"From The Editors Desk"

First an apology, we are very sorry that you have not been able to depend on your "Villager" reaching you each month lately. Employment commitments, made it very difficult to find the necessary time involved, to get the paper "to Press". This has been changed by the coming forth of a new editor. As in the past you will receive your "Villager" on the last Saturday before the first Monday of each month. If you are wondering why we say it that way, the reason is this. The "Villager" is put out for the primery purpose of announcing the L. V. R. A. meetings each month. There are times when the first Monday of the month is a Holiday. We do not have meetings on Holidays, naturelly. When the first of the month is on Tues, or Wed. the paper is then delivered on the first Sat. of the month, instead of the last Sat. of the previous month. If for some reason you do not understand this or if you have any questions, regarding the "Villager" please feel free to call. 734-1817 or 245-5140. This is YOUR paper.
