

VILLAGER

VOL. 8 NO. 8 LAKEWOOD VILLAGE RESIDENT'S ASSOCIATION AUG. 1965

To-day, as I wandered through our village, I took just a bit of pardonable pride in the progress that is evident everywhere.

The residents of Lakewood Village have shown and are showing, increasingly a strong sense of civic pride. Much is in evidence; increased landscaping programs, clean up, paint up and fix up projects are in abundance. More and more residents are expressing increased interst in any and all affairs effecting our village and the City of Sunnyvale.

Quite obviously in an area as large as Lakewood Village there are a few instances of neglect. Fortunately, these are in the minority, and, I feel with some concerted effort, these problem areas can be eliminated.

To those who are having problems of this nature, help is available. A call to myself or Francis Mick will bring any assistance that we are capable of providing.

Let's all do all we can to further improve an ever-improving area.

The first annual picnic at Lakewood Park sponsured by your LVRA will be held on August 15, 1965.

Fun and frolic for all residents of Lakewood Village----bring your baseball gear, horseshoes and what - have - you.

The meal will be a joint affair. Bring a meat course for your family and one pot luck dish --- Coffee will be provided. You will need your own dishes and utensils other than that bring yourself and your family.

This is going to be a great day for one and all ---so --- let's join in the spirit of the affair, come early and join in the fun

See you there
Joe Santi

I can't help but wounder how many of us have given serious thought to the kids that come around once a month to collect old newspapers which for the most part take up space in our garages.

These young boys, cub scouts in good standing are actually doing quite a service for us all. As we all know newspapers have a habit of accumulating and being in evidence, everywhere and generally speaking, are a great nuisance.

The boys deserve a good deal of credit for their perserverance. This is a large village and papers are heavy; yet they drive on until the entire village has been covered during each collection.

Let's give them their due and better yet, let's do what we can to help; nothing elaborate, simply place the papers on the curb on collection day. A simple act for us, but a great help to the kids.

For your convenience, papers will be picked up on the Fairwood side of the village on the first Saturday of the month and the second Saturday on the Lakewood side.

Remember, a little help goes a long way. Place your papers on the curb, in bundles

THANKS
Joe Santi

IN LAKEWOOD SHOPPING PLAZA

It's Wintertime! What?

That is what I said. Time to plant your fall and winter bulbs. Trees and shrubs from containers can also be planted this month, if you water them well.

Sow your winter vegetable crops. Cool season crops to keep in mind are: Asparagus, rhubarb, beets, carrots, onions, broccoli and cabbage. These can be planted in late summer and produce well, if the rains aren't too early.

Divide your perennials now. If you have room in your beds, replant in new locations. If not, rebuild your soil before replanting, as each year's growth cycle saps the greater potion of the soils vitality.

Prune your berry bushes after they have fruited. Continue cutting away all dead flower pods; especially rose "apples", as they soak up and store a great deal of food that could go into making a longer bloom period.

Mildew will soon be one of your garden's worst enemies. Cool, cloudy days are coming and heavy dew at night soon has leaves looking like they are coated with dust and curling up; blooms turning dark and sickly. There are several sprays and dusts on the market to combat mildew. They are helpful, but not sure bets. Special Winter & Spring Blooms: (I cannot cover all the flowers in this group in one issue; so I will try to cover perennials next month.) These flowers are to be sown in late summer or fall. Ask your nurserymen or read your labels for complete instruction on planting.

TROOP 425 NEWS

Due to the fact that the Troop went to Camp Hi-Sierra on the 1st of August, the regular monthly newspaper pick up was advanced to the 31st of July. We regret the change of schedule; if there were Fairwood residents who had saved papers for us,and were away on the 31st, please phone 736-5100. We will make arrangements to have the papers picked up.

The yearly week at Camp Hi-Sierra, the Santa Clara County Coundil Camp near Sonora, was attended by 35 Scouts and 4 adult Scouters. The men escorting the Troop were: Al Herboldsheimer, Willy Rimper, Del Roy Malstrom, and Clyde Elijah.

The fishing trip to Concow Reservoir from July 10 to July 17 was enjoyed by: Rod Clark, Don Young, Ken Melind, Bill Gill, Jack Baliki, David Clark, Chuck Brown, Jim Withrow, and Adult Scouters Gene Withrow, Scoutmaster Jack Clar, and Honorary Scout Mrs. Bernice Withrow. The Troop wishes to express particularly our gratitude to Mrs. Withrow, who served as "Cook" for the last three meals; it was a welcome change from our own cooking!

