President's Column

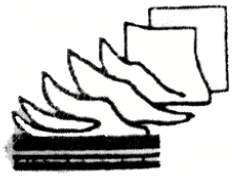

- Phyllis Murphy

Greeting LVNA,

Halloween is now behind us and we are on a rapid march to Thanksgiving and Christmas. This time of year is special not only because of all the excitement it drums up but it seems for the most part everyone is a little kinder to their fellow neighbor. As you go about the holidays this year, keep your neighbors in mind. Perhaps you know of someone older or less fortunate than you who could use help with getting a tree or decorating their yard. Maybe they could use a ride to the mall or some fresh baked cookies. Remember, everyone benefits from acts of kindness. ■

Interested in Forming a Playgroup?

Dear LV neighbors,
I have an 8-month-old daughter and I am a stay-at-home mom. I am a certified teacher and like to take my daughter to events and places that enhance her learning. If there are any other parents out there who would be interested in forming a playgroup, please let me know!

Neighborhood Enhancement Program Kick-Off Meeting

- Brian Smithson

The kick-off meeting for the Lakewood Village Neighborhood Enhancement Program was held on October 23rd at the Lakewood Park Building. Neighborhood Preservation's Rich Gutierrez and Christy Gunvalsen led the meeting that was attended by a room full of several dozen residents. The scope and purpose of the program was introduced, participants from the previous Pilot Program shared their experiences, and Rich and Christy described what to expect and how to participate in this program. The next step in the program is that Rich will survey every home in the program area and begin contacting residents as needed. The next Neighborhood Enhancement Program meeting will be on November 20th.

The Neighborhood Enhancement Program is a partnership between the City of Sunnyvale, the LVNA, and residents and property owners, and its purpose is to improve the overall maintenance, safety, and appearance of Lakewood Village. Our neighborhood was chosen because a 2001-2 study of the 55,000 single family residences in Sunnyvale showed that 20% of the homes in Lakewood Village had two or more code violations, in contrast to 5% city-wide. Code violations can be anything from minor issues, like trashcans left on the street more than 24 hours after pick-up day, to major issues, like illegal construction or unsafe occupancy. The program is paid for by Federal funds, not from the regular City budget. The City receives $2 million from Housing and Urban Development, and $85,000 is earmarked for programs like this one.

This program is the follow-on to the Pilot Program that was started in 2002. The Pilot Program covered 95 homes around Lakehaven and Lakeknoll Drives, and is generally considered to have been a success by the City and area residents alike. A report on the results produced by the Pilot Program was published in the September issue of *The* Villager, and is available on the web at http://www.lvna.net/Villager/villager.html.

The new program covers some 150 homes between Lawrence Expressway, Fairwood Avenue, and the John W. Christian Greenbelt (better known as Hetch Hetchy). Among the services that will be made available to residents in that area are:

- Free landscaping for the front yard and park strip
- City-paid cleanup events
- Low-interest loans for home repairs and remodeling
- Free paint
- Workshops on home and landscape maintenance and improvement
- Curb and sidewalk repair

If you live within the boundaries of this program are interested in participating in any way, watch for announcements in your mailbox or delivered door-to-door, attend the November 20th meeting, or contact Rich at 730-7447 or rgutierrez@ci.sunnyvale.ca.us. ■

Don't Miss the Holiday Parade!

- Ursula Syrova

You don't have to travel far for this fun family event! The 10th annual Lakewood Village Holiday Parade will take place Saturday, December 6. It will start at Lakewood Park at 11:00 a.m. and proceed along Lakehaven and Sandia to finish at Fairwood Park, where light refreshments will be served and a DJ will play music. We are proud to have Fremont High School's marching band in the parade, as well as groups from Fairwood and Lakewood schools. Other participants include youth groups, local clubs and service organizations, local businesses, City departments and City Council members. Kids will get a kick out of seeing a fire engine and rangers on horses, and of course Santa will be there too! This is Sunnyvale's only holiday parade, and it's organized right here in Lakewood Village by your Lakewood Village Neighborhood Association board member volunteers. We encourage everyone to come out and watch the parade along its route and then join the after-parade party at Fairwood Park—it should be great fun for all. ■

A Real Cat Burglar in Lakewood Village!

- Mark Robichek

In today's tough times, lots of neighborhoods have cat burglars, but not too many of them are actually cats! Lakewood Village is the home to one such cat.

Many of you living near Fairwood / Tucson / Torrance know Dooley, a cat that is often seen walking his owner around the block. Over the past several months, Dooley has developed a habit of stealing merchandise from the neighbors, usually in the wee hours of the morning. Generally around 2:00 AM, Dooley's owner is periodically treated to yet another gift, quite often accompanied by a loud howl to proudly announce another delivery.

What kind of gifts? Well, ANY cat can bring his owner dead animals, but in Dooley's case, the gift list looks something like this:

- Over 20 stuffed animals
- A dozen slippers
- Over 50 socks
- Gloves (gardening, kitchen, bike racing)
- Hats & caps
- Toys (balls, balloons)
- Car polishing pads, towels, rags
- And much, much more…

EVIDENCE

Note: Friends of Dooley's owner have suggested that he train Dooley to look for things that are shiny and/or green! However, since Dooley's only motivation for stealing appears to be love for his owner, training him would probably do no good.

