fact that you are putting one of your neighbors in danger. Lakewood Village is a special place to me and I feel that the people that live in this neighborhood has a unique tie, a bond. I do not understand why any of us would deliberately put that bond in danger.

Reminder

Please watch for our children playing in a near the streets, as it starts warming up and staying light longer the kids will be out more, please be aware. ■

Announcing a Writing Contest for Lakewood Village youth

Win cash prizes!

- Editor

A thoughtful and generous Lakewood Village resident proposed that we hold a writing contest for Lakewood Village's children and young adults. He and other residents have contributed the prize money to support it. The contest is open to Lakewood Village residents from Kindergarten to the 12th grade.

The topic to write about for the contest is:

"If I was in charge of Lakewood Village…"

Read the rules below and then submit your essay telling us what you would do if you were in charge of your neighborhood. Use your imagination. Here are some ideas to help you start, or come up with your own idea!

- What would you change or improve about the neighborhood?
- What would you keep just the way it is?
- How would you run the parks, or the schools, or the streets or, or the shopping center?
- What do you think is a big problem, and how would you solve it?
- What would you ask your neighbors to do?
- What would you ask the City to do?
- What makes Lakewood Village a great place to live in?

Rules

The contest starts today and ends on June 13th, 2003.

Four age groups will be judged, and each age group has its own a different essay length and set of prizes.

This Month in Lakewood History…

- Brian Smithson

44 years ago: In 1959, A "Lakewood Village Aquatic Club" was announced. It was to be a members-only club at Manzano and Oak Creek, with 2 adult pools, 1 child pool, clubhouse, outdoor games area for croquet and horseshoes, and plans for miniature golf and tennis

courts. Eventually, something was built, but later torn down. **Does anyone remember or have information about this? Please contact me!**

40 years ago: In 1963, the president of the LVRA proclaimed the month of May to be "Lakewood Beautiful" month. Shouldn't *every* month should be "Lakewood Beautiful" month?

36 years ago: Speaking of beauty, in May 1967 the first (and only?) "Miss Lakewood Village" beauty contest was held. Entrants were judged for poise, talent, and beauty. No formalwear was required, but they did need to display themselves in one-piece bathing suits.

32 years ago: At the other end of the beauty scale, in May 1971, citizens of Lakewood Village and surrounding areas mounted a successful campaign to stop the construction of a slaughterhouse located (I believe) where there is now one of the mobile home parks.

Letters to the LVNA

April 16, 2003

Thank You!

On April 10, our West Highland White Terrier, Brodie, managed to dig under two fences and get out of our back yard. My husband scoured the neighborhood and Fairwood Park that night looking for him but to no avail. The next morning as my husband was leaving for work Brodie was tied to a tree in our front yard.

We have just learned today (April 15) that Mr. Trotter, our neighbor two doors away on Prescott Ave., was the kind person who returned Brodie to us. I would like to thank Mr. Trotter and express our gratitude for recognizing Brodie and returning him us.

A very big THANK YOU, Mr. Trotter.

- Regards,
Peter and Marian Poon ☐

To the LVNA,

I am a 14 year resident of Lakewood Village. There have been two things that have bothered me for a couple of years now but I didn't know how I could anonymously complain about them.

roof. It is very unsightly and definitely doesn't look like it's legal or for residential use. How can we get the city to have the owner get rid of that eyesore and use a regular furnace like everybody else does?

I thank you very much for your time and look forward to seeing your response in the next newsletter.

- A Lakewood resident and homeowner

[Editor's note: it's generally best to speak with your neighbor directly about things like this first. Perhaps the neighbor would be willing to construct an enclosure around the HVAC unit, which is what Sunnyvale building codes most likely would require. Otherwise, contact Neighborhood Preservation or the Building Department at the City.] ■

Sunnyvale Opens Skatepark

Facility considered one of the best in Northern California

Skateboarders will have a new home in Sunnyvale as the City opened its new skatepark on Saturday, May 3.

The 18,500 square foot facility includes areas for both bowl/vertical and street course varieties of skating. Many of those who have reviewed the design consider this to be the finest public skatepark in Northern California.

"We have always felt the importance of providing City recreational facilities that meet the needs of our community," said Sunnyvale Mayor Julia Miller. "That's why our City Council recommended construction of this park and why we are particularly pleased to see the project open to an eager public."

▶ *continued in next column*

▶ *continued from previous column*

The skatepark is located at Fair Oaks Park, 540 Fair Oaks Ave., in Sunnyvale, and will be open every day, 7 a.m. to sunset. Use of the skatepark is similar to other park features: it is unsupervised and is used at the participant's own risk. Skaters are required to wear a helmet, elbow and knee pads.

Newsletter Walkers Needed

- Editor

Your LVNA is in need of a few good folks to help get the message out. It takes only a few minutes a month, gets you out of the house into the fresh air, and gives you an opportunity to meet some of your neighbors.

If you can devote some time as a Newsletter Walker, contact Craig Crawford at 736-7371 (Fairwood side) or Wendy Stanley at 745-1331 (Lakewood side) or email walkers@lvna.net. It's a great way to make a contribution to your neighborhood! ■
