President's Column

- Phyllis Murphy

Happy October, it's fall and that means it is getting dark earlier as well as the weather changing. Please remember to slow down and take extra care since our kids are out trying to get every minute of daylight for play. Last month's neighborhood meeting was very good. The ladies from the foster care program really shed light on how foster families are badly needed in this area. If you are interested, or know someone who is, please let me know and I will forward the necessary contact information. We also had someone from Columbia

Neighborhood Center who wanted to make sure everyone was aware of the center and all of the neat things they have to offer. I encourage everyone to go by there and check it out personally. It is there for us. This month's meeting should be a good one also, so please plan to attend. Local candidates will be speaking and answering questions. ■

The Lakewood Village Annual Picnic: You should've been there!

- Ursula Syrova

The Lakewood Village annual picnic this year offered great food, a chance to see a fire engine up-close and chat with firefighters, and face painting. Mayor Julia Miller even stopped by, as did some city council members and hopeful candidates, so it was a great chance to chat with some members of our local government. It was a hot day, but the picnic tables were in the shade and there were plenty of cold drinks to go around. Many thanks to the volunteers who grilled hamburgers, hotdogs, veggie burgers, corn and zucchini! Residents brought some tasty side dishes and salads, and there were even tamales and several delicious desserts. If you couldn't make it this year, you missed a good picnic—be sure to go next year! ■

Wildwood Traffic Woes: Follow-up

- Ursula Syrova

In the September issue of the Villager, we reported that City Council had agreed to hear from Lakewood Village residents about concerns over the traffic situation on the Fairwood side. Thom Mayer and Lakewood Village Traffic Committee member Lynette Nguyen attended the council meeting and made their voices heard! With persuasive help from Lakewood Village resident and Council member Fred Fowler, City Council agreed to address our traffic issue beginning in early 2004. A traffic study was performed in 2001 and the problem areas were identified and documented, so the push now will be to reach out to neighborhood residents and try to come to a consensus on what should be done. Many thanks to Thom, Lynette, and Fred for getting this issue back onto Sunnyvale's "to-do" list. ■

Neighborhood Leadership Conference, October 18th

- Tom Freeman

Do you want to have some fun and learn how to improve your neighborhood at the same time? Then the 10th Annual UNSCC Conference is for you! It will be a day for networking, collaboration, learning, and fun.

UNSCC is the United Neighborhoods of Santa Clara County, a coalition of neighborhood associations and homeowner associations. Our mission is to promote the creation, preservation, and enhancement of healthy neighborhoods through education, resources and outreach.

This event will be held on Saturday, October 18 from 8:30am to 4:00pm at the Christian Community Center, 1523 McLaughlin Ave. in San Jose. Workshop themes include: event planning, media relations, fundraising, organizational skills, and more.

Registration is $20, and includes a light breakfast and lunch. The LVNA has some funds available to pay the registration fee. For more information call Tom Freeman at 914-6703, or check out the web site: www.unscc.org. ■

What's Happening at Lakewood School

- Wendy Stanley

As you've heard by now, budget cuts have hit us hard. In light of this, we are trying some additional fundraisers this year and getting more support from the community by letting you know thru the LVNA newsletters what we are doing. If you would like, you may attend our PTO meetings. They are held the first Wednesday of the month at 5:30 in the school library.

We are selling Westfield Works Wonders tickets until Nov. 3rd. The school gets 100% of the sales and you get a night of discount shopping at Valley Fair and Oakridge Mall and a chance to enter their raffle. Tickets are $5 each and can be purchased in the office every morning between 8 - 8:30 and on Fridays after school (12:30 - 1 and 2:15 - 2:45).

On Saturday, Oct. 25, we will be having our first carnival along with another flea market. The carnival will have cotton candy, sno-cones, popcorn, a punk hair booth and various games. Times have not yet been determined but have tentatively been set for 10am-3pm. The flea market will take place in the multi room from 9am-2pm (tentatively). If you are interested in donating items we ask that you wait until Fri. the 24th between 1pm - 6pm to drop them off in the multi due to storage concerns.

The first two weeks in Nov. our 5th graders will be selling cookie dough to earn money to go to science camp. If you know a 5th grader ask them about it. If you don't know anyone and would like to make a purchase, come by the office before school or after on Friday at the above mentioned times.

November 10th – 14th is our book fair. Check the marquee or next month's *LVNA Villager* for the times. We have an ongoing program of collecting used cell phones and ink cartridges. If you have any to donate please drop them off at the office, anytime, in the labeled box. We also have boxes for Campbell's labels and General Mills box tops.

Thank you for all of your support.

Lakewood School News

The school year is well underway, and a big thank you goes out to all of our great parents who have been contributing both of their time and money, here at Lakewood School. Please remember that your child's education is the most important thing to us and with the current budget crisis, certain aspects of running a school have changed. The number of staff is less, and so are our budgetary capabilities. Please, if you think you have extra time to spend, consider volunteering at your child's school during school hours or even in one of the after-school programs. If you cannot spare time, contact your child's teacher and see if there are any classroom supplies you may be able to supply.

Remember that students need a good breakfast before coming to school; we see many students each day who are complaining of tummy aches and tell us that they have not eaten breakfast. Lakewood's cafeteria is open at 7:45 and serves breakfast for $1.50. School starts promptly at 8:15. We follow up on frequent tardiness, and being tardy is not a fun way for your student to start the day!