Dooley's owner has gone door-to-door and also posted signs in a futile effort to locate the owner(s) of these items.

Have any items from your house or yard mysteriously disappeared? Call Mark at (408) 732-5626. ■

UNSCC Conference: A Great Learning Experience

- Ursula Syrova

On October 18, three representatives from the Lakewood Village Neighborhood Association attended the United Neighborhoods of Santa Clara County (UNSCC) Fall conference. This conference marked 10 years since the organization formed with the purpose of bringing county neighborhood groups together in the spirit of education, advancement, and cooperation. The Lakewood Village Neighborhood Association is a member of the UNSCC, paying yearly dues. One example of the benefits of that membership is that the events we put on as a neighborhood can be insured through the UNSCC. The UNSCC emphasizes education and cooperation--for instance organizing a set of cleanup tools that associations can share, or education about issues that stretch beyond one neighborhood, such as BART extension plans or traffic calming.

This year's conference provided a great chance to meet other people involved in neighborhood associations, and it featured seminars on various issues of importance to neighborhoods everywhere. One set of seminars addressed reaching out to people of different cultures and nationalities. Another set taught us how to ask for money, how to form a 501(c)3 corporation, and how to write grant proposals. Yet another addressed how to better reach out to and interact with local government officials. More information about what was offered at the conference can be found at the UNSCC website at www.unscc.org. It was wonderful to see how many people care about improving their

neighborhoods and to come away with some great information that may help us improve our own. The learning doesn't stop there, though. The LVNA sends a representative to bi-monthly meetings of the UNSCC where topics important to neighborhoods are continually discussed and guest speakers seek to further educate.

And speaking of our representative, we are sad to report that our representative to the UNSCC has moved to another neighborhood. Tom Freeman is also on the board of the UNSCC and has been a valuable liaison for us. The new representative from Lakewood Village would attend the bi-monthly meetings and make an informal report to the LVNA at the general meeting. If you are interested in this opportunity, please contact one of the LVNA board members. It would be a great chance to meet other involved citizens and learn more about neighborhood associations. ■

What's Happening at Lakewood School

- Wendy Stanley

We want to thank everyone who came to our carnival. Everyone had a great time and the school made a little money5:30 . We want to also thank our parent volunteers and students who helped run booths. A special thanks goes to Phyllis Fowler for her extraordinary face painting — had I know she was that good I would have charged more for her services.

Our book fair starts Mon. Nov. 10th and goes thru the 14th (closed on Tues the 11th). It will be open to parents and family from 8am until 3pm every day. Weds we will be having Fiesta Night from 5:30 until 7 along with our book fair. Tickets for this dinner are available for purchase in the office during school hours. A limited number of tickets will be available the night of the event.

Our 5th graders are now selling cookie dough, pizza and ravioli to help them pay for science camp in the spring. The school makes nothing on this event, the proceeds go directly to the child selling the items. If you know someone, ask if you can buy something. If you don't know anyone, come by the school and we can help you. ■

This Month in Lakewood History…

- Brian Smithson

49 years ago: In 1954, a developer submitted plans for a 350-home tract where Unit I is today. I believe this may have been the first proposal for what became Lakewood Village.

46 years ago: In 1957, Lockheed purchased 275 acres for their Missiles and Space facility (now Lockheed-Martin).

45 years ago: In 1958, plans were announced for Dick's Lakewood Center shopping plaza.

If I Was In Charge of Lakewood Village (4th place, 6th - 8th)

- Guadalupe A.

If I was in charge of Lakewood Village, I would do lots of things. So if you want to know what I would do, grad on to your seats. This is going to be quite a paper.

I would start by making people move their cars when the street sweeper comes by. Because nobody really seems to care. That means our neighbor hood is still going to be dirty. What I would do, is fine the people who don't move thier car.

Another thing I would do is make everyone cut their grass. Because if you look around, not everybody cuts their grass. That just makes our neighbor hood look ugly. So to make people cut their grass, I would knock on their door and tell them to cut it. And next time you go and it is not cut, fine them.

So that is about it. Hope you liked it. □

If I Was In Charge of Lakewood Village (4th place, 9th – 12th)

- Alyssa M.

If I was in charge of Lakewood Village I would definitely change some things. I've lived in the same place for the past 14 years and I have never really known anyone besides my immediate neighbors. I've always watched the movies where the kids play outside all the time and everyone knows each other and in the past years I've noticed that that isn't my neighborhood. I think a thing that would bring everyone together would be to have block parties. On holidays everyone should make a dish come outside and meet their neighbors. I think if we had those growing up I would know more of the people that surround me.

