President's Column

- Phyllis Murphy

Please read this column closely as there are a lot of exciting things happening over the next couple months that I would like to share with you:

We are going to have a neighborhood-wide garage sale during the weekend of August 16th and 17th, so start cleaning out those garages and closets now.

The weekend after that is our Dumpster Day, Saturday, August 23rd. It will only be ONE day

this year so please plan accordingly. If you would like to volunteer please contact Skip at secretary@lvna.net or 746-3741.

At our next LVNA meeting, a member from the City is scheduled to give us an update on the neighborhood improvement pilot program

We currently have an opening on the LVNA Board: the position of Vice President needs to be filled.

We are also looking for volunteers to help will the picnic scheduled for September.

Lastly, we are trying to get a committee together to look at the traffic issues and curb cuts if you are interested in either committee or both please send me an email at president@lvna.net.■

Lakewood Village Dumpster Day is Saturday, August 23rd

The City of Sunnyvale is sponsoring the yearly clean-up event that promotes keeping the neighborhood clean and safe. The dumpsters will be delivered on Friday, August 22nd. The dumpsters will not be available for use until the BIN MONITORS open the bins at 8:00am Saturday. The bins will be removed the same day, on Saturday, August 23rd.

DUMPSTER DO'S AND DONT'S

DO: Distribute items in dumpster evenly.

DO: Dispose of tires in the special trailer.

DO: Balance furniture in Dumpster.

DO: Place syringes in approved sharp container or 2 liter bottle with cap so it is visible/clean container and take directly to SMART Station

DON'T: Overfill the dumpsters. If Dumpster is full use another.

DON'T: Dump auto parts/refrigerator/air conditioner/construction debris/no business waste

DON'T: Put paint, oil, or other household hazardous waste into Dumpster. (For information about Household Hazardous Waste, please call (408) 730-7262)

DON'T: Dispose of televisions or computer monitors. These items contain CRT's that require special handling. (For information, please call (408) 730-7262)

HOUSEHOLD HAZARDOUS WASTE

Household hazardous waste drop off days are held on the 3rd Saturday of each month from 8 am to 1 pm (except December).

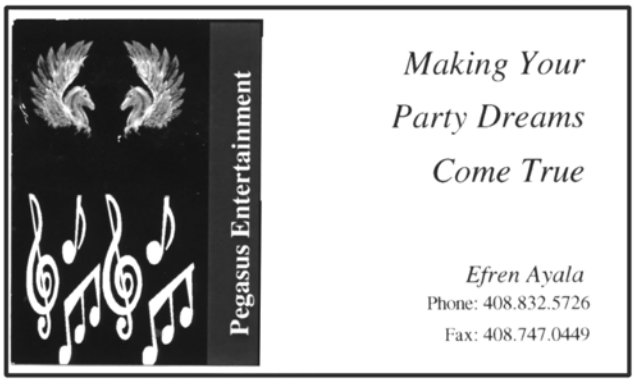

EXAMPLES:

Motor Oil	Adhesives	Pool chemicals
Oil Filters	Insecticides	Aerosols cans
Antifreeze	Herbicides	Automotive Fluids
Mercury	Batteries	Fire Extinguishers

Household & Automotive cleaners
Latex & Oil based paints and stains
Flammable or Combustible liquids
Compressed gas Cylinders

Placing these products in the garbage may cause harm to collection personnel and pollute the environment when sent to the landfill. Residents may bring these items to the monthly drop off events at no charge. If you need assistance you can call (408) 730-7262 for more information.

If you have any questions please call Richard Gutierrez, Neighborhood Preservation (408) 730-7447. ■

Congratulations all! ■

If I Was In Charge of Lakewood Village (1st place, K - 2nd)

- Madhuchanda B.

If I was in charge of Lakewood Village, I would upgrade school because it's where our country's future depends. I would secure street with cameras at every traffic light. I would have meeting every alternate month and I will ask if anyone is having problems and we will solve it together. Every six months there will science fairs to encourage creativity among children and, games, sports, and picnics to make the community friendly. ■

If I Was In Charge of Lakewood Village (1st place, 3rd – 5th)

- Ryan D.