Welcome is extended to Jimmy Williams and Mike Spettel Webelos from Pack 425. On the Pack outing on July 25, the two were received into the Troop, to start their trek up the trail toward the Eagle Rank.

Troop 425's loss is Milpitas' gain. We miss the Elijah family, Clyde, Lotta, and Steve. Clyde has been one of the "workhorses" of the Troop, always ready to serve in any capacity in which he has been needed. Lotta is very active in the Ladies' Auxiliary. It will not be easy to replace this family of Good Scouts.

Another familiar face will be missing from Troop activities. Courtney Hart has moved from the area, although he is returning to serve as Leader for the Expedition to Philmont Ranch in New Mexico.

The group going to Philmont will leave to drive to the Ranch on the 15th of August. Philmont Ranch is located in the Sangre de Cristo Mountains in Northern New Mexico, and is world famous for its training program (and outdoor FUN) for Scouts.

Our thanks to the patrons of our booths at the Western Days Festival on July 24. We enjoyed serving you.

The next meeting of the Troop Committee will be on August 18, at the home of Committee Chairman Charles Brown. For information about Scouting, interested persons may attend the meeting, or phone Mr. Brown at 736-3889, or Vern Clark at 245-5174.

Publicity Chairman, D. V. Young

LAKEWOOD METHODIST NEWS

Our Church has new welcomed our new Minister, the Rev. Robert Sanford. The Sanfords have moved into the Lakewood Parsonage at 1222 Sandia Way. Mrs. Sanford, a teacher who was raised in Michigan, and Rev. Sanford, who was originally from Brooklyn, met at the University of Michigan. Bob and Leone have 3 boys, Johathan, a recent graduate of San Joaquin Delta College; Paul, graduated from Stagg High School in Stockton this spring and enters Occidental College in the fall; and Timothy, who will be entering the seventh grade in September. Bob and Leone come to us from St. Paul's Methodist Church in Stockton.

The men of the Church are currently engaged in painting the outside of the church, as some of you have probably noticed when you pass by. After the painting is complete, we hope to do a little landscaping aroung the building.

On Saturday, the 28th of August, we plan to have a good old fashioned Square Dance in the parking lot of the Church, with yours truly doing the calling. All members of Lakewood Village are invited. It doesn't matter if you can square dance or not; we will teach you enough in a few moments to have a lot of fun. After the Square Dance, we hope to have Rev. Dodds Bunch from the First Methodist Church of Sunnyvale tell us of his recent trip to Palestine, and with a little luck, he will have a few slides of that area.

If there is enough interest in the area, in Spetember, we will start Square Dance Lessons at the Lakewood Methodist Church; all the proceeds, after expense, will go to the church to help in the Landscaping. If you are interested, please call me at 245-8955, and let me know. Or better yet, come out on the 28th of August, have a good time, and tell me then. We hope to have two groups, Teenagers and Adults. Come on out and give it a try. You won't be sorry if you do.

Camp Fire Girls from Santa Clara Council enjoyed a fun filled week of Day Camp, held at Stevens Creek Park during the weeks of June 21st to July 2nd. The first week taken over by girls from Sunnyvale and the second week by girls from Cupertino. They named the camp, this year, HUKITA which means to go forth, with the theme being "Pioneer Women of Pioneer Days." Crafts were enjoyed by the younger girls, while cooking was prominent with the more advanced girls. Hiking and wading was enjoyed by all as was the special Nature study,on common plants which were found in that area. Over 212 girls participated in both sessions. A special BIG THANKS, to all our leaders and mothers from this area who helped to make Day Camp this year such a big success...

SPECIAL NOTICE...Any girl leaving Blue Birds or Camp Fire Girls, or just out growing old uniforms, or parts, please remember our "Costume Rack" at Mrs. Coles. We are badly in need of hats, ties, and Blue Bird vests. Any part will be welcomed. Even Camp Fire Girls Books or Blue Bird Books. Just give Mrs. Cole a call at 739-5129 and she will arrange for any donation to be picked up. If you are unable to reach her please call Mrs. Wilma Wilson at 736-8988. Thank you....

Wilma M. Wilson