▶ *continued in next column*

▶ *continued from previous column*

Being a teenager I was very happy when I found out there was going to be a movie theater built. I always used to go to Mountain View or the Sunnyvale mall. I always imagined it to be very convenient to live next to jamba juice, and Ben 'n Jerry's and ACM. But never did I think that these attractions would bring so much traffic and so many bad drivers to our streets. I live on the very beginning (or end) or Torrance and me and my little brother always used to play outside. Now I find it very hard to play basketball outside with the speed racers cutting trough our street to catch their movie. I've thought about things that could help this situation and I think I've come up with a winner. We should put speed bumps along the back street. This way it forces people to slow down. I don't think I'm alone when I speak about this issue. Sometimes I sit outside and watch the cars as they dash past our residential area. They don't care about our peaceful streets they only care about getting to their movie on time. If I was in charge I would definitely install speed bumps. Besides for my few complaints and the fact that my neighbors always park in front of my house I have been very happy living here. It is a safe place and I've learned to love Lakewood village. □

If I Was In Charge of Lakewood Village (Honorable Mention, 9th–12th)

- Jennifer D.

I have been living in Lakewood Village all my life. I have always enjoyed how peaceful and tranquil this place can be. I think it's nice and refreshing, but once in a while everything and monotonous. There aren't many big events that happen around here. Sometimes I want this place to have showings of movies in the park on an autumn night or plain block parties. Wouldn't those be oodles of fun? I would think so. Those are just a few of my fresh ideas.

Lakewood Park is a great place to unwind when you need some air, get inspiration, or even just some time to think. I am very fond on strolling in the park

▶ *continued on next page*

because it is conveniently placed across the street from my house. Lakewood Park is an awesome place to do whatever your heart feels content with. Just recently, I took a walk with my mom, brother and sister. It has been a while since I've done that. We stopped by Lakewood Elementary School to beat my brother and sister at basketball (it didn't go as planned…), and just to play around. Well, I observed that the school's playground was weak, small, puny, rusty, and other words that will be synonymous to those words. How can these children have fun on these poor excuses for a playground? There is no variety for these kids. Their playground is lacking! I went to that school and recesses were boring because after a little fun on that playground, I got bored and lost interest. They are risky to play on. The ground is uneven, and the bars are chipped. If I were in charge of Lakewood Village, I'd update the school and give these kids something more. These little kiddies would find it most enlightening. More fun and activity will stimulate great knowledge. If this can spark happiness for a few kids, I would be ecstatic to do more for humanity. Children can be little Einstein's in the making. As we continued our journey, we passed the swimming pool, in which I have adored as I grew up for various reasons. I think the pool is a great spot to exercise and cool down. We continued to the tennis and basketball courts, in which I think, are working well. As my family and I looped around to get back home, I noticed that the park was vast and open. It was nice. Another thing I noticed was how the picnic areas looked too aged. I would like to renovate some areas of the village to make it safer and appealing to everyone. If we pull ideas from fellow citizens of Lakewood, we could mix old school Lakewood with new school ideas to make a retro-styled, modern Lakewood Village. That is something to look forward to. □

VERSE ONE:
wak'n up 6 am,
to X-tian hiphop on FM,
eat'n cereal,
record what I written,
get to the park.
and set the stage, and start ripp'n,
break beat B-boys & girls,
the hiphop sound hitt'n,
your mind body and soul,
gett'n into it,
God's tak'n control,
while you shak'n it,
I jump on to the stage,
rapp'n how I feel,
Im an MC,
and I'm keep'n it real...

HOOK:
SUNNY, SUNNYVALE,
Doing hiphop instead of jail,
SUNNY, SUNNYVALE,
Keep it positive, we won't fail. [2x]

VERSE TWO:
got the city jump'n,
not sell'n drugs, and,
but being cool,
and really com'n, round,
thats why we bound,
to the sound,
clean'n up this town,
when we break it down,
freestyle concerts,
everyone com'n in long spurts,
keep'n it clean,
not to hurt,
but respecting,
not rejecting,
even if that ain't
what your style be...

Healthy Eating Strategies to Keep your Holidays Merry

Camino Medical Group and the City of Sunnyvale are offering a free program on "Healthy Eating Strategies to Keep your Holidays Merry." The program includes demonstrations on:

- Recipe modification techniques
- Healthy holiday entertaining tips
- Eating strategies to deal with holiday food events

The program will be held in the Sunnyvale Public Library, Program Room B, on November 13th from 6:30 p.m. to 8:00 p.m.

Seating is limited - Call Camino Medical Group Health Education at 408-523-3222 for reservations or for more information. ■

Library Special Outreach Services (SOS)

- Sue Ellen Adkins

Do you miss the Sunnyvale Bookmobile? Has your age or a physical disability confined you to the house? If the answer is "yes", then the Sunnyvale Public Library has a program for you.

Special Outreach Services (SOS) provides library materials once a month to residents who are home bound. You can receive books, books-on-tape, large print books, picture books, compact discs, and non-feature videos.

You discuss your reading preference and interests with a member of the library staff.
Then this employee or a volunteer selects the materials that will be delivered to you.
Deliveries are made on a regularly scheduled day, and last month's materials are picked up.

Does this sound like something that you would like to do? All you need to do to enroll is call 408-730-7306. Someone at this number can also answer your questions. ■