If I was in charge of Lakewood Village I would shut down the horseshoe court since hardly anyone uses it and convert it into an archery range. A few bales of hay shouldn't cost very much and they would last a long time. Targets are also cheap and could be replaced when necessary. It might even be possible to keep the horseshoe set up and just put the bales of hay at one end so folks could choose either game. Of course everyone would have to bring their own bows and arrows just like they have to do now for the horseshoe setup; unless they could somehow be provided by the park and issued out to those who reserve a time slot.

Another thing I would do is install a nickel arcade game setup and use the money to pay for the equipment and to eventually fund other projects.

Another money maker idea might be to start a weekly bingo game in the recreation room. This would bring in various age groups from the community and would create a friendlier atmosphere in Lakewood Village. There could be a volunteer list to host the game each week to help share that responsibility. (Dad helped me come up with the archery game and bingo game ideas. I mainly came up with the nickel arcade game idea but wanted to also share the other ideas Dad helped me with.)

If I Was In Charge of Lakewood Village (1st place, 6th – 8th)

- Deirdra P.

If I was in charge of Lakewood Village, I would put more benches in the park so that people could watch the beautiful sunset melt behind the hills. For the less fortunate that stay around the shopping center, I would build a winter shelter, because rain tends to get tough around that time. To prevent the animals from getting themselves hurt, I would want animal contol to cruise around the neighborhood once a week to capture the poor abandoned animals.

The shopping center has evrerything you need to prepare dinner, buy a snack, or get a haircut for a job interveiw the newxt day. ButnI think it a litte more kid in it. Like a kid place where they can use a computer or read a book. Lakewood is a heart-warming community that's clean, has thoughtful neighbors, and I have too many ideas for such a place!

If I Was In Charge of Lakewood Village (1st place, 9th – 12th)

The King of Town

- Michael M.

In this world of uncertainty, there should be places we can look to for comfort and support. One of these should be our neighborhood. A neighborhood should be more than people living in a particular district or area. It is the relationship between people. It is also the activities and playgrounds that children can enjoy. We should always be looking to make improvements. If I were in charge of Lakewood Village, there are specific areas I would attempt to change.

When I was little, I was involved in Lakewood little league baseball. Aside from screaming parents, cursing

▶ *continued in next column*

teammates who threatened me with balls and bats, it was great times!

Luckily, my brothers have had much better experiences than I, and their teams and coaches have been great. But occasionally, when watching a game, I will still see overzealous parents and coaches. If I was in charge of Lakewood I would make the parents supportive of the kids, coaches, and umpires. It is impossible to change human nature, but I would encourage civility by parents and coaches in child sports.

Where have all the great parks gone? I remember growing up, and going to incredible playgrounds. Now, they have been replaced by new, boring, ill-conceived structures. Perhaps this is due to injuries in the past, but the effort should be made to be more creative. Safe, but fun playgrounds can still be made. I would have more inventive parks. Also, I would create a new exercise area, and try to make exercising more appealing and fun.

Some things we can change, and others we can only dream about, but it is great that we have the neighborhood that we do, and we should all work to improve it, and keep it strong.

If I Was In Charge of Lakewood Village (2nd place, K - 2nd)

- Leila C.

If I were in charge of Lakewood Village, I would open the pool in spring and summer, and build a new playground. I would expand Lakewood Park and have more clubs, camps, and events. The shopping center should have an American restaurant. Besides that, I think Lakewood Village is perfect!

More writing contest winners will be published next month! ■

This Month in Lakewood History…

- Brian Smithson

49 years ago: In 1954, the area where Lakewood Village now stands was re-zoned for "planned development".

48 years ago: Classified ads first appeared in *The Sunnyvale Standard* for Lakewood Village homes in 1955.

45 years ago: In 1958, the first advertisements were placed in *The Villager*. They were hand-drawn!

► *continued in next column*

► *continued from previous column*

40 years ago: In 1963, the Lakewood Village residents petitioned the City of Sunnyvale to build Lakewood Park. The park was dedicated in October, 1964.

9 years ago: In 1994, the Mercado shopping mall plans were approved by the Santa Clara City Council after its developer agreed to pay for traffic signals at Wildwood and Lawrence Expressway. (The signal light was never constructed and continues to be an issue).