Another way to support Lakewood is to attend the many events organized by the PTO (Parent-Teacher Organization). The PTO's main function is to raise funds for the school. These funds have purchased computer equipment, classroom supplies, funded field trips and assemblies, and many other vital components of your child's educational experience. In addition to raising money, PTO members are on campus nearly every day,

Lakewood Village to be featured in the Sunnyvale Sun

Look for a feature story about Lakewood Village and its residents in one of the October issues of *The Sunnyvale Sun*.

23rd year, 1st picnic?

I've lived in Lakewood Village for 23 years and have never attended the annual picnic – until this year. Why? Because I'm a vegetarian, and neighborhood picnics usually feature hamburgers and hotdogs, not tofu and bean sprouts. This year was different, however, as some of you may have seen me grilling veggie burgers and zucchini alongside the carnivores. Although there weren't many vegetarians at the picnic this year, with better planning and promotion, next year could be different. The picnic should be fun for all of our neighbors, so come out next year and join your vegetarian neighbors, whether it's because they're Hindu, Buddhist, or Muslim, or they love animals, or they hate plants, or "just 'cuz".

This Month in Lakewood History...

- Brian Smithson

45 years ago: In 1958, groundbreaking was held for the Lakewood Methodist Church (still operating in the same location!).

This is the rear of the church as it appeared in 1959, a view from Oak Creek Way that is now obscured by houses.

44 years ago: In 1959, Dick's Supermarket and the shopping plaza opened for business.

39 years ago: In 1964, Lakewood Park was dedicated.

12 years ago: In 1991, the LVNA was formed. Happy Birthday, LVNA!

If I Was In Charge of Lakewood Village (3rd place, K-2nd)

- Emily J.

If I was in charge of Lakewood Village I would make a wading pool for little kids like myself so we can cool off our feet on a hot summer day and have fun splashing around. A water slide would be great too, but if that costs too much then maybe a few mist sprayers could be installed to help cool everyone off. A mist sprayer in the sand area would help me make great sand castles.

Also poney rides a couple of times each summer would be fun. Or maybe a Barbie Club so all the little girls my age could come together to share our Barbie toys and have fun playing with them.

I love Lakewood Park. I have great fun swinging on the swings and playing on all of the other great stuff. □

If I Was In Charge of Lakewood Village (3rd place, 6th – 8th)

- Monica J.

If I was in charge of Lakewood Village, hardly anything would change because our village is so great. Almost everyone wants their yards to look pretty. To run the parks I would keep it as it is because people can go there anytime they want and spend as much time as they want there. One thing we can all do is go around and ask neighbors to please pick up trash around their house so that our village stays clean. I like that Fairwood School and Lakewood School play basketball games against each other now. It's fun and I wish we played more. Lakewood Village is such a great place to live because everyone lives close to each other and we are all like family, helping one another, saying hello everyday, and things like that. I hope that in the future Lakewood Village will stay as nice as it is. □

If I Was In Charge of Lakewood Village (3rd place, 9th – 12th)

- Elisa W.

Picture an overall great neighborhood. It's usually quiet, peaceful, the houses have green lawns and fresh coats of paint. There's a park, a school, local stores, even gas stations. Now think that amongst the picturesque neighborhood there is an intruder- a house with a well seeded weed garden, a record-setting collection of paint chips on the ground, a cement yard, and broken down cars permanently parked in the front yard. Our common sense and pride for our community forces us to ask, "How can we fix this?!"

Not a lot of people realize that there are actually municipal codes that were made to make sure those things don't happen. However, there are always places and things that somehow are ignored or slip through the cracks. If I were in charge, one of the first things I'd do would be to instate stricter municipal cod enforcement. Every month, municipal code officers would patrol Lakewood Village, distributing notices and taking action as needed to get everyone up to code.

Cars are another big problem. Four-way intersections all through Lakewood Village are an accident waiting to happen. Four-way stop signs at all intersections would slow down drivers that go dangerously fast, so that Lakewood Village can be safe for pedestrians as well as other drivers. Backing out of your own driveway can be a hazard also, because cars are often parked so close to your driveway you can't see around them. I think a new municipal code should state that cars cannot be parked closer than six feet to any driveway entrance.

People should show pride and respect for their community and their neighbors. Keep you house clean and well-kept. Drive carefully and within the speed limit. We can make Lakewood Village a better place for everyone to live. □

More contest winners will be published next month! ■

All residents of Lakewood Village are encouraged to attend this monthly meeting. You will meet some of your neighbors, learn about upcoming events of special interest to our community, have a chance to voice your concerns and opinions, and help work towards a better neighborhood. Children are welcome.

This month's meeting features local candidates. See the article on page 2 of this issue for details.

The next meeting is:

Date: Wednesday, October 8th
Time: 7:00 p.m.
Place: Lakewood Park Building ■

Public Hearings on RV, Boat and Trailer Parking in Sunnyvale

SUNNYVALE, Calif. – The Sunnyvale City Council is considering adopting new restrictions on recreational vehicle (RV), boat and trailer parking in front yards. The hearings will address issues such as limiting the total length of a vehicle, requiring parking to be perpendicular with the street and limiting the length of time vehicles may be parked. The hearings will provide Sunnyvale residents with an opportunity to voice their concerns, and questions during this decision-making process.

Currently, the City does not prohibit the parking of RVs or any oversized vehicles in front yards. City requirements also do not address the aesthetic impacts that RV, trailer and boat parking may bring to residential neighborhoods. The City's Municipal Code currently has three key sections – SMC 9.24.180, SMC 9.26.030 (19) and SMC 19.48.260 – that deal specifically with parking on private property. RVs, trailers and boats comply with current City regulations if they are parked on a paved surface and do not block visibility at a neighboring driveway.