Downtown Plaza Project Plans

All interested Sunnyvale residents and particularly those who live or work near the future Downtown Plaza are invited to attend an informational meeting about the Downtown Plaza Project which will soon be starting construction. The meeting will take place on Tuesday, August 12, 2003, from 7 p.m. to 8 p.m. at Washington Park Community Center (Near Washington & Pastoria).

At the meeting, you can meet the Project Staff, see what the Downtown Plaza will look like, and get information on construction activities and the project schedule.

What is the Downtown Plaza? The 1.6 acre site is located in Downtown Sunnyvale at the corner of Evelyn Avenue and Frances Street. It is across the street from the Caltrain station. The Downtown Plaza will be an exciting community-gathering place, a place of celebration and a focal point for the Downtown.

If additional information is needed, please call (408) 730-7417. ■

Local Resident to Walk 60 Miles Over Three Days in the San Francisco Breast Cancer 3-Day

Walkers Join Together to Raise Funds for the Susan G. Komen Breast Cancer Foundation and the National Philanthropic Trust

SAN FRANCISCO – November 7-8-9, 2003 – Vicky Burns of Sunnyvale will join approximately 3,000 other dedicated women and men for the ***San Francisco Breast Cancer 3-Day benefiting the Susan G. Komen Breast Cancer Foundation and the National Philanthropic Trust.*** The dedicated participants will walk 60 miles over three days to raise significant money and awareness for breast cancer programs nationwide, including medical research, education, screening and treatment programs.

In the United States, more than 200,000 women are diagnosed with breast cancer each year and nearly 40,000 women die from the disease annually. In America this year, a new case of breast cancer will be diagnosed every 3 minutes and every 13 minutes, the disease will claim another life. The participants of the Breast Cancer 3-Day have the opportunity to make a personal difference in the fight against breast cancer, and collectively, will have an enormous impact on breast cancer funding.

The Breast Cancer 3-Day in San Francisco will start on Friday morning, November 7, 2003 in San Jose, Calif. and end with Closing Ceremonies on Sunday afternoon, November 9 in San Francisco, Calif. The approximately 3,000 walkers will cover about 20 miles a day,

▶ *continued in next column*

▶ *continued from previous column*

traveling at their own pace. The walkers will be supported by some 500 volunteer crew members who will provide meals, water and snack stops, gear transport, hot showers, portable restrooms, safety on the streets and comprehensive medical services.

Personal Motivation:
Vicky Burns has decided to participate in the Breast Cancer 3-Day because…

In 1993 my life was touched by breast cancer when my aunt was diagnosed. Sharon Multhauf was an incredible woman who brought grace and learning to the disease of Breast Cancer. Once she had her diagnosis she joined several Breast Cancer groups and boards and searched tirelessly for answers. She appeared a local morning television program where she was shown searching for answers on the internet at a time when the internet was fairly new to many of us. Sharon was by profession a teacher so, with breast cancer she taught herself to find answers. She helped do desk top publishing for several breast cancer groups. She underwent several rounds of treatment to try to keep her terminal disease arrested. She kept in close contact with her doctors who allowed Sharon to participate and chose many of her treatment options. While continuing to fight the cancer she and her husband Lloyd traveled as Sharon loved to travel. She also continued to trace the linage of our family even, on one trip, scaling the fence of an old graveyard in the Midwest to find an ancient family tombstone. The photo from that event is amazing, she leans on the trophy tombstone triumphant, all of her hair missing from the last round of chemo. She was one of a kind. She died July 3rd, 2002. I am walking for Sharon Multhauf. My aunt. My hero. ■

Bay Area Air Quality District Offers Vehicle Buy-Back Program

As a Board Member of the Bay Area Air Quality Management District (Air District), Mayor Julia Miller reports that if you have an operating and registered vehicle from 1981 or older, you may be eligible to participate in the Air District Vehicle Buy-Back Program. To reduce air pollution and improve air quality, the Vehicle Buy Back Program will pay $500 for an operating and registered 1981 and older vehicle. The Program is a voluntary program that takes older, more polluting, vehicles off the road and is funded through the Air District's Transportation Fund for Clean Air (TFCA). Vehicle dismantlers contracted by the Air District will scrap the vehicles. To participate in the vehicle Buy-Back Program in San Jose call (800) 727-2708 for information or to schedule an appointment with the dismantler. ■
